For My Lost Love Vesper Mull,2024-11-11 Light and Dark Day and Night Sun and Moon This is a well known dynamic the moody poetic person matching with the optimistic happy person For my Lost Love and For my Missing Piece follow the journey of life of two characters aptly named as such Both of these books are fully self insert the only two pronouns used for the main characters are You and I This allows the reader to imagine these two as you wish within their story This is both a short story compilation and non fiction book as all stories can be read as their own complete piece but lined up in the order that they are in both installments they make a complete life story For my Lost Love Book One is from Moon s point of view These stories are poetic metaphorical and melancholic They show how Moon is much less literal in their retelling preferring instead to describe as a nostalgic yearning journey It s as if they are distanced from their own life yet so desperately clinging onto every moment It is recommended to purchase both installments of the For my Series as both books give unique insights into the complete story that the other doesn t give Certain illustrations key mentions in the stories and even the cover art can only be fully understood after completing both books Both installments of the For my series are printed with a slightly larger than normal text size and with larger spacing between lines of text This allows for those with reading difficulties and vision difficulties to have an easier time using accommodations or simply allowing for more differentiation between lines for those who need it It is my intention to make reading accessible for all no matter who or where you are
