Making Of American Resorts Saratoga Springs Ballston Spa And Lake George

Jane Hooper

Making Of American Resorts Saratoga Springs Ballston Spa And Lake George:

The Making of American Resorts Theodore Corbett, 2001 This study focuses upon the rise and demise of the American resorts of Ballston Spa and Caldwell on Lake George and Saratoga Springs The author argues that resorts such as these created and recreated themselves to keep pace with changing times Mineral Springs Resorts in Global Perspective John K. Walton, 2016-04-08 Spa resorts were a favoured destination for affluent seekers after health and comfortable leisure in opulent surroundings from the seventeenth to the twentieth century although in the railway age they began to suffer from competition from new fashions in leisure and tourism especially the seaside holiday During their heyday the leading spa resorts became hotbeds of political and diplomatic intrigue and gathering points for high society As such they also became important businesses and distinctive carefully managed urban environments Taking the waters at a mineral springs resort fell into eclipse over much of the Western world in the mid twentieth century only to revive in more diffuse guise as health and wellness tourism in the new millennium This book examines an important body of practices and experiences from the perspectives of health pleasure conspicuous consumption and display urban governance culture and politics across a quarter of a millennium drawing its examples not only from the British Isles France Spain and Central Europe but also from the United States and Australia An international team of distinguished historians puts this neglected theme back on the historical map at a time when spas and their treatments have never been so popular and visible in contemporary society This book was published as a special issue of the Journal of Tourism History *The Original Knickerbocker* Andrew Burstein, 2008-02-26 Washington Irving author ambassador and Manhattanite has largely slipped from America's memory and yet his creations are well known Acclaimed historian Andrew Burstein returns Irving to the context of his native nineteenth century where he was an international celebrity both a comic genius and the first American to earn his living as an author Irving traveled through Europe and America excavating tales and writing popular social satire beloved children's stories gothic drama and picturesque history He gave his young nation such enduring tales as *The Legend of Sleepy Hollow* and *Rip Van Winkle* His 1809 burlesque *A History of New York* popularized the figure of jolly old St Nicholas and gave birth to the modern American Christmas Irving was the original Knickerbocker he also coined Gotham as the name for New York By showing Irving as a leading architect of the American personality Burstein has managed to reinvigorate the legacy of one of our nation's most outsized literary talents as well as to help us better understand the country we live in **Progress in French Tourism Geographies** Mathis Stock, 2021-01-06 This book provides an overview of the recent progress in Francophone tourism geography It focuses on the theoretical advances in social and cultural geography whereby the symbolic dimensions of tourism and the creation of tourism worlds are key It puts forward the tourist conceived as mobile situated skilled reflexive inhabitant of places which gives all its meaning to the expression inhabiting touristic worlds More specifically this book addresses numerous rarely addressed issues such as the geo history of tourism the material cultures of tourists the digitality

and disconnection from digital technologies in National Parks or the use of knowledge of tourists in metropolises It gives insights in the specific Francophone approaches such as inhabiting the urbanity of tourist resorts and the notion of territory in tourist studies Finally it provides an overview of the urban dimensions of tourism place making in the form of heritage oasis tourism sports tourism production of space in Mexican resorts As such the book provides a key read for academics students and professionals in tourism studies and tourism geography in search for alternative approaches

Tourism in the USA: Dimitri Ioannides, Dallen Timothy, 2011-01-25 This is the first book to offer students a comprehensive overview of both tourism and travel in this region paying specific attention to the disciplines of Geography Tourism Studies and more generally Social Science

