Seasons Of Woman:

Seasons of a Woman's Life Lois Evans, 2001-07-01 A woman's identity can become distorted by the many pressures she faces and the needs she uniquely fills. The frantic pace of life leaves many asking, "Will it always be like this?" Lois Evans answers reassuringly, "No." In *Seasons of a Woman's Life*, Mrs. Evans walks women through the many different seasons of life, encouraging them to hold fast to the promises of God. Through the life of Esther, she teaches women to designate and write about their own stones of remembrance throughout each season of life. *The Seasons of a Woman's Life* Daniel J. Levinson, 2011-10-05 Firmly grounded in scientific research, this book reveals that women follow a predictable developmental course through adulthood. Work and marriage relationships, personal crisis, emotional states, and behavior can all be related to this grand pattern. But in the case of women, the situation is made far more complicated by gender biases. **Seasons of a Woman's Life** Lois Evans, 2013-01-23 Are you afraid that you'll never reach the end of dirty diapers? You'll never be free of carpool duty. Your teenager's rebellion will never end. The empty nest is just a little too empty. Fear not: seasons change. You blink twice and find yourself in another situation. Maybe longing for the old days, or maybe grateful for the freshness of a new season. But like it or not, the seasons will come, each in its sequence and each in its own time. Using lively examples from her own life and those of other women, including Esther, Lois Evans challenges you to discover the purpose of your life and to depend on Him as He teaches the lessons of each season. In this book, you will find helpful principles, recognize familiar emotions, and take to heart encouraging promises from the pages of God's Word. In this edition, a new chapter on the grandparenting season has been added. And to help you dig deeper, whether alone or with friends, chapter study questions are included. **Seasons of a Woman's Soul** Jenny McJunkin, 2019-05-14 Discover why God allowed Joseph to experience different life seasons and how God wove them together for an incredible purpose. God intentionally creates both difficult and rewarding seasons in our lives. Women of all ages will explore their own life stories and learn how to thrive in every season. Jenny McJunkin has a tender heart for God. Her desire is to see women live in the fullness God has for them. In this study, Jenny combines biblical truth with great insight and practical application. Her openness to share her life stories will inspire you and take you on a journey of discovery in your own life. This life-giving course is inspirational and easy to follow. Kim Corden, The Lightline Intercessory Services author of *Tending Your Garden*, Hertfordshire, England. *Seasons of a Woman's Soul* is a great way to dig into the absolutely amazing story of Joseph and discover parallels to our own lives. It is also incredibly beneficial to create your own timeline, which I had never done before. It helps you assess your life and see God's providence. Dana Boffo, wife, homeschooling mom, financial advisor. As Jenny's mentor and friend for more than two decades, I have seen her journey through life's seasons without letting them derail her faith in God. In every season, she has sought God's perspective and leaned into his purposes. As a result, her roots go deep. In this interactive study, you will discover God's perspective and purposes in your story. Joy Schroeder, Chi Alpha Campus Ministries Leadership Development, Bozeman.
