Skyscapes Fabio Silva, Nicholas Campion, 2015-03-12

Eleven papers extend discussion of the role and importance of the landscape and the wider environment to past societies and to the understanding and interpretation of their material remains into consideration of the significance of the celestial environment the skyscape The role of the sky for past societies has been relegated to the fringes of archaeological discourse Nevertheless archaeoastronomy has developed a new rigour in the last few decades and the evidence suggests that it can provide insights into the beliefs practices and cosmologies of past societies Skyscapes explores the current role of archaeoastronomical knowledge in archaeological discourse and how to integrate the two It shows how it is not only possible but even desirable to look at the skyscape to shed further light on human societies This is achieved by first exploring the historical relationship between archaeoastronomy and academia in general and with archaeology in particular The volume continues by presenting case studies that either demonstrate how archaeoastronomical methodologies can add to our current understanding of past societies their structures and beliefs or how integrated approaches can raise new questions and even revolutionise current views of the past

Any Body There? Craig Michael

Mueller,2017-07-21 Any body there we may wonder as we watch people engage with their smart phones while being oblivious to what is going on around them Anybody there is the question facing the church as it wrestles with declining religious affiliation Craig Mueller considers this contemporary context and offers a response based in an incarnational spirituality accentuating the body and finding expression in corporate multisensory liturgy Mueller creatively weaves together topics from our digital lives with personal and congregational stories and theological liturgical and spiritual reflections Concepts such as virtuality the analog 24 7 connectivity access design and GPS are juxtaposed with themes of embodiment mortality sabbath mystery beauty and vocation Drawing on his experience as a pastor to millennials his studies in liturgical theology and his work on the effects of technology on daily life Mueller proposes that corporate worship is an antidote to the distraction fragmentation and spiritual hunger in society today As humans continue to merge with machines participation in the Sunday liturgy reminds us of what it means to be human a deeper connection to our bodies and the earth and a clear sense of purpose and mission for our everyday lives **Around the World in Eighty Days** Jules

Verne,2008-05-29 One night in the reform club Phileas Fogg bets his companions that he can travel across the globe in just eighty days Breaking the well established routine of his daily life he immediately sets off for Dover with his astonished valet Passepartout Passing through exotic lands and dangerous locations they seize whatever transportation is at hand whether train or elephant overcoming set backs and always racing against the clock *Orthodox Preaching as the Oral Icon of Christ*

James Kenneth Hamrick,2015-03-15 Father James K Hamrick is a priest in the Antiochian Orthodox Christian Archdiocese of North America and currently serves as the founding pastor of St John the Baptist Mission in Lewistown Maryland During his two decades of pastoral ministry Father James has received numerous invitations to preach and speak at various venues His sermons are aired each Sunday morning on The Source Christian Radio AM 1450 and at www.wthu.org where he had previously served as a founding member of the radio station s Board of Directors Father James holds masters degrees from Holy Trinity Theological College Seminary and from the University of Balamand He is a life member of the Honor Society of Phi Kappa Phi a Knight of the Order of St Ignatius of Antioch and a member of the Fellowship of St Alban and St Sergius in Oxford England Father James and his wife Pamela reside in Thurmont Maryland and enjoy visits from their four grown children and young granddaughters Father James may be reached at frjameshamrick@gmail.com In a relativistic postmodern age that is skeptical of propositional truth claims but that is wired for images and stories the iconic nature of Orthodox preaching offers a compelling answer for effectively communicating the Gospel of Jesus Christ Though preaching styles have varied widely across history and cultures it is Orthodox preaching by virtue of its faithfulness to the sacred apostolic and patristic traditions its integral connection to the sacramental and liturgical life of the Church and its functioning in tandem with Orthodox spirituality which conveys itself as iconic Orthodox Preaching as the Oral Icon of Christ addresses the current crisis of preaching in our age and approaches the homiletical discipline from an iconological perspective revealing how

Orthodox preaching sacramentally mediates the presence of the Risen Lord in the midst of the assembly through artful and imaginative word images whereby lives are personally touched and transformed Just as Orthodox icons are understood to be windows into heaven so effective Orthodox preaching may be understood to transport the listener into the realm of the Holy where lives may be interpreted and transfigured in the light of the Gospel and indeed in the very presence of Christ
