Russia In The National Interest:

Russia in the National Interest Nikolas K. Gvosdev, 2004 Since its inception The National Interest the leading realist journal of international affairs has devoted a good deal of attention to the relationship between Moscow and Washington from the dying days of the Cold War to the prospect of true Russian American partnership following 9 11 This work brings together the reflections and ruminations of statesmen policymakers and academics on developments and forecasts about one of the world s leading geo political actors This edited volume is the third in a series of readers co produced by The National Interest and Transaction Publishers Each brings together in one place prescient analysis and provocative assessments this case about Russia published in the last decade For some of the contributors Russia is to be viewed with suspicion a state whose current weakness has only retarded not extinguished its hegemonic ambitions to dominate Eurasia For others Russia is a strategic partner and prospective ally This volume tackles the hard questions Readers have the opportunity to listen in on a number of the great debates surrounding Russia policy Is Russia finished as a great power or will its influence grow in the coming years Can a true partnership be forged between Washington and Moscow based on common interests and values To what extent can Russia be integrated into the institutions of the Euro Atlantic community Has American policy aided or harmed the course of market reforms and democratization over the past decade Is the war on terrorism a sufficient foundation for a new U S Russia relationship How can conflicting interests whether in Iran Iraq or North Korea be dealt with This book presents a fascinating and multifaceted look at a country that is likely to remain a major factor in U S foreign policy in the twenty first century The list of distinguished contributors to this volume includes Zbigniew Brzezinski William Odom Stephen Sestanovich Robert Legvold Martin Malia Alexey Pushkov and Dimitri K Simes Nikolas K Gvosdev is executive editor of The National Interest and editor of its weekly supplement In the National Interest He is also a senior fellow for strategic studies at The Nixon Center His most recent work is Civil Society and the Search for Justice in Russia 2002

Russia in the National Interest Nikolas K. Gvosdev, 2017-09-08 Since its inception The National Interest the leading realist journal of international affairs has devoted a good deal of attention to the relationship between Moscow and Washington from the dying days of the Cold War to the prospect of true Russian American partnership following 9 11 This work brings together the reflections and ruminations of statesmen policymakers and academics on developments and forecasts about one of the world s leading geo political actors This edited volume is the third in a series of readers co produced by The National Interest and Transaction Publishers Each brings together in one place prescient analysis and provocative assessments this case about Russia published in the last decade For some of the contributors Russia is to be viewed with suspicion a state whose current weakness has only retarded not extinguished its hegemonic ambitions to dominate Eurasia For others Russia is a strategic partner and prospective ally This volume tackles the hard questions Readers have the opportunity to listen in on a number of the great debates surrounding Russia policy Is Russia finished as a

great power or will its influence grow in the coming years Can a true partnership be forged between Washington and Moscow based on common interests and values To what extent can Russia be integrated into the institutions of the Euro Atlantic community Has American policy aided or harmed the course of market reforms and democratization over the past decade Is the war on terrorism a sufficient foundation for a new U S Russia relationship How can conflicting interests whether in Iran Iraq or North Korea be dealt with This book presents a fascinating and multifaceted look at a country that is likely to remain a major factor in U S foreign policy in the twenty first century The list of distinguished contributors to this volume includes Zbigniew Brzezinski William Odom Stephen Sestanovich Robert Legvold Martin Malia Alexey Pushkov and Dimitri K Simes Russia and U.S. National Interests Task Force on Russia and U.S. National Interests,2011 Russian National Interests and the Current Crisis in Russia Henry Trofimenko,2019-05-23 First published in 1999 this book analyses the national interests of Russia as they are indicated by the current policies of the Russian government and formulated in public and not so public discussions in high echelons of government The author not only sums up and critically reviews those interests in general but gives detailed analysis of specific interests of Russia in Europe Asia and the Middle East A large chapter is devoted to the review of converging and diverging interests of the USA and Russia The main value of the book is in its philosophical aspect An outstanding Russian foreign policy expert who for 20 years participated in inner debates on a high level on issues of Soviet foreign policy and was considered by US politicians and scholars to be one of the top experts in Moscow on the US foreign policy and military strategy muses over the fate of Russia and its current foreign policy and domestic predicaments *Russia's Foreign Policy* Andrei P. Tsygankov,2025-06-26 This clear and comprehensive text explores the past thirty years of Soviet Russian international relations comparing foreign policy formation under Gorbachev Yeltsin Medvedev and Putin Challenging conventional views of Moscow's foreign policy Andrei Tsygankov shows that definitions of national interest depend on visions of national identity and is rooted both in history and domestic politics Yet the author also highlights the role of the external environment in affecting the balance of power among competing domestic groups Drawing on both Russian and Western sources Tsygankov shows how Moscow's policies have shifted under different leaders' visions of Russia's national interests He gives an overview of the ideas and pressures that motivated Russian foreign policy in six different periods the Gorbachev era of the late 1980s the liberal Westernizers era under Kozyrev in the early 1990s the relatively hardline statist policy under Primakov the more pragmatic course of limited cooperation under Putin and then Medvedev and the assertive policy Putin has implemented since his return to power most importantly in his invasion of Ukraine which began in 2022 *Russia's Changing Economic and Political Regimes* Andrey Makarychev,Andre Mommen,2013-07-18 The book reveals the interconnection between social cultural and political protest movements and social and economic changes in a post communist country like Russia still dominated by bureaucratic rulers and oligarchs controlling all basic industries and mining activities Those interests are also dominating Russia's foreign policy and explain

