

## The Falling Leaves

Gently they drift and glide,  
Carried by the autumn breeze,  
In their final, graceful ride,  
They whisper through the trees.

Each leaf a story told,  
In gold and crimson hues,  
A memory of days of old,  
As they fall, they softly muse.

Dancing down without a sound,  
They touch the earth below,  
Scattered on the cooling ground,  
In peace, they settle slow.

## **Red Leaves Of Night Poems:**

The Red Leaves of Night David St. John,1999 Possession and loss rapture and despair David St John s narrator remains unflinchingly aware that the trajectory between these two states is brief Like a modern Dante s Virgil he guides us through a mosaic of experiences each more intense and illuminating than the one before Once our journey commences its central purpose soon becomes clear to limn the vast architecture of erotic desire and communion Night Poems Anthony Di Micco,2023-11-07 Above on a branch the wise owl danced wearing a necklace of wind and leaves In the dark owls dance stars shine blue full moons illuminate disappointed lovers or pawmarks in the snow Written in the silence and solitude of the night Night Poems is a collection of free verse poems for young old and everyone in between Universal themes such as the turning of the seasons the daily round love nostalgia and even death all have their moment in the candlelight The night sky is full of silver stars A soft breeze caresses the leaves that shimmer in the moonlight The scent of the lilac fills my mind and I recall how once upon a time I loved you so much **Autumn Leaves, Or, Poems, Songs, and Recitations** Alfred J.

Autumn and Winter Poetry Carol Pham,2020-11-06 Autumn the leaves turn color and the rain hits the windowpane all day long We are bored looking outside the window and sleeping with the soothing rain sounds There is the walk in autumn in solitude and the crisp autumn breeze against the background of beautiful autumnal color A carpenter on a winter vespertide is chopping yule logs for the fireplace The fire is rekindling all day and night while we relish a cup of hot coffee in our rocking chair Smoke rising on the chimney rekindled against the cold of the winter air What do we do but sequester in a cottage or the family room to dwell the winter months in readership by the fireside and cherish the decorated house filled with greeneries and ornaments Various birds the snowbirds perched on the hedge ready to foray its prey The city life this wintry time is bustling with people out shopping or chilling at the pub or touring the city just looking out the window that is snowing **Autumn Leaves** M. D. Veum,2001 From the heart of a mariner and a hopeless romantic this book is a collection of poems he had written about life and about the women he loved They are poems about romance passion loneliness and lust Other poems in the book concern other aspects of life They range from sailing to high school graduation They are the candid
