Management Consulting UK Bø and Bön Dmitry Ermakov, 2008 Comparative study between Tibetan Bon and Buryatian B2 religion of ancient Shamanic traditions Mythologies, Acta Orientalia, 2007 Wood Sculpture in Nepal Bertrand Goy, 2009-03 This book offers a brief survey of the history of Nepal recalling why leaving aside the Kathmandu valley the sum of knowledge on its material culture lacks the objective distance allowed by other non European civilizations the country long closed to Western visitors opened but recently and documents prior to the 1960s are scarce Bertrand Goy's research into the archives leads us on the tracks of is statuary while the ethnologist Gisele Krauskopff shares with us a line of thought supported by her field experience and her knowledge of Nepalese culture The testimony of a photographer traveller who visited Nepal in the pioneering days completes this volume with Hugues Dubois photographs of the masks and statuettes collected over the past twenty years by Max Itzikovitz Book Jacket American Book Publishing Record, 2005 Landscape and Pilgrimage in Tibet Gelek Jinpa, Charles Ramble, V. Carroll Dunham, 2005 This spiritual adventure is the first book to document the living tradition of B n What makes this narrative so compelling is that the voice and perspective of Gelek a young B n monk lends an intimacy and knowledge of B n not found in religious texts According to the Tibetan calendar 2002 was a holy year for pilgrimages and in the holiest month of that year Gelek set out from his monastery in Nepal with some hardy companions and photographer Thomas Kelly to travel to Kailash a sacred mountain in western Tibet He was also on a guest to seek out the long vanished kingdom of Zhangzhung At the end of the journey Gelek finds little that resembles the B n kingdom He comes upon crumbling ruins that have all but reverted to their native dust and earth From this experience Gelek understands that the essence of his faith is built not on these shifting sands but on the bedrock of the changeless B n teachings This extraordinary trek is illustrated by 160 stunningly beautiful color photographs of the unknown landscapes as well as travelers and local people Accompanying the images is the authors Vivid description of their journey which is especially evocative as it includes translated excerpts from GelekG s personal diary Pilgrimage in Tibet Alex McKay, 2013-12-16 The Western image of Tibet as a sacred land is in many ways a mythical construction But the Tibetans themselves have traditionally mapped out their land in terms of areas of sacred space and pilgrimage ensuring a high degree of mobility within all classes of Tibetan society Pilgrims travelled to local regional and national centres throughout recorded Tibetan history In recent years pilgrimage has resumed in areas where it had been forbidden by the Chinese authorities and has now become one of the most prominent religious expressions of Tibetan national identity In this major new work leading scholars of Asian pilgrimage traditions discuss historical and contemporary aspects of pilgrimage within the Tibetan cultural world Myths and legends material conditions textual sources a modern pilgrim s impressions political and economic influences biographies and contemporary developments all these and many other issues are examined here The result is an informative and often entertaining work which contributes greatly to our knowledge of the history and culture of Tibet as well as the wider issues of religious power and practice Mount Kailash and the Lost Kingdom of Shang Shung Brian

high altitude landscape and isolated communities HOLY MOUNT KAILASH Milan P. Rakocevic, 2013-06-06 Kailash The Heart and Soul of Tibet There are few places on Earth comparable to the mysterious stunningly beautiful and completely isolated Mt Kailash which lies well hidden in a remote and deserted region of western Tibet In order to understand the importance of holy Mt Kailash it is necessary to know that it is considered the legendary abode of the gods One circle around the mountain 54 km is symbolically one revolution of the wheel of life or the cycle from birth to death This simultaneously brings about the purification and forgiveness of all sins committed in this lifetime This is the land of the Sun In this spot I started to understand the difference between the world that I was coming from and the one that was standing before me This is without doubt the most beautiful spot on Earth This is Shambala These were moments of great happiness when all the struggles of travelling are forgotten and replaced by sheer joy This is the physical and spiritual climax of the pilgrimage because the Drolma La pass is considered the most holy spot on the trail and arrival there marks the beginning of a completely new life The Mount Kailash Trek Peter Gibbons, Sian Pritchard-Jones, 2010-09-09 The Mount Kailash trek in Tibet follows the pilgrims route around the sacred mountain This trek has been a pilgrimage site for more than a thousand years and leads around the peak in 3 4 days Also included is a visit to the lost kingdom of Guge still almost unknown in the <u>Travelling with the Master</u> Florens van Canstein, 2012 **The Path to Buddha** Steve McCurry, 2003-11-18 This west intimate photographic portrait of Tibetans and Buddhism is divided into five parts two main chapters devoted to the religious and lay Buddhists on their pilgrimages to holy sites and three sections of remarkable portraits that capture monks and devout believers on their arduous journeys to prayer **The Siege of Shangri-La** Michael McRae, 2012-04-25 The story of the quest for a real life Shangri La in the darkest heart of the Himalayas a century long obsession to reach the sacred hidden center of one of the world's last uncharted realms At the far eastern end of the Himalayas in Tibet lies the Tsangpo River Gorge known as the great romance of geography during the nineteenth century s golden age of exploration Here the mighty Tsangpo funnels into an impenetrable canyon three miles deep walled off from the outside world by twenty five thousand foot peaks Like the earthly paradise of Shangri La immortalized in James Hilton's classic 1933 novel Lost Horizon the Tsangpo River Gorge is a refuge revered for centuries by Tibetan Buddhists and later in Western imagination as a sanctuary in times of strife as well as a gateway to nirvana The Siege of Shangri La tells the story of this fabled land s exploration as both a geographical and spiritual destination and chronicles the discovery at the end of the last millennium of the truth behind the myths and rumors about it Veteran journalist Michael McRae traces the gorge's exploratory history from the clandestine missions of surveyor spies called pundits and botanical expeditions of naturalists in the early twentieth century to the recent investigations of scholars adventurers and pilgrims seeking the Hidden Falls of the Tsangpo which purportedly rivals Niagara in size and serves as the gateway to paradise Each explorer's narrative provides increasing evidence of why the gorge has been mythologized in Eastern and Western lore as one of the world's most alluring blanks on the map and a supreme test of

human will Taking readers on a guided tour of the gorge s landscape physical and metaphysical McRae presents an insightful look at the pursuit of glory and enlightenment that has played out in this mysterious land with sometimes disastrous consequences The Siege of Shangri La is a fascinating journey through the inner recesses of a remote mystical world and the minds of those who have attempted to reach it From the Hardcover edition
