Early Long Beach Gerrie Schipske,2011 Few other cities can boast of the natural assets the people and the events that shaped the first 50 years of their history as can the city of Long Beach California First inhabited by the Tongva people the land was taken away by the Spanish then granted to friends of the King who in turn sold parcels to real estate speculators working with the railroads It was called many names before Belle Lowe suggested in 1884 that the townsite be known for its eight miles of long beaches Its oceanfront provided a resort area a landing strip for early aviators a fishing industry a port for

shipbuilding and trade and a location for the US Navy to anchor its battle fleet in 1919 However discovery of oil in 1921 transformed the city bringing incredible wealth and an explosive growth in population By 1938 the city s population was 200 000 and would be a major factor in the Southern California war effort History of Long Beach and Vicinity Walter Hodgins Case,1927 Prohibition Madness Claudine Burnett,2013-02-06 Throughout America cocktail parties sparkled defiantly through the dreaded first minutes of January 20 1920 With morning would come the official start of Prohibition It was easy however to keep the party going in Long Beach California Though Long Beach had been dry throughout most of its history illegal liquor distribution throughout the city was already perfected by the time the 18th Amendment banning the sale of most alcoholic beverages became law Already in place were underground booze operations secretive speakeasies and bootlegging the perfect staging ground for crime corruption AND murder READ ABOUT Oil The one discovery that made Long Beach different from the rest of 1920 s and 30 s America and would change the life of the city in many unforeseen ways Good vs Evil Murders gun battles lawlessness the city was a battleground between the influences of good and evil Involved in the battle was the Ku Klux Klan Communists rum runners bootleggers gangsters and corrupt politicians MEET Hollywood celebrities William Desmond Taylor Fatty Arbuckle and other well known figures who ended up dead or their careers ruined because of rampant corruption and illicit booze Gangsters such as Al Capone s henchman Ralph Sheldon who gunned down Long Beach policeman William Waggoner and got away with it Bootleggers like Thomas Johnstone murdered by his wife when he refused to give up his nefarious profession Oil swindlers many influenced by C C Julian and his Ponzi scheme that bilked thousands out of their life savings Murderers such as Bluebeard Watson who killed most of his 15 wives until one of them became suspicious These are just a few of the individuals and matters discussed in this eye opening account of Long Beach and Southern California during the 1920 s and 30 s Proceedings of the Second Pan American Scientific Congress: (section I) Anthropology.