why Russia did not succeed in becoming an integral part of Europe The latter is at least wished by many Russian citizens

Russia and its Near Neighbours M. Freire,R. Kanet,2012-05-15 Russia has recently re emerged as the dominant political economic and military actor in former Soviet nations Kanet and Freire bring together a stellar cast of contributors to consider Russia s recent return as a major regional and international actor and its likely future policy toward its neighbours

Russia and the EU in a Multipolar World Andrey Makarychev,2014-11-01 This timely book offers a multifaceted analysis of EU Russian relations drawing on the investigation of competing models of international society Makarychev argues that the huge variety of interest based and normative models is best explained through the study of foreign policy and identity discourses His approach defies simplistic explanations of EU Russian relations as either destined for cooperation or doomed to constant collisions Instead Makarychev unveils multiple alternatives that both the EU and Russia face in their policies toward each other Assessing the repercussions ongoing EU Russian discord has on Europe and the world

Makarychev s volume reveals the interconnectedness of the discourses dominating the EU and Russia while also accounting for the deep seated disconnect between them

The Coordinated Authoritarian Eurasian Superpower Challenge

Goeran B Johansson,2022-01-01 The quadrology s four books covers the entire dramatic global strategic development since the Kosovo war in 1999 Russia and China s cooperation in the BRICS SCO the Ukraine crisis in 2014 Syria the dramatic development in the South China Sea the US presidential elections in 2016 and 2020 and its implications for the US global leadership Dialogues appear in parts 1 to 2 between the author and the American and Swedish highly ranked retired military and a Russian geostrategist in Vietnam in 2013 The military development is analyzed in detail Finally a summary analysis of more than fifty pages follows which includes the very latest dramatic development around the US epic chaos influenced retreat from Afghanistan and the development of events from November 2021 until May 9 2022 Following the attack on Ukraine on February 24 2022 Russia is on the front lines against the Anglo Saxon Western world Yet except for French Guiana in Latin America the rest of the world refuses to follow the West s sanctions policy against Russia In the near future the struggle between Russia and the Anglo American Western world will have the character of a positional political and economic war and whoever first gives up will lose If Russia falls Eurasia s authoritarian superpowers will fall and the Anglo American Western world will take over globally But if the Anglo American Western world falls Eurasia s authoritarian superpowers Russia and China will have crushing world domination in control of the World Island Eurasia and Africa

