Memoirs of Marmontel Jean François Marmontel, 1895 *Hypatia* Silvia Ronchey, 2023-09-18 This study reconstructs Hypatia s existential and intellectual life and her modern *Nachleben* through a reception oriented and interdisciplinary approach Unlike previous publications on the subject Hypatia explores all available ancient and medieval sources as well as the history of the reception of the figure of Hypatia in later history literature and arts in order to illuminate the ideological transformations deformations of her story throughout the centuries and recover the true story The

intentionally provocative title relates to the contemporary historiographical notion of false or fake history as does the overall conceptual and methodological treatment Through this reception oriented approach this study suggests a new reading of the ancient sources that demonstrates the intrinsically political nature of the murder of Hypatia caused by the phthonos violent envy of the Christian bishop Cyril of Alexandria This is the first comprehensive treatment of the figure of Hypatia addressed to both academic readers in Classics Religious Studies and Reception Studies and a learned non specialist readership Revised edition in paperback *Hypatia* Edward J. Watts, 2017-02-01 A philosopher mathematician and martyr Hypatia is one of antiquity s best known female intellectuals During the sixteen centuries following her murder by a mob of Christians Hypatia has been remembered in books poems plays paintings and films as a victim of religious intolerance whose death symbolized the end of the Classical world But Hypatia was a person before she was a symbol Her great skill in mathematics and philosophy redefined the intellectual life of her home city of Alexandria Her talent as a teacher enabled her to assemble a circle of dedicated male students Her devotion to public service made her a force for peace and good government in a city that struggled to maintain trust and cooperation between pagans and Christians Despite these successes Hypatia fought countless small battles to live the public and intellectual life that she wanted This book rediscovers the life Hypatia led the unique challenges she faced as a woman who succeeded spectacularly in a man s world and the tragic story of the events that led to her tragic murder **Real French for Travelers** K.