The Prince of Jockeys Pellom McDaniels III, 2013-09-12 Isaac Burns Murphy 1861 1896 was one of the most dynamic jockeys of his era Still considered one of the finest riders of all time Murphy was the first jockey to win the Kentucky Derby three times and his 44 percent win record remains unmatched Despite his success Murphy was pushed out of Thoroughbred racing when African American jockeys were forced off the track and he died in obscurity In *The Prince of Jockeys* The Life of Isaac Burns Murphy author Pellom McDaniels III offers the first definitive biography of this celebrated athlete whose life spanned the Civil War Reconstruction and the adoption of Jim Crow legislation Despite the obstacles he faced Murphy became an important figure not just in sports but in the social political and cultural consciousness of African Americans Drawing from legal documents census data and newspapers this comprehensive profile explores how Murphy epitomized the rise of the black middle class and contributed to the construction of popular notions about African American identity community and citizenship during his lifetime

No Turning Point Theodore Corbett, 2014-11-05 The Battle of Saratoga in 1777 ended with British general John Burgoyne's troops surrendering to the American rebel army commanded by General Horatio Gates Historians have long seen Burgoyne's defeat as a turning point in the American Revolution because it convinced France to join the war on the side of the colonies thus ensuring American victory But that traditional view of Saratoga overlooks the complexity of the situation on the ground Setting the battle in its social and political context Theodore Corbett examines Saratoga and its aftermath as part of ongoing conflicts among the settlers of the Hudson and Champlain valleys of New York Canada and Vermont This long more local view reveals that the American victory actually resolved very little In transcending traditional military history Corbett examines the roles not only of enlisted Patriot and Redcoat soldiers but also of landowners tenant farmers townspeople American Indians Loyalists and African Americans He begins the story in the 1760s when the first large influx of white settlers arrived in the New York and New England backcountry Ethnic and religious strife marked relations among the colonists from the outset Conflicting claims issued by New York and New Hampshire to the area that eventually became Vermont turned the skirmishes into a veritable civil war These pre Revolution conflicts which determined allegiances during the Revolution were not affected by the military outcome of the Battle of Saratoga After Burgoyne's defeat the British retained control of the upper Hudson Champlain valley and

mobilized Loyalists and Native allies to continue successful raids there even after the Revolution The civil strife among the colonists continued into the 1780s as the American victory gave way to violent strife amounting to class warfare Corbett ends his story with conflicts over debt in Vermont New Hampshire and finally Massachusetts where the sack of Stockbridge part of Shays s Rebellion in 1787 was the last of the civil disruptions that had roiled the landscape for the previous twenty years No Turning Point complicates and enriches our understanding of the difficult birth of the United States as a nation

Blacks in the Adirondacks Sally E. Svenson,2017-11-24 Blacks in the Adirondacks A History tells the story of the many African Americans who settled in or passed through this rural mountainous region of northeastern New York State In the area for a variety of reasons some were lifetime residents while others were there for a few years or months as summer employees tuberculosis patients or in connection with full or part time occupations in railroading the performing arts and baseball From blacks who settled on land gifted to them by Gerrit Smith a prosperous landowner and fervent abolitionist to those who worked as waiters in resort hotels Svenson chronicles their rich and varied experiences with an emphasis on the 100 years between 1850 and 1950 Many experienced racism and isolation in their separation from larger black populations some found a sense of community in the scattered black settlements of the region In this first definitive history Svenson gives voice to the many blacks who spent time in the Adirondacks and sheds light on their challenges and successes in this remote region

Food in America Andrew F. Smith,2017-02-16 This three volume work examines all facets of the modern U S food system including the nation s most important food and agriculture laws the political forces that shape modern food policy and the food production trends that are directly impacting the lives of every American family Americans are constantly besieged by conflicting messages about food the environment and health and nutrition Are foods with genetically modified ingredients safe Should we choose locally grown food Is organic food better than conventional food Are concentrated animal feed operations destroying the environment Should food corporations target young children with their advertising and promotional campaigns This comprehensive three volume set addresses all of these questions and many more probing the problems created by the industrial food system examining conflicting opinions on these complex food controversies and highlighting the importance of food in our lives and the decisions we make each time we eat The coverage of each of the many controversial food issues in the set offers perspectives from different sides to encourage readers to examine various viewpoints and make up their own minds The first volume Food and the Environment addresses timely issues such as climate change food waste pesticides and sustainable foods Volume two entitled Food and Health and Nutrition addresses subjects like antibiotics food labeling and the effects of salt and sugar on our health The third volume Food and the Economy tackles topics such as food advertising and marketing food corporations genetically modified foods globalization and megagrocery chains Each volume contains several dozen primary documents that include firsthand accounts written by promoters and advertisers journalists politicians and government officials and supporters and critics of various views related to food and

