Lift Up Your Heads John A. Davies, 2018-06-06. We are increasingly conscious of the significance of our body language in our everyday interactions. The writers of the Bible were also aware of the role this nonverbal form of communication played and have recorded aspects of this in their narratives or used idioms based on such gestures as head or hand movements, eye contact, and modes of dress. As with spoken or written language, postures and gestures need to be interpreted against a cultural background. This book provides a comprehensive overview of this rich world of nonverbal communication in the Old and New Testaments for the general reader and scholar alike.

No Ordinary Duke Sophie Barnes, 2018-10-30. He's everything she's trying to avoid. But somehow, precisely what she needs. Caleb Crawford doesn't want to be a duke. He'd much rather build houses for a living. So when fate disrupts his peaceful life and burdens him with the responsibilities of a newly inherited title, he does what any sensible man would do: by fleeing London, disguising himself as a laborer and seeking refuge with three young spinsters who need his help with a leaky roof. Ruined by a marquess who promised her the world, Mary Clemens has sworn to avoid marriage forever. Instead, she intends to live out her days with her friends and the orphaned children they've taken into their care. But when Mr. Crawford comes knocking, Mary finds herself in real danger of risking heartbreak all over again. Especially when she discovers that he's not at all what he seems.

Though resolute and driven by nature, dedicated spymaster Langdon Bourne has lost his way. Even his passion for his secret organization, the Young Corinthians, has waned until he is assigned a mission with the potential to finally bring about the peace that has eluded him for nearly two decades. But to eliminate a brilliant, dangerous nemesis, Langdon needs the help of a woman whose loyalties are most uncertain. Grace Crowther ignores the rumors that persist after the death of her husband, a merciless doctor who won her in a card game. Is she truly the black widow that many believe? One look at her angelic face and one glimpse into her heavy heart tells Langdon all he needs to know about Grace and his own deepest desires. He needs Grace if he's to have any chance of tracking down the leader of the nefarious gang known as the Kingsmen. And he wants her desperately enough to forget the rules of a good spy and take risks no ordinary man would dare. For Grace has no reason to trust Langdon or to help him. But somewhere deep inside she knows that he is the answer to her prayers. Praise for Stefanie Sloane and *The Wicked Widow Meets Her Match*.