Extensive list of sources and abundantly illustrated

Vladimir Putin A Geostrategic Russian Icon A Eurasian Continent A Russian Superpower A Charismatic World Leader Goeran B. Johansson,2019-06-06 This is the third book in the series about Vladimir Putin which describes in detail the last two years in Russia s ongoing strategy to work with China within the BRICS and the SCO to deprive the United States its global leading role in the ongoing process of creating a multipolar world with multiple centers of power The text is based on various international sources with touches of the author s own analysis and

the reader gets an entirely different and more nuanced picture of the dramatic situation in the world than the established media conveys We get to follow all the way from the drama with Boeing MH17 over Ukraine in 2014 the Islamic State Russian Chinese and American military development and the crisis in the South China Sea Sweden and finally the dramatic developments in the United States in connection with presidential elections This part is also included in the trilogy published in Lulu

Misunderstanding Russia Magda Leichtova,2016-07-22 Well argued and balanced Leichtova provides an alternative and more constructive understanding of what drives Russian foreign policy The book is based on the concepts of constructivism and orientalism in international relations to analyse the policies of the Russian Federation This book highlights that Russian foreign policy is a complex phenomenon constructed from internal as well as external developments perceptions and expectations At the same time it also highlights that Western states are the most significant Other in construction of the Russian foreign policy and even Russian identity and at the same time actively create an image of Russia in international politics which is widely based on their own Western assumptions about the country The author introduces the reader to an alternate portrayal of relations between Russia and the West which all analysts should take into consideration before drawing conclusions

Russia and the World L. Cooper,2016-01-18 The collapse of communism and the disintegration of the USSR created a new geopolitical reality a new international environment and a new set of international relations This book is about Russia s foreign relations It examines the factors that determine Russia s foreign policy such as the economy and domestic politics It devotes special attention to the so called Russian idea a foreign policy determinant largely overlooked by western politicians and analysts It attempts such an analysis by applying Russian rather than Western criteria because we are dealing here with a country with a unique culture and history

Russia and the Challengers H. Belopolsky,2015-12-11 An examination of why Russia chose to jeopardize its embryonic partnership with the West in favour of alignment with states like China Iran and Iraq and what this means for the stability of the emerging international system

Dealing with the Russians Andrew Monaghan,2019-05-29 How to handle Russia This question has become ever more prominent as the Euro Atlantic community s relations with Russia languish in systemic crisis with dialogue suspended reciprocal sanctions in place and proxy wars raging The wars in Ukraine and Syria accusations of Russian interference in domestic politics and the attempted murder of the Skripals on UK soil have all contributed to soaring tension in the relationship Yet faced with this array of serious challenges Euro Atlantic thinking about Russia remains stuck in twentieth century rhetoric trapped by misleading abstract labels and unsure whether to engage Moscow in dialogue or enhance deterrence and collective defence Instead of thinking in these terms leading Russia expert Andrew Monaghan argues that we must devise a new grand strategy for dealing with the Russians Examining the ongoing Euro Atlantic debate over Russia and framing Moscow s own position towards the West he sets out the foundations of a forward looking strategy one that can accommodate the many complex challenges presented by this new era of competition between Russia Europe and the United

States The Tripartite Realist War: Analysing Russia's Invasion of Ukraine Danny Singh, 2023-07-02 The book offers a detailed analysis on Russia's invasion of Ukraine. A book needs to be written on this to make sense from a theoretical perspective why this invasion has occurred and what the main actors are pursuing. The originality rests on testing main international relations theories: realism, liberalism, and constructivism to the war that emerges with the practices and approaches during the Cold War to date from the North Atlantic Treaty Organisation (NATO), the Soviet Union, and now Russia and Ukraine. The monograph commences with a historical overview of NATO and how it has engaged in expansionism policy to further contain Russia in contemporary international affairs with the accession of additional former Soviet states. This helps to explain the current Russian invasion of Ukraine that would attract great readership. The main argument presented rests on the pursuance of realist interests by NATO, Ukraine, and Russia for containment, national security interests, and as a response to the security dilemma respectively. This has served as the main catalyst of this conflict that has made diplomacy, international law, and collective security measures problematic to implement.

Russia and China Aleksei Dmitrievich Voskresenskiĭ, 2003 This study incorporates elements from the disciplines of international relations and history to address key international and domestic elements that have shaped the interactions between Russia and China over time. It demonstrates how changes in the inter-state relationship were and are initiated. Controversial issues are examined through previously unobtainable materials from sources including the Archives of Foreign Policy of the Russian Empire, the Archives of Foreign Policy of the Russian Federation, and the Russian Centre for the Preservation and Research of the Documents of Modern History.