beverages representing speeches advertisements articles books portions of major laws and government documents to name a few These documents provide readers additional resources from which to form informed opinions on food issues Health and Wellness Tourism Patricia Erfurt-Cooper, Malcolm Cooper, 2009-07-27 Geothermal springs constitute a major tourism resource providing spectacular settings recreation facilities a recognised value in treatments beneficial for health and wellness a sense of heritage and adventure and links with the natural environment Health and wellness tourism accounts for a significant proportion of the world's tourism consumption with components ranging from hot spring bathing for leisure and recreation through mineral water use in health treatments under the supervision of highly specialised medical professionals to water treatments in the wellness and beauty therapy sector and the use of mineral water for drinking purposes This makes it an economically and socially important area of tourism demanding in depth analysis This book explores health and wellness tourism from a range of perspectives including usage heritage management technology environmental and cultural features and marketing Yankees in the Indian Ocean Jane Hooper, 2022-08-23 The history of US imperialism remains incomplete without this consideration of long overlooked nineteenth century American commercial and whaling ventures in the Indian Ocean Yankees in the Indian Ocean shows how nineteenth century American merchant and whaler activity in the Indian Ocean shaped the imperial future of the United States influenced the region's commerce encouraged illegal slaving and contributed to environmental degradation For a brief time Americans outnumbered other Western visitors to Mauritius Madagascar Zanzibar and the East African littoral In a relentless search for commodities and provisions American whaleships landed at islands throughout the ocean and stripped them of resources Yet Americans failed to develop a permanent foothold in the region and operated instead from a position of weakness relative to other major colonizing powers thus discouraging the development of American imperial holdings there The history of American concerns in the Indian Ocean world remains largely unwritten Scholars who focus on the region have mostly ignored American involvement despite arguments for the ocean's importance in powering global connections during the late eighteenth and early nineteenth centuries Historians of the United States likewise have failed to examine the western Indian Ocean because of a preoccupation with US interests in Asia and the Pacific Failing to understand the scale of American trade in the Indian Ocean has led to a fixation on European commercial strength to the exclusion of other maritime networks Instead this book reveals how the people of Madagascar and East Africa helped the United States briefly dominate commerce and whaling This book investigates how and why Americans were drawn to the western Indian Ocean years before the United States established a formal overseas empire in the late nineteenth century Ship logs sailor journals and travel narratives reveal how American men transformed foreign land and seascapes into knowable spaces that confirmed American conceptions of people and natural resources these sources also provide insight into the complex social and ecological worlds of the Indian Ocean during this critical time The Life and Times of Francis Cabot Lowell, 1775-1817 Chaim M. Rosenberg, 2010-12-16 After the

Revolutionary War despite political independence the United States still relied on other countries for manufactured goods Francis Cabot Lowell was one of the principal investors in building the India Wharf and the shops and warehouses close to Boston harbor His work was instrumental in establishing domestic industry for the United States and brought the Industrial Revolution to the United States From 1810 to the start of the War of 1812 he traveled through Great Britain where he saw the tremendous changes caused by the Industrial Revolution starting with cotton textiles On his return to the United States he focused on establishing a domestic textile industry to replace imported goods With his brother in law Patrick Tracy Jackson he built the Boston Manufacturing Company at Waltham America s first integrated mill With his star mechanic Paul Moody he developed a power loom and other machines suitable for local conditions The Life and Times of Francis Cabot Lowell 1775 1817 tells the story of this amazing man and the great success of the Boston Manufacturing Company which spurred the American industrial revolution Francis Cabot Lowell s method a detailed investment plan cheap raw materials and power a motivated labor force a sound marketing plan and above all modern technology became the standard for the American factory of the nineteenth century When Francis Cabot Lowell died his associates established America s first industrial city and named it Lowell in his honor

