McAfee,Yvette d'Entremont,2017-08-22 While belief in religious supernatural claims is waning throughout the West evidence suggests belief in nonreligious supernatural claims is on the rise What explains this contradiction How can a society with a falling belief in God have a rising belief in ghosts psychic powers ancient astronauts and other supernatural or pseudo scientific phenomena Taking the same anthropological approach he employed in his notable studies of religion atheist author and activist David G McAfee turns his attention to nonreligious faith based claims Whether going undercover as a medium getting tested at Scientology headquarters in Los Angeles or interviewing celebrity paranormalists and famous skeptics he leaves no stone unturned in his investigation As in the case of religion he finds an unwillingness among believers to critically
