

LORD of the AIR

The background of the cover is a surreal illustration. In the foreground, a massive, golden, ancient statue of a seated figure, possibly a deity or pharaoh, dominates the left side. To its right, a series of smaller, similar statues are visible. In the background, a large, classical-style building with a dome and arches is depicted. A bright, comet-like streak of light cuts across the dark blue sky above the building. The overall color palette is dominated by gold, brown, and blue.

The Fundamentalist Mind Stephen Larsen, 2014-05-27 We are all fundamentalists whether we acknowledge it or not We were born into a world of myth and metaphor and have come to internalize the stories we were told as children as the literal interpretations of much greater and deeply symbolic lessons When we fall into such patterns according to author and psychotherapist Stephen Larsen we lose all flexibility and freedom of thought We become split by dualistic thinking bad versus good black versus white and are weighted down by definitive concretistic principles and behaviors that alienate us from one another Dr Larsen explains that we can avoid such pitfalls by identifying our inner fundamentalist and becoming more open minded individuals

Dark Passages of the Bible Matthew J. Ramage, 2013-09-24 Multiple gods Divinely mandated genocide Rejection of an afterlife If the Scriptures are the inspired and inerrant word of God that Christians claim them to be how can they contain these things For many believers in the modern age traditional Christian answers to these challenges are no longer convincing Though spiritually edifying they are unable to account for the sheer scope and depth of problems raised through the advent of historical critical scholarship Following the lead of Pope Benedict XVI in *Dark Passages of the Bible* Matthew Ramage weds the historical critical approach with a theological reading of Scripture based in the patristic medieval tradition Whereas these two approaches are often viewed as mutually exclusive or even contradictory Ramage insists that the two are mutually enriching and necessary for doing justice to the Bible's most challenging texts Ramage applies Benedict XVI's hermeneutical principles to three of the most theologically problematic areas of the Bible its treatment of God's nature the nature of good and evil and the afterlife Teasing out key hermeneutical principles from the work of Thomas Aquinas Ramage analyzes each of these themes with an eye to reconciling texts whose presence would seem to violate the doctrines of biblical inspiration and inerrancy At the same time Ramage directly addresses the problems of concrete biblical texts in light of both patristic and modern exegetical methods PRAISE FOR THE BOOK Ramage uses three difficult biblical motifs as proving grounds for this method the nature of God the nature of good and evil and the afterlife Exegetes and theologians will appreciate the author's wrestling with these issues in a considered way that tries to be true to both scientific methodology and the demands of a community of faith The Bible Today If a sacred text can be literally incorrect about topics on which it claims to speak authoritatively how can its words be trustworthy *Dark Passages* sets out to raise the reader's awareness of how to use the Bible in ways that are not so cut and dried The Method C reader appreciates myth or authorial overreach where they exist and always reads the biblical word theologically as an encounter with the divine Word Method C goes beyond a simple formulaic answer to problematic Bible passages First Things

schismatics Walter Farquhar Hook, 1850 Books in Print Supplement , 1994 **The Real Truth About Church History**
James Sharp, 2012-08-20 The Real Truth About Church History answers the following questions Why is Christianity the way that it is today And how did we go from one church to over 34 000 Christian denominations worldwide This is a huge problem because the world has acknowledged this fact And the fact is this A church divided is no church at all So in order to end the division in Christianity we must all go back to the Bible and the past It is time for all Christians to speak the same things that were spoken by Christ the apostles and the saints of old after the Apostolic Age This book educates you on the hidden facts about primitive Christianity by covering the first 5 centuries of the history of the church The things that the average Christian have not been taught have been brought out more clearly in this book Also this book shoots documented facts that cannot be refuted Now more than ever there must be complete and utter unity in the body of Christ We re living in the last days so it s time for all Christians to speak the same thing by the Word of God