Clinton's Foreign Policy in Russia George A. MacLean, 2017-11-30 Some of Bill Clinton's most basic foreign policy elements: democratic peace, the post-Cold War peace dividend, geopolitics, and state-society relations are epitomized in the US-Russian Highly Enriched Uranium (HEU) Purchase Agreement. It was one of the most remarkable initiatives of Clinton's presidency but oddly one of the most obscure that still continues under George W. Bush. This agreement illustrates how successfully the US and Russia could work together to reduce global nuclear fears but also how a series of decisions pitted global designs over American domestic interests. Illustrating one of the most compelling decisions Clinton made as President, this remarkable book elucidates the theory of democratic peace and demonstrates a new and more advanced nuclear restraint regime from reduction to elimination. The story behind Clinton's decision has repercussions for our understanding of arms control, foreign policy decision making, and US-Russian relations. This is a book about the intersection of levels of analysis: international security concerns and domestic political economy, and as such is ideal as a supplementary text for advanced courses in security and foreign policy.

Russia's Foreign Security Policy in the 21st Century Marcel De Haas, 2010-04-05 This book examines Russia's external security policy under the presidencies of Vladimir Putin, Dmitry Medvedev, and beyond. The Russian Federation has developed from a neglected regional power into a self-declared resurgent superpower. Russia's background in the former Soviet Union, as well as close ties with the upcoming new powers of China, and

India served as spring boards towards regaining an influential status in the world Simultaneously Moscow developed an assertive policy towards the West and unwilling neighbours culminating in August 2008 in an armed conflict with Georgia Reviewing this decade of Russian international security policy this work analyses security documents military reforms and policy actions towards friends and foes such as the USA and NATO to provide an assessment of the future security stance of the Kremlin This book will be of much interest to students of Russian politics and foreign policy European politics and Security Studies and IR in general

The Planetary Interest Kennedy Graham,2003-09-02 This text suggests that contemporary political and institutional arrangements for problem solving based on sovereignty as a principle and the nation state as a decision making unit are not equipped to handle such problems and that concepts and methods of decision making are therefore needed to augment existing ones in dealing with the challenges of the 21st century Kennedy Graham argues that henceforth the planet and humanity must be considered as a single entity for decision making purposes He introduces and develops the idea of the planetary interest as a vital conceptual tool to assist citizens and policy makers in understanding emerging global problems and approaching them with global solutions The book includes contributions from 20 current or former politicians who discuss the particular global problems threatening their countries looking at the ways in which the planetary interest can help them pursue a legitimate national interest

China and Russia Alexander Lukin,2018-03-16 With many predicting the end of US hegemony Russia and China s growing cooperation in a number of key strategic areas looks set to have a major impact on global power dynamics But what lies behind this Sino Russian rapprochement Is it simply the result of deteriorated Russo US and Sino US relations or does it date back to a more fundamental alignment of interests after the Cold War In this book Alexander Lukin answers these questions offering a deeply informed and nuanced assessment of Russia and China s ever closer ties Tracing the evolution of this partnership from the 1990s to the present day he shows how economic and geopolitical interests drove the two countries together in spite of political and cultural differences Key areas of cooperation and possible conflict are explored from bilateral trade and investment to immigration and security Ultimately Lukin argues that China and Russia s strategic partnership is part of a growing system of cooperation in the non Western world which has also seen the emergence of a new political community Greater Eurasia His vision of the new China Russia rapprochement will be essential reading for anyone interested in understanding this evolving partnership and the way in which it is altering the contemporary geopolitical landscape

This is likewise one of the factors by obtaining the soft documents of this **Russia In The National Interest** by online. You might not require more era to spend to go to the ebook establishment as competently as search for them. Russia In The National Interest Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Russia In The National Interest free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Russia In The National Interest free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from

dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Russia In The National Interest free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Russia In The National Interest. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Russia In The National Interest any PDF files. With these platforms, the world of PDF downloads is just a click away.
