The Emplantation of Catholicism in Pre-modern Korea Kevin N. Cawley, 2025-02-06 Tracing the development of Catholic ideas in Japan and China during the late sixteenth and early seventeenth century this book provides an overview of the evolution of the missionary strategy in East Asia while focusing on the early emplantation of Catholicism in Korea Kevin Cawley recreates the tumultuous period for gender relations and explores interreligious interactions between Confucians and Catholics Highlighting the textual production this period inspired this book examines writings such as the catechism of the Italian Jesuit Matteo Ricci 1552 1610 which went on to convert a group of elite Confucian scholars to the new religion It also underscores the importance of the vernacular catechism written by Chong Yakchong 1760 1801 a convert from a prominent Confucian family who was eventually executed Chong's text made Catholicism easily understandable for women as well as men from lower social classes who eventually converted in significant numbers effecting real social change Outlining the shift from rejection to acceptance of new texts composed by early Korean converts this book explores emergent Catholicism in Japan China and Korea as well as the various challenges

encountered and how the mission strategy changed as a result Exploring gender relations both in relation to Confucianism and Catholics during this period this book provides insight into this previously under researched aspect of East Asian Catholicism In this study we learn how religious persecution and political tactics manipulated terrified and exterminated converts to Catholicism From European Jesuits to Korean Confucians this book outlines a fascinating journey of intercultural engagement between Western and Eastern worldviews *The Acts of the Apostle Thomas* Prof.M.M. Ninan,2018-09-11 This is the story of Apostle Thomas the doubting Thomas who dared to ask the evidence for the resurrection to believe Jesus was only glad to provide that Once satisfied he became the first to proclaim that Jesus indeed was God by shouting My Lord and My God In the fullest sense Thomas was the first Christian His ministry was essentially in Parthia including Yemen China and India He was martyred in Mylapore Chennai He came to Kerala in AD 52 This is his story which was handed down to us from our fore fathers for over 2000 years Come and touch Jesus and believe **The Other Jesus** Todd Outcalt,2014-09-05 We re familiar with the Jesus portrayed in the New Testament but many people are surprised to learn that a wealth of stories and traditions about Jesus have always existed alongside the usual Biblical sources Judaism Islam and Buddhism among other religions have created their own tales about Jesus sometimes out of necessary self preservation and reaction to the claims of the church but more often through thoughtful and artistic adaptation The Other Jesus explores these varied traditions and offers a fresh exploration of Jesus new perspectives that challenge long accepted beliefs about his place in history and his impact on other religions The Gnostic World Garry W. Trompf,Gunner B. Mikkelsen,Jay Johnston,2018-10-03 The Gnostic World is an outstanding guide to Gnosticism written by a distinguished international team of experts to explore Gnostic movements from the distant past until today These themes are examined across sixty seven chapters in a variety of contexts from the ancient pre Christian to the contemporary The volume considers the intersection of Gnosticism with Jewish Christian Islamic and Indic practices and beliefs and also with new religious movements such as Theosophy Scientology Western Sufism and the Nation of Islam This comprehensive handbook will be an invaluable resource for religious studies students scholars and researchers of Gnostic doctrine and history The Six Unsolved Ciphers Richard Belfield,2007-08-28 A survey of the world s most famous unsolved secret codes documents their stories and the monumental efforts that have been applied to their solutions from the sobering tale of the Zodiac serial killings to the Beale Papers promise about a lucrative treasure in Virginia s Bedford County Original Jesus and Buddha Marcus Borg,Jack Kornfield,2025-11-04 Jesus and Buddha were separated by five hundred years three thousand miles and two drastically different cultures Yet this trade paper edition of the highly acclaimed hardback juxtaposes passages from the New Testament and ancient Buddhist scriptures to illuminate the striking similarity between their lives deeds and teachings The Interpretation of Tang Christianity in the Late Ming China Mission Matteo Nicolini-Zani,2023-04-24 The book contains the first annotated English translation of the Correct Explanation of the Tang Stele Eulogy on the Luminous Teaching 1644 by the Jesuit Manuel Dias Jr

and other late Ming Chinese Christian sources interpreting the venerable ancestor of the Jesuit mission namely the mission of the Church of the East in Tang China Based on this documentation the book reconstructs the process of appropriation by Jesuit missionaries and their Chinese converts of ancient traces of Christianity that were discovered in China in the first half of the seventeenth century such as the Xi an stele 781 and other Christian relics Creatures of the Same God Andrew Linzey,2009 I don t know why you re spending all your time on this They re only animals for heaven s sake That was the reaction of one of Andrew Linzey s fellow students at King s College London when he was studying theology in the 1970s Since then the now Rev Dr Andrew Linzey has been arguing that animals aren t only anything but rather that they matter to God and should do so to us In this collection of essays Linzey counters with his customary wit erudition and insight some contemporary and perhaps surprising challenges to animal rights from ecotheologians the Church and politicians He contends that far from the sometimes shallow judgments of those who think animals unworthy of theological consideration the Christian tradition has a wellspring of sources and resources available to taking animals seriously Instead of being marginal to the Christian experience Linzey concludes animals can take their rightful place alongside human beings as creatures of the same God There is a long forgotten spiritual tradition that two children both named Jesus were born in Bethlehem to two sets of parents named Joseph and Mary This tradition is supported by the different accounts of the nativity and life of Jesus Christ in the gospels of Matthew and Luke Although the Church chose to ignore this tradition something of it survived in early Christian art and symbolism The full tradition was preserved only in the literature of esoteric sects such as Gnosticism which remained outside the official teachings of institutionalized Christianity Exploring Church History Derek Cooper,2014 Cooper invites readers to consider the significance of church history in the lives of individuals and communities today Rather than offering an exploration of bygone eras and outdated events Cooper brings history to life by emphasizing how past events individuals and movements shape how we understand the world around us Awakening as Holy Mystery Kevin G. Thew Forrester,2025-07-15 Christianity is an ancient non dual spiritual path of awakening This is not an awakening to God known as a religious object through the lens of belief hewn into shape through a set of religious doctrines This awakening begins with falling in love with the heart of Reality Holy Mystery and comes to fruition in the realization that the soul is one with the Beloved Holy Mystery the soul discovers is the true I of existence The author invites the reader on a journey through reflections and explorations nurtured by worship and prayer Here the soul might begin to slowly awaken to the truth of what she herself is This is the gracious path of Jesus own heart realizing that he and the Beloved are one Jesus awakens as the Christ The spiritual path in the Christian tradition is that each person also realizes Christ heart awakening and knowing not only one s own being as Holy Mystery but all creation as the unfolding flowering of boundless love Awakening becomes the source of servanthood and service Jesus embodies what each is called to realize as the heart s deepest and unceasing longing The Wisdom Jesus Cynthia Bourgeault,2008-08-12 A new view of Jesus as a Buddha like

wisdom teacher who taught the transformation of consciousness with traditional contemplative practices you can do yourself If you put aside what you think you know about Jesus and approach the Gospels as though for the first time something remarkable happens Jesus emerges as a teacher of the transformation of consciousness The Wisdom Jesus provides a new perspective on Christ and an expansive interpretation of His message Cynthia Bourgeault creates a masterful guide to Jesus's vision and the traditional contemplative practices you can use to experience the heart of his teachings for yourself