Packaged Pleasures Gary S. Cross, Robert N. Proctor, 2014-09-30 From the candy bar to the cigarette records to roller coasters a technological revolution during the last quarter of the nineteenth century precipitated a colossal shift in human consumption and sensual experience Food drink and many other consumer goods came to be mass produced bottled canned condensed and distilled unleashing new and intensified surges of pleasure delight thrill and addiction In Packaged Pleasures Gary S Cross and Robert N Proctor delve into an uncharted chapter of American history shedding new light on the origins of modern consumer culture and how technologies have transformed human sensory experience In the space of only a few decades junk foods cigarettes movies recorded sound and thrill rides brought about a revolution in what it means to taste smell see hear and touch New techniques of boxing labeling and tubing gave consumers virtually unlimited access to pleasures they could simply unwrap and enjoy Manufacturers generated a seemingly endless stream of sugar filled high fat foods that were delicious but detrimental to health Mechanically rolled cigarettes entered the market and quickly addicted millions And many other packaged pleasures dulled or displaced natural and social delights Yet many of these same new technologies also offered convenient and effective medicines unprecedented opportunities to enjoy music and the visual arts and more hygienic varied and nutritious food and drink For better or for worse sensation became mechanized commercialized and to a large extent democratized by being made cheap and accessible Cross and Proctor have delivered an ingeniously constructed history of consumerism and consumer technology that will make us all rethink some of our favorite things

The Fall of the House of Walworth Geoffrey O'Brien, 2025-09-23 In the tradition of The Devil in the White City comes a spell binding tale of madness and murder in a nineteenth century American dynasty On June 3 1873 a portly fashionably dressed middle aged man calls the Sturtevant House and asks to see the tenant

on the second floor The bellman goes up and presents the visitor's card to the guest in room 267 returns promptly and escorts the visitor upstairs Before the bellman even reaches the lobby four shots are fired in rapid succession Eighteen year old Frank Walworth descends the staircase and approaches the hotel clerk He calmly inquires the location of the nearest police precinct and adds I have killed my father in my room and I am going to surrender myself to the police So begins the fall of the Walworths a Saratoga family that rose to prominence as part of the splendor of New York's aristocracy In a single generation that appearance of stability and firm moral direction would be altered beyond recognition replaced by the greed corruption and madness that had been festering in the family for decades

Resort Hotels of the Adirondacks Bryant Franklin Tolles, 2003 An architectural study of the large Adirondack hotels that focuses on the cultural history of travel and tourism

The Frontier of Leisure Lawrence Culver, 2012-06-07 Tracing the history of Southern California from the late 19th century through the late 20th century this book reveals how this region did much more than just create lavish resorts like Santa Catalina Island and Palm Springs it literally remade American attitudes towards leisure

In the Adirondacks Matt Dallos, 2023-03-28 An immersive journey into the past present and future of a region many consider the Northeast's wilderness backyard Out of all the rural areas of the United States including those in the West which are bigger and propped up by more pervasive myths about adventure and nation and wilderness and freedom the Adirondacks has accumulated a well known identity beyond its boundaries Untouched unspoiled it is defined by what we haven't done to it Combining author Matt Dallos's personal observations with his thorough research of primary and secondary documents In the Adirondacks rambles through the region to understand its significance within American culture and what lessons it might offer us for how we think about the environment In vivid prose Dallos digs through the region's past and present to excavate a series of compelling stories and places a moose named Harold a hot dog mogul's rustic mansion an ecological restoration on an alpine summit a hermit who demanded a helicopter ride and a millionaire who dressed up as a Native American to rob a stagecoach Along the way Dallos listens to locals and tourists visits wilderness areas and souvenir shops and digs through archives in museums and libraries In the Adirondacks blends lively history and immersive travel writing to explore the Adirondacks that captivated Dallos's childhood imagination while presenting a compelling and entertaining story about America's largest park outside of Alaska The result is an inquisitive journey through the region's bogs and lakes and boreal forests and the lives of residents and tourists Dallos turned toward the region to understand why he couldn't shake it from his mind What he learned is that he's not the only one In the Adirondacks explores the history and future of the most complicated contested park in North America raising important questions about the role of environmental preservation and the great outdoors in American history and culture

