Bill VanPatten,James Lee,William R. Glass,Terry L. Ballman,Donna Deans Binkowski,2007-01-09 *The Pragmatics of Requests and Apologies* Elizabeth Flores Salgado,2011 The purpose of this research is to analyse the pragmatic development of language groups at different proficiency levels and to investigate the relationship between interlanguage pragmatics and grammatical competence For this study 36 native Spanish speaking EFL learners at different proficiency levels were asked to respond in English to 24 different situations that called for the speech acts of request and apology Results showed three important aspects The first finding suggested that basic adult learners possess a pragmatic knowledge in their L1 that allows them to focus on the intended meaning and in most cases to assemble an utterance that conveys a pragmatic intention and satisfies the communicative demands of a social situation The second finding revealed that there are two essential conditions to communicate a linguistic action the knowledge of the relevant linguistic rules and the knowledge of how to use them appropriately and effectively in a specific context The findings further suggested that advanced learners possess the grammatical knowledge to produce an illocutionary act but they need to learn the specific L2 pragmatic conventions that enable them to know when to use these grammatical forms and under which circumstances Colloquial Spanish 2 (eBook And MP3 Pack) Untza Otaola Alday,2014-10-14 Do you know Spanish already and want to go a stage further If you re planning a visit to Spain need to brush up your Spanish for work or are simply doing a course Colloquial Spanish 2 is the ideal way to refresh your knowledge of the language and to extend your skills Colloquial Spanish 2 is designed to help those involved in self study Structured to give you the opportunity to listen to and read lots of modern everyday Spanish it has also been developed to work systematically on reinforcing and extending your grasp of Spanish grammar and vocabulary Key features of Colloquial Spanish 2 include Revision material to help consolidate and build up your basics A wide range of contemporary authentic documents both written and audio Lots of spoken and written exercises in each unit Highlighted key structures and phrases a grammar reference and detailed answer keys A broad range of everyday situations focusing on mainland Spain Audio material is available on two 60 minutes cassettes and CDs to accompany Colloquial Spanish 2 Recorded by native speakers this material will help you perfect your pronunciation and listening skills For the eBook and MP3 pack please find instructions on how to access the supplementary content for this title in the Prelims section **Las 6 Emes Del Éxito** Farid De Alba,2011-05 Farid de Alba en Las Seis Emes del xito expone de manera clara objetiva y pr ctica
