## **Russia Postcards From:**

**Greetings from the Barricades** Tobie Mathew, 2018 Amid the chaos and violence of the 1905 Revolution in Russia the Tsar's opponents printed and distributed vast quantities of picture postcards Easy to share hide and smuggle postcards were a way to beat the censor and spread a message of defiance Produced by a diverse set of revolutionaries liberals and opportunists the content of these cards is equally wide ranging from satirical caricatures directed against the government to rare photographs of revolutionary demonstrations Many of the cards are darkly humorous combining laughter with a sense of raw indignation at the injustices of Imperial Russia Assembled by Tobie Mathew a writer and historian specializing in Russian graphic art and propaganda *Greetings from the Barricades* is the first major study of the design production and distribution of these cards featuring more than 200 images Together they form a rich body of political art that illustrates the danger of opposing the regime during this turbulent era *Open Letters* Alison Rowley, 2013-01-01 In *Open Letters* the most comprehensive study of Russian picture postcards to date Alison Rowley uses this medium to explore a variety of aspects of Russian popular culture

**Picture Postcard Encyclopaedia of Russia** Richard Bartmann, 1992 **Russia** Kristin Thoennes Keller, 1999-09 Provides an introduction to the geography culture people food animals and sports of the largest country in the world Russia **A Postcard from the Volcano** Lucy Beckett, 2009-03-09 Follows Prussian aristocrat Max von Hofmannswaldau from 1914 to the beginning of World War II as he comes of age during the rise of the Nazis and seeks to uncover the truth about his own identity and the origin of the modern German ideologies that threaten millions of people

*Postcards in the Library* Norman D Stevens, 2014-01-09 Postcards individually and collectively contain a great deal of information that can be of real value to students and researchers *Postcards in the Library* gives compelling reasons why libraries should take a far more active and serious interest in establishing and maintaining postcard collections and in encouraging the use of these collections It explains the nature and accessibility of existing postcard collections techniques for acquiring arranging preserving and handling collections and ways to make researchers and patrons aware of these collections *Postcards in the Library* asserts that in most cases existing postcard collections are a vastly underutilized scholarly resource Editor Norman D Stevens urges librarians to help change this since postcards as items for mass consumption and often with no apparent conscious literary or social purpose are a true reflection of the society in which they were produced Stevens claims that messages written on postcards may also reveal a great deal about individual and or societal attitudes and ideas Chapters in *Postcards in the Library* are written by librarians who manage postcard collections postcard collectors and researchers Some of the authors have undertaken major research projects that demonstrate the ways in which postcards can be used in research and that have begun to establish a standard methodology for the analysis of postcards They write about major postcard collections including the Institute of Deltiology and the Curt Teich Postcard Archives the use of postcards for scholarly research postcard conservation and preservation arrangement and organization

and importance and value Postcards in the Library describes the postcard collections in a variety of libraries of different kinds and sizes and indicates very real ways in which the effective use of postcard collections can result in and contribute to substantive scholarly publications It also offers advice and suggestions on the myriad issues that libraries face in handling these ephemeral fragments of popular culture Special collections librarians postcard collectors postcard dealers and historical societies will find the information in Postcards in the Library refreshing and practical Libraries with established postcard collections or those thinking about developing postcard collections will use it as a valuable planning tool and start to finish guide