Sanctified Landscape David Schuyler, 2012-04-27 The Hudson River Valley was the first iconic American landscape Beginning as early as the 1820s artists and writers found new ways of thinking about the human relationship with the natural world along the Hudson Here amid the most dramatic river and mountain scenery in the eastern

United States Washington Irving and James Fenimore Cooper created a distinctly American literature grounded in folklore and history that contributed to the emergence of a sense of place in the valley Painters led by Thomas Cole founded the Hudson River School widely recognized as the first truly national style of art As the century advanced and as landscape and history became increasingly intertwined in the national consciousness an aesthetic identity took shape in the region through literature art memory and folklore even gardens and domestic architecture In Sanctified Landscape David Schuyler recounts this story of America's idealization of the Hudson Valley during the nineteenth and early twentieth centuries Schuyler's story unfolds during a time of great change in American history At the very moment when artists and writers were exploring the aesthetic potential of the Hudson Valley the transportation revolution and the rise of industrial capitalism were transforming the region The first generation of American tourists traveled from New York City to Cozzens Hotel and the Catskill Mountain House in search of the picturesque Those who could afford to live some distance from jobs in the city built suburban homes or country estates Given these momentous changes it is not surprising that historic preservation emerged in the Hudson Valley the first building in the United States preserved for its historic significance is Washington's Headquarters in Newburgh Schuyler also finds the seeds of the modern environmental movement in the transformation of the Hudson Valley landscape Richly illustrated and compellingly written Sanctified Landscape makes for rewarding reading Schuyler expertly ties local history to national developments revealing why the Hudson River Valley was so important to nineteenth century Americans and why it is still beloved today

First Resorts Jon Sterngass, 2001-11-20 As the century progressed however Saratoga remained much the same while Newport turned to private and lavish cottages and Coney Island shifted its focus to amusements for the masses

The Birth of American Tourism Richard H. Gassan, 2008 Today the idea of traveling within the United States for leisure purposes is so commonplace it is hard to imagine a time when tourism was not a staple of our cultural life Yet as Richard H Gassan persuasively demonstrates at the beginning of the nineteenth century travel for leisure was strictly an aristocratic luxury beyond the means of ordinary Americans It wasn't until the second decade of the century that the first middle class tourists began to follow the lead of the well to do making trips up the Hudson River valley north of New York City and in a few cases beyond At first just a trickle by 1830 the tide of tourism had become a flood a cultural change that signaled a profound societal shift as the United States stepped onto the road that would eventually lead to a modern consumer society According to Gassan the origins of American tourism in the Hudson Valley can be traced to a confluence of historical accidents including the proximity of the region to the most rapidly growing financial and population center in the country with its expanding middle class and the remarkable beauty of the valley itself But other developments also played a role from the proliferation of hotels to accommodate tourists to the construction of an efficient transportation network to get them to their destinations to the creation of a set of cultural attractions that invested their experience with meaning In the works of Washington Irving and James Fenimore Cooper and the paintings of Thomas Cole and others of the

Hudson River School travelers in the region encountered the nation's first literary and artistic movements. Tourism thus did more than provide an escape from the routines of everyday urban life; it also helped Americans of the early republic shape a sense of national identity.

The Top Books of the Year Making Of American Resorts Saratoga Springs Ballston Spa And Lake George The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels enthralling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Making Of American Resorts Saratoga Springs Ballston Spa And Lake George : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
