you too are being changed from a tourist to a pilgrim Christian George recovers the ancient spiritual practice of pilgrimage in which travel to sacred sites leads to the transformation of the soul In engaging narratives of his worldwide voyages he follows in the footsteps of spiritual pilgrims from across the centuries from Luther in Wartburg to Spurgeon in England His travels to landmark places from Iona to Assisi give him not only a better understanding of his Christian heritage but also of God's inner work in pilgrims throughout history and today Come with Christian as he breaks bread with Benedictines in Ireland and worships with the Taiz community in France Experience the transforming power of spiritual pilgrimage And discover what it means to be a pilgrim as you follow God wherever he leads *Sacred Intimacy* Rocco Romeo,2009-11-01

La Santa Muerte becomes a lens for understanding how Oaxacans relate to saints loved ones and other special dead In Oaxaca images of saints and loved ones as well as of victims of political or criminal violence are seemingly everywhere While Oaxacans relate to all sorts of special dead they are particularly devoted to La Santa Muerte Saint Death a female reaper like figure whose popularity has risen in tandem with violence throughout Mexico The Intimacy of Images recontextualizes Oaxacans relationships with their special dead through the lens of La Santa Muerte examining how devotees closely interact with what Lamrani terms intimate images not only devotional effigies but also photographs films tattoos and murals and even dreams and visions Though Mexicans have a well known cultural familiarity with death Lamrani argues that devotion to La Santa Muerte builds upon this intimacy even as it also participates in the production of terror and reflects political and criminal violence Ultimately Lamrani finds that these human image interactions represent more than Catholic devotion they reveal the secrets of Oaxacan political religious and social life embody changing relationships to mortality and violence and even offer insight into the practice of anthropology itself (Extra)Ordinary Presence Markus Gottwald,Kay Kirchmann,Heike Paul,2017-08-15

Taking its cue from contemporary western debates on presence in the social sciences and the humanities this volume focuses on presence both as everyday experience and as an experience of intense moments It raises questions about diverse social configurations of presence as well as about the specific cultural repertoires which encode articulate and shape discourses of presence The contributions take as a premise that phenomena of presence are connected to particular forms of knowledge Especially tacit knowledge pre-determines experiences of individual and collective presence and becomes tangible in moments of presence or presentification *Religion and Its Monsters* Timothy Beal,2022-11-24

Religious encounters with mystery can be fascinating but also terrifying So too when it comes to encounters with the monsters that haunt Jewish and Christian traditions Religion has a lot to do with horror and horror has a lot to do with religion Religion has its monsters and monsters have their religion

In this unusual and provocative book Timothy Beal explores how religion horror and the monstrous are deeply intertwined This new edition has been thoughtfully updated reflecting on developments in the field over the past two decades and highlighting its contributions to emerging conversations It also features a new chapter Gods Monsters and Machines which engages cultural fascinations and anxieties about technologies of artificial intelligence and machine learning as they relate to religion and the monstrous at the dawn of the Anthropocene Religion and Its Monsters is essential reading for students and scholars of religion and popular culture as well as for any readers with an interest in horror theory or monster theory

simply an expression of the deepest and most admirable elements of human nature itself The discussion of Limbaugh shows how he draws on the skepticism of contemporary culture to create a sense of absolute truth within his own media performance its truth guaranteed by the market Kintz also describes how conservative interpretations of the Holy Scriptures the U S Constitution and the Declaration of Independence have been used to challenge causes such as feminism women s reproductive rights and gay and lesbian rights In addition to critiquing the intellectual and political left for underestimating the power of right wing grassroots organizing corporate interests and postmodern media sophistication Between Jesus and the Market discusses the proliferation of militia groups Christian entrepreneurship and the explosive growth and selling of the Promise Keepers

underrepresented and on the margins of history **Epiphanies in the Modernist Short Story** Valeria Taddei, 2024-04-10

The poetics of epiphany have long been recognised as a broad aesthetic trend of modernism related to the power of art to reveal the hidden essence of reality Yet the critical use of the concept is still contested complicated by the fact that in many modernist works exceptional moments are anything but revealing This book embraces the blurred nature of epiphanies and sets out to explore their effects in a comparative journey paralleling Anglophone and Italian modernist short fiction The work of four modernist short story writers Luigi Pirandello James Joyce Federigo Tozzi and Katherine Mansfield illuminates epiphanies as complex phenomena connected to multiple aspects of modernist culture which appear in artistic experiences developed independently in the same decades The ideas of Henri Bergson William James Martin Heidegger and Maurice Merleau-Ponty among others nuance our understanding of the stories and of the author's vision behind them At least three threads emerge as a result as common characteristics of modernist epiphanies First they are a result of the inward turn and of the curiosity about the psyche's subconscious processes Second they attempt to rediscover lived experience as a source of partial but reliable knowledge Third they reactualise mystical experiences as conduits to a secular insight about life The main appeal of these modernist moments of enlightenment is precisely that they establish an atmosphere of ambiguity where multiple and sometimes irreconcilable potential meanings can be found By so doing they succeed in evoking the

undifferentiated creative potential that according to the widespread vitalist philosophies of the age constitutes the essence of life In reframing ambiguity and indeterminacy as spaces of creation and choice epiphanies thus bring out a lesser known life affirming but not naive vein of modernist inspiration *Virtuous Woman Take Your Place in Destiny* Lucy S.

Parry, 2008-09-16 *Virtuous Woman* is a revelation received to encourage different types of women in our society and in this world The present age is full of evil Satan and his agents are doing everything possible to discourage the virtuous woman from achieving her God given goals and fulfilling her destiny Woman has been created to possess the following powers Power to conceive ideas in the spiritual realm through the Holy Spirit Power to nurture this new hope until delivery Power to go through physical biological and spiritual transformations Power to travail Revelations recorded in this book will guide you along the journey of life and assist you to cope with the all too common feeling of hopelessness They will also help you to discover a friend who will encourage and guide you to activate the creative power that lay dormant within you *Virtuous woman take your place in destiny*
