Europe 1850-1914 Jonathan Sperber,2014-01-14 This
innovative survey of European history from the middle of the nineteenth century to the outbreak of the First World War tells
the story of an era of outward tranquillity that was also a period of economic growth social transformation political
contention and scientific and artistic innovation During these years the foundations of our present urban industrial society
were laid the five Great Powers vied in peaceful and violent fashion for dominance in Europe and throughout the world and
the darker forces that were to dominate the twentieth century violent nationalism totalitarianism racism ethnic cleansing
began to make themselves felt Jonathan Sperber sets out developments in this period across the entire European continent
from the Atlantic to the Urals from the Baltic to the Mediterranean To help students of European history grasp the main
dynamics of the period he divides the book into three overlapping sections covering the periods from 1850 75 1871 95 and
1890 1914 In each period he identifies developments and tendencies that were common in varying degrees to the whole of
Europe while also pointing the unique qualities of specific regions and individual countries Throughout his argument is
supported by illustrative material tables charts case studies and other explanatory features and there is a detailed
bibliography to help students to explore further in those areas that interest them

Russia's French Connection Adam
Coker,2020-05-28 While it is generally acknowledged that Russia s culture has been influenced by France the present study
goes beyond the Francophile preferences of the noble elite and examines Russian society more broadly exploring those
elements of French cultural influence that are still relevant today This is done through an historical analysis of French
loanwords in the Russian language from the time of Peter the Great to the present The result of this lexical analysis and
subsequent study of eighteenth and nineteenth century archival periodical and memoir material is to empirically link Russia s
present culture to two major Franco Russian events the wave of immigration to Russia following the French Revolution and
Russia s war with Napoleon This is primarily a book for those interested in European history particularly imperial Russia the
French Revolution and the Napoleonic Wars The study of Russian officer memoirs includes original campaign maps which
may be of interest to military historians The analysis of periodical literature will likewise be a resource for those studying the
history of printing publishing and journalism in Russia The book s interdisciplinary nature however broadens its relevance to
linguists cultural historians and those in the emerging field of Immigration Studies

Dynamics and Policies of Prejudice from the Eighteenth to the Twenty-first Century Giuseppe Motta, 2018-09-30 Prejudice is a multi-faceted concept that affects the relationships between individuals and groups and the creation of socially formed categories of ideas It concerns race religion gender social distinctions and political beliefs and can be considered as a

natural human process of out group homogeneity as well as the product of an authoritarian context or as a reaction against modernization or other symbolic or realistic threats This volume defines the dynamics and policies of prejudice in the historical passage between the modern and contemporary age bringing together articles by different scholars representing various disciplines which allows an analysis of the different aspects of prejudice The book includes interesting chapters on anti-Semitism the ethnic conflicts of the twentieth century Russia and the Balkans and gender bias among other subjects

Divine and Human, and Other Stories graf Leo Tolstoy, 2000 A revolutionary terrorist pondering the Gospels in his jail cell is converted to a Tolstoyan understanding of true life while an old schismatic's faith in himself is destroyed by an encounter in prison In *Berries* Tolstoy condemns the frivolity of the 1905 revolution by contrasting the ridiculous conversations of liberals with the innocent labor of peasant children **BOOK JACKET** **Women in Russian History** Natalia

Pushkareva, 2016-09-16 As the first survey of the history of women in Russia to be published in any language this book is itself an historic event the result of the collaboration of the leading Russian and American specialists on Russian women's history The book is divided into four chronological parts corresponding to eras of Russian history I Kievan Mongol 10th 15th centuries II Muscovite 16th 17th centuries III 18th century and IV 19th early 20th centuries Each part gives coverage to four main topics 1 The role of prominent women in public life with biographical sketches of women who attained prominence in political or cultural life 2 Women's daily life and family roles 3 Women's status under the law 4 Material culture and in particular women's dress as an expression of their place in society Political Censorship of the Arts and the Press in

Nineteenth-Century Robert Justin Goldstein, 1989-08-14 Political Censorship of the Arts and the Press in Nineteenth Century Europe presents a comprehensive account of the attempts by authorities throughout Europe to stifle the growth of political opposition during the nineteenth century by censoring newspapers books caricatures plays operas and film Appeals for democracy and social reform were especially suspect to the authorities so in Russia cookbooks which referred to free air in ovens were censored as subversive while in England in 1829 the censor struck from a play the remark that honest men at court don't take up much room While nineteenth century European political censorship blocked the open circulation of much opposition writing and art it never succeeded entirely in its aim since writers artists and consumers often evaded the censors by clandestine circulation of forbidden material and by the widely practised skill of reading between the lines **Tolstoy's**

Political Thought Alexandre Christoyannopoulos, 2019-08-29 Leo Tolstoy 1828 1910 besides writing famous novels such as *War and Peace* also wrote on political issues especially later in his life putting forward a political philosophy which might be termed Christian anarchism This book provides a comprehensive overview of Tolstoy's political thought It outlines in a systematic way Tolstoy's thought which was originally articulated unsystematically in diverse often informal writing such as pamphlets letters and speeches as well as books and in his novels where Tolstoy's thinking is put forward implicitly through the novels characters The book sets out the basic themes of Tolstoy's political thought his acceptance of the teachings of

Jesus his criticism of the way in which Jesus teachings have been relayed by the church through traditional creeds and dogma his passionate rejection of political violence by both the state and those working for reform his plea for a nonviolent response to violence and injustice and his call for society to forego its institutional shackles and enact a community of peace love and justice The book also includes background information on the Russia of Tolstoy s time including the religious context and a discussion of how Tolstoy s political thought has been received by his admirers who included Gandhi and his critics
