

A close-up, intimate photograph of a man and a woman. The man, on the left, has a beard and is looking towards the camera with a slight smile. The woman, on the right, has her eyes closed and is leaning her head against the man's face. Her hand is resting on the man's chest. The overall tone is warm and romantic.

Rust and Bone: Stories Craig Davidson,2006-11-17 Enough incident shock and suspense for a dozen books Filled with stories you haven t heard before Bret Easton Ellis In steel tipped prose Craig Davidson conjures a savage world populated by fighting dogs prizefighters sex addicts and gamblers In his title story Davidson introduces an afflicted boxer whose hand never properly heals after a bone is broken The fighter s career descends to bouts that have less to do with sport than with survival no referee no rules not even gloves In A Mean Utility we enter an even more desperate arena dogfights where Rottweilers pit bulls and Dobermans fight each other to the death Davidson s stories are small monuments to the telling detail The hostility of his fictional universe is tempered by the humanity he invests in his characters and by his subtle and very moving observations of their motivations He shares with Chuck Palahniuk the uncanny ability to compel our attention time and time again to the most difficult subject matter **Rust and Bone** Craig Davidson,2006-08-22 In steel tipped prose Craig Davidson conjures up a bleak world populated by hardscrabble pugilists fighting dogs sex addicts and others held captive by their own bad luck and bad decisions Visceral and with a dark urgency Rust and Bone is a strikingly original debut
