The author writes about such themes as the meaning of time in a man's life, faith and its different interpretations for everybody, culture and mentality of Lamas, their differences from the Europeans and some other topics which are important and interesting for every adult and that is why actually the book became so popular in the world. The book was adapted in two films, 1937 and 1973 years of release it was broadcasted on the radio channels in the United States. It won the Hawthornden Prize in the 1930s. *Lost Horizon [Trilogy Edition]* James Hilton, 2016-11-11. First published in 1933, this novel by award-winning author James Hilton tells the story of Hugh Conway, a veteran member of the British diplomatic service who finds inner peace, love and a sense of purpose in Shangri-La, an Eden-like valley high in the Himalayas in Tibet. Said to have been inspired by reading the National Geographic Magazine articles of a botanist and ethnologist who explored the southwestern Chinese provinces and Tibetan borderlands, the name Shangri-La has become a byword for a mythical utopia, a permanently happy land isolated from the world and one that captivated the world's imagination from Roosevelt naming his Maryland presidential retreat Shangri-La to the Zhongdian mountain region of Southwest China being renamed Shangri-La Xianggelila. The novel won James Hilton the Hawthornden Prize in 1934 and was also immortalized in a movie version in 1937 by influential director Frank Capra. Hilton's premise strikes a deep chord in today's everything is relative society. His utopia retains all its charm and in his creation of Shangri-La he added something permanently to the language. Guardian. *Lost Horizon* introduced the world to a Tibetan paradise where people live extraordinarily long lives of peace, harmony and wisdom. Expertly plotted and deftly written, Hilton's book suggests mysteries without spelling them out and leaves us wanting more. New York Times. James Hilton invented the name Shangri-La for a paradise on earth in a book that captured the imagination of a public dealing with financial hardships and the threat of Nazism. Observer. The important thing to note about this very fine novel, the tale of an adventure in Tibet, is that it is unusual and the product of a first-class mind, a wildly exciting story, nightmare, fantasy or what you will. Daily Express. *Lost Horizon* James Hilton, 2021-01-01. *Lost Horizon* is a 1933 novel by English writer James Hilton. It is best remembered as the origin of Shangri-La, a fictional utopian lamasery high in the mountains of Tibet. While attempting to escape a civil war, four people are kidnapped and transported to the Tibetan mountains. After their plane crashes, they are found by a mysterious Chinese man. He leads them to a monastery hidden in the valley of the blue moon, a land of mystery and matchless beauty where life is lived in tranquil wonder beyond the grasp of a doomed world. **Lost Horizon** James Hilton, Asino Calcio, 2014-06-21. James Hilton, the son of John Hilton, was born in Leigh, Lancashire, England, on September 9, 1900. His father was the headmaster of Chapel End School in Walthamstow.
