The Oxford Handbook of the Russian Economy Michael Alexeev, Shlomo Weber, 2013-07-18 This Handbook is the most comprehensive up to date study of the Russian economy

available Russian and western authors analyze the current economic situation trace the impact of Soviet legacies and of post Soviet transition policies examine the main social challenges and propose directions for reforms The Oxford Handbook of the Russian Economy Michael Alexeev, Shlomo Weber, 2013-06-04 By 1999 Russia's economy was growing at almost 7% per year and by 2008 reached 11th place in the world GDP rankings Russia is now the world's second largest producer and exporter of oil the largest producer and exporter of natural gas and as a result has the third largest stock of foreign exchange reserves in the world behind only China and Japan But while this impressive economic growth has raised the average standard of living and put a number of wealthy Russians on the Forbes billionaires list it has failed to solve the country's deep economic and social problems inherited from the Soviet times Russia continues to suffer from a distorted economic structure with its low labor productivity heavy reliance on natural resource extraction low life expectancy high income inequality and weak institutions While a voluminous amount of literature has studied various individual aspects of the Russian economy in the West there has been no comprehensive and systematic analysis of the socialist legacies the current state and future prospects of the Russian economy gathered in one book The Oxford Handbook of the Russian Economy fills this gap by offering a broad range of topics written by the best Western and Russian scholars of the Russian economy While the book's focus is the current state of the Russian economy the first part of the book also addresses the legacy of the Soviet command economy and offers an analysis of institutional aspects of Russia's economic development over the last decade The second part covers the most important sectors of the economy The third part examines the economic challenges created by the gigantic magnitude of regional geographic ethnic religious and linguistic diversity of Russia The fourth part covers various social issues including health education and demographic challenges It will also examine broad policy challenges including the tax system rule of law as well as corruption and the underground economy Michael Alexeev and Shlomo Weber provide for the first time in one volume a complete well rounded and essential look at the complex emerging Russian economy **The Russian Economy under Putin** Torbjörn Becker, Susanne Oxenstierna, 2018-10-03 This book presents a comprehensive view of the state of the Russian economy under President Putin It considers the extent of Russia's integration in the world economy where Russia's exports of oil and gas are a key factor discusses Russia's internal challenges including changing demographics declining government revenue the need to counter over reliance on the oil and gas sector and the consequences of high military spending and assesses the prospects for economic reform highlighting especially the power struggles between different vested interests Overall the book provides a basis for understanding what has been going on in the Russian economy under President Putin and what the future may look like given the external environment internal challenges and reform processes **The Revolutionary Russian Economy, 1890-1940** Vincent Barnett, 2004-03-04 The pre revolutionary Russian economy was backward and stagnant Whatever the criticisms of the economy post revolution the turnaround in terms of growth and output was staggering This book looks at the alternatives to Stalin's reform program that

had such tragic outcomes Applying the ideas of orthodox economic theory Marxism and also instituti

Studies in the Russian Economy before 1914 Olga Crisp,1976-01-01 Re-Examining the History of the Russian Economy Jeffrey K. Hass,2018-06-14 This book explores the application of field theory patterns of interaction to Russian economic history and how social and political fields mediate the influences of institutions structures discourses and ideologies in the creation and dissemination of economic thinking theory and practice Using focused cases on Russia s economy from the mid nineteenth century to the present Hass and co authors expand the empirical basis of field studies to provide new material on Russian economic history The cases are divided into two complementary halves i The role of fields of institutions discourses and structures in the development of Russian economic thought especially economic theories and discourses and ii The role of fields in the real adoption and implementation of policies in Soviet and Russian economic history With developed discussion of fields and field theory this book moves beyond sociology to demonstrate to other disciplines the relation of fields and field theory to other frameworks and methodological considerations for field analysis as well as providing new empirical insights and narratives not as well known abroad

The Russian Economy and Foreign Direct Investment Kari Liuhto,Sergei Sutyryn,Jean-Marc F. Blanchard,2016-11-10 Before the recent Ukrainian crisis Russia was one of the main sources of foreign direct investment FDI outflow and one of the main targets of FDI inflow in the world However the events in the Ukraine the formation of the Eurasian Economic Union and China s growing interest in the Russian market and its natural resources have changed the picture completely This new book brings together an international group of contributors to present a timely and comprehensive analysis of FDI to and from Russia The book assesses the impact of the changed international political situation on foreign firms operating in Russia and explores how the new world context has affected Russian investments abroad The book also considers the future relationship between Russian corporations and the EU and the USA in light of recent events This book answers an array of key questions including how have investments from and to Russia developed in the last 100 years how are Russian businesses spreading to foreign countries through their indirect investments and how is the Russian Government influencing the investments of Russian businesses abroad This volume is of great interest to those who study international economics modern world economy and FDI as well as those interested in international investment movements and the changing role of Russia in international business and the global economy

