Napoleon: From Tilsit to Waterloo, 1807-1815, translated by J. E. Anderson Georges Lefebvre,1969

Napoleon's *Enfant Terrible* John G. Gallaher,2008 A dedicated career soldier and excellent division and corps commander Dominique Vandamme was a thorn in the side of practically every officer he served Outspoken to a fault he even criticized Napoleon whom he never forgave for not appointing him marshal His military prowess so impressed the emperor however that he returned Vandamme to command time and again In this first book length study of Vandamme in English John G Gallaher traces the career of one of Napoleon s most successful midrank officers He describes Vandamme s rise from a provincial youth with neither fortune nor influence to an officer of the highest rank in the French army Gallaher thus offers a rare look at a Napoleonic general who served for twenty five years during the wars of the French Revolution and Napoleonic Empire This was a time when a general could lose his head if he lost a battle Despite Vandamme s contentious nature Gallaher shows Napoleon needed his skills as a commander and Vandamme needed Napoleon to further his career Gallaher draws on a wealth of archival sources in France notably the Vandamme Papers in Lille to draw a full portrait of the general He also reveals new information on such military events as the Silesian campaign of 1807 and the disaster at Kulm in 1813 Gallaher presents Vandamme in the context of the Napoleonic command system revealing how he related to both subordinates and superiors Napoleon s *Enfant Terrible* depicts an officer who was his own worst enemy but who was instrumental in winning an empire **Napoleon from Tilsit to Waterloo, 1807-1815** Georges Lefebvre,1969

Napoleon's Wars Charles Esdaile,2009-10-27 A glorious and conclusive chronicle of the wars waged by one of the most polarizing figures in military history Acclaimed on both sides of the Atlantic as a new standard on the subject this sweeping boldly written history of the Napoleonic era reveals its central protagonist as a man driven by an insatiable desire for fame and determined to push matters to extremes More than a myth busting portrait of Napoleon however it offers a panoramic view of the armed conflicts that spread so quickly out of revolutionary France to countries as remote as Sweden and Egypt As it expertly moves through conflicts from Russia to Spain Napoleon s Wars proves to be history writing equal to its subject grand and ambitious that will reframe the way this tumultuous era is understood **The French Wars 1792-1815** Charles Esdaile,2002-01-22 A highly original and critical introduction to the revolutionary and napoleonic conflicts It illuminates the less well known areas of the subject such as the changing attitude of the French people towards Napoleon as well as providing a balanced account of the campaigns of Wellington and Napoleon Based on current historiography this book discusses the expansion of France the extent to which Napoleon was responsible for this success and the events leading up to

his subsequent exile It also provides a clear examination of each of the coalitions which fought against France *The Wars of Napoleon* Charles J. Esdaile, 2014-02-04 A survey of the Napoleonic Wars The central theme is the scale of French military power and its impact on other European states from Portugal to Russia and from Scandinavia to Sicily **Historical Dictionary of the Napoleonic Era** George F. Nafziger, 2001-12-11 The author covers one of the most explosive and most exciting periods of world history spanning the time from the eruption of the French Revolution through the end of the Napoleonic wars 1789 1815 These twenty six years of history saw the birth of nationalism and Western democracy economic crisis and political convulsion the growth of industrialism the death of ancient traditions and the birth and break up of empire It was the time of Napoleon who gave his name to this period of tremendous change the period in which the roots of modern Europe were planted This work is intended as a broad review devoting a majority of its attention to the military and political events and personalities of the period while also surveying the major artistic social and cultural events and personalities that formed this period Napoleon Georges Lefebvre, 2011-04-01 With a new introduction by Andrew Roberts A penetrating interpretation No one with a serious interest in the Napoleonic period can afford to ignore it Times Literary Supplement Whether viewed as an inspired leader or obsessed tyrant Napoleon has divided opinion for over 200 years Few individuals have left such a mark on history Georges Lefebvre s classic work published in Routledge Classics in one paperback volume in English for the first time is a definitive portrait of the Napoleonic era Lefebvre s history sweeps us from the lightning coup d tat of 18 Brumaire in 1799 to his final downfall amidst the wheatfields of Waterloo More than a biography it is a brilliant survey of the turbulent age Napoleon inaugurated in his attempt to redraw the map of Europe from the Peninsular War to the invasion of Russia The cast includes his antagonists Pitt the Younger Wellington Metternich and Tsar Alexander and his allies the wily Minister of Police Fouch and Talleyrand the Prince of Diplomats Lefebvre s account is equally clear eyed about Napoleon s genius and his flaws Napoleon s determination to emulate Caesar and Augustus condemned Europe to more than a decade of war and economic crisis but he also built an empire introducing educational administrative and financial initiatives that are still in place today Georges Lefebvre 1877 1959 One of the foremost historians of the Twentieth Century and known as the historian s historian he held the chair of the French Revolution at the Sorbonne His *The French Revolution* is also available in Routledge Classics **The Rise Of Napoleon Bonaparte** Robert Asprey, 2008-08-06 Ever since 1821 when he died at age fifty one on the forlorn and windswept island of St Helena Napoleon Bonaparte has been remembered as either demi god or devil incarnate In *The Rise of Napoleon Bonaparte* the first volume of a two volume cradle to grave biography Robert Asprey instead treats him as a human being Asprey tells this fascinating tragic tale in lush narrative detail *The Rise of Napoleon Bonaparte* is an exciting reckless thrill ride as Asprey charts Napoleon s vertiginous ascent to fame and the height of power Here is Napoleon as he was not saint not sinner but a man dedicated to and ultimately devoured by his vision of himself his empire and his world *Catalog of Copyright Entries.