Corruption and the Russian Economy Yulia Krylova,2018-04-17 Corruption and the Russian Economy examines why the number of entrepreneurs is declining so rapidly in contemporary Russia how many economic opportunities are being irrevocably lost each year because of administrative corruption and why entrepreneurship has become one of the most dangerous occupations in the country over the last decade Based on extensive research including in depth interviews with entrepreneurs and case studies it reveals a corrupt system of government agencies at both the regional and local levels and the increasing involvement of public officials in unlawful seizures of businesses One major conclusion is that the vast majority of informal payments by

entrepreneurs to regulatory agencies are made not to achieve illegal advantages but rather to secure the property rights that they are entitled to under the law **The Role of Women in Rebuilding the Russian Economy** Monica S.

Fong,1993-01-01 Also available in Russian Stock No 13015 ISBN 0 8213 3015 2 6 95 Price code 006 Women will contribute greatly to Russia s economic transformation given the right social and labor reforms The author suggests policy changes that wou Impact of IMF/World Bank Policies Toward Russia and the Russian Economy United States. Putin's Russia Pekka Sutela,2013-02-28 This book constitutes an up to date treatment of Russia s economic development and economic policies since 2000 when Vladimir Putin became the President of Russia After the slow decline and sudden collapse of the Soviet Union Russia embarked upon a multi faceted change This included transition from central management to a market economy from one party rule to democracy from multi national empire to nation state and from relative autarchy to opening up to the European and global communities This book concentrates on economic change exploring how in spite of steep production decline widening welfare differentials and increasing social uncertainty the 1990s also created many of the institutional and policy preconditions for a functioning market economy **The Political Economy of Russian Oil** David

Lane,1999 One of the dominant export oriented industries in Russia oil is a major source of tax revenue and wealth The privatization of these vast assets has made the industry a site not only for conflict between power holders but also a strategic target for international corporations and Western governments In this thoughtful analysis a group of international specialists explores the political and economic issues and controversies surrounding the oil industry s move to capitalism The authors examine the spread of crime and corruption the role of Russian and Western financial institutions regional tensions and the international dimension As a paradigm for the Russian economy as a whole the case of oil industry provides invaluable insights for understanding the political and economic problems confronting Russia today **Russia's Economy** Charles Jr.

Wolf,Thomas Lang,Charles Wolf,Jr.,2006-10-11 Sixteen years after the Soviet Union s demise the Russian economy can still be appropriately characterized as transitional The authors shed light on ambiguities surrounding this status through an exploration of four questions related to issues of interest to government decisionmakers **Exploring the Future of**

Russia's Economy and Markets Bruno S. Sergi,2018-11-06 Based on the 2017 conference New Reality and Russian Markets held at Harvard University this book brings together world renowned thinkers to offer the latest empirical research on recent financial risks institutional policies and financial stability **Russia's Uncertain Economic Future** John P.

Hardt,Robert F. Bennett,2015-04-15 The contributors to this volume analyze the present state of the Russian economy and its

future prospects which now seem brighter than at any previous time in the country's history The Russian economy is now showing positive GDP growth and a positive balance of payments portending a trend of sustained growth The record of the Putin presidency with respect to the establishment of market friendly legal and administrative environments is substantially positive On the other side of the ledger the contributors identify the persistence of monopolies in energy transportation and agriculture distortions resulting from corruption infrastructural inadequacies and the maldistribution of political power and decision making authority demographic decline and the erosion of human capital as manifested in the health education and welfare of the population Russia's successful development as a democratic society with a market economy is of great importance to its neighbors and to the global economy and specifically to the United States which is why the U S Congress commissioned these studies by expert analysts This edition includes a comprehensive subject index making the volume user friendly

Russian Economy Introduction

In today's digital age, the availability of Russian Economy books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Russian Economy books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Russian Economy books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Russian Economy versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Russian Economy books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Russian Economy books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Russian Economy books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works

and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Russian Economy books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Russian Economy books and manuals for download and embark on your journey of knowledge?
