

THE SACRED MUSHROOM AND THE CROSS

JOHN M. ALLEGRO

Sacred Mushroom The Cross

Alex Boese

Sacred Mushroom The Cross:

The sacred mushroom and the cross John Marco Allegro, 1970 A study of the nature and origins of Christianity within fertility cults of the ancient Near East

The sacred mushroom and the cross John Marco Allegro, 1970 A study of the nature and origins of Christianity within fertility cults of the ancient Near East

The Sacred Mushroom and the Cross John M. John M. Allegro, 2014-12-10 This book is the first published statement of the fruits of some years work of a largely philological nature It presents a new appreciation of the relationship of the languages of the ancient world and the implication of this advance for our understanding of the Bible and of the origins of Christianity

The Mushroom and the Bride John Herbert Jacques, 1970 A believer's examination and refutation of John Marco Allegro's book The sacred mushroom and the cross

The Historical Jesus Gary R. Habermas, 1996 Rev ed of Ancient evidence for the life of Jesus Includes bibliographical references and index

Crash Gordon and the Mysteries of Kingsburg Derek Swannson, 2007-08 Daring funny and filled with strange facts about the medico military occult complex Crash Gordon and the Mysteries of Kingsburg is a paranoid comedy that's seriously concerned with the fate of humanity

Mushrooms and Mankind James Arthur, 2000 For thousands of years on our planet humanity has been involved in a symbiotic relationship with plants Not only have plants supplied mankind with a never ending food source the necessary nourishment for our bodies and life itself but they have also served us in another way an extremely important and intricate one yet an often overlooked one This book uncovers the natural link between man consciousness and God

John Marco Allegro Judith Anne Brown, 2005 This book explores the life and work of John Allegro freethinker and rebel whose work on the Dead Sea Scrolls led him to challenge the Church the editing team and most conventional assumptions about the development of Christianity

The Westminster Dictionary of Christian Spirituality Gordon S. Wakefield, 1983-01-01 Ecumenical in character this comprehensive and authoritative dictionary is the achievement of scholars of international standing Anglicans Roman Catholics Baptists Presbyterians Quakers Methodists Lutherans and others The articles are nondogmatic and scholarly The main emphasis is thematic the entries represent types schools and subjects Articles that refer to non Christian religions are included insofar as they have influenced Christianity The unifying theme of the dictionary is that it seeks to illumine ways in which women and men have responded to God in prayer and living

Entheogens and the Development of Culture John A. Rush, 2013-07-30 Entheogens and the Development of Culture makes the radical proposition that mind altering substances have played a major part not only in cultural development but also in human brain development Researchers suggest that we have purposely enhanced receptor sites in the brain especially those for dopamine and serotonin through the use of plants and fungi over a long period of time The trade off for lowered functioning and potential drug abuse has been more creative thinking or a leap in consciousness Experiments in entheogen use led to the development of primitive medicine in which certain mind altering plants and fungi were imbibed to still fatigue pain or depression while others were taken to promote

hunger and libido Our ancestors selected for our neural hardware and our propensity for seeking altered forms of consciousness as a survival strategy may be intimately bound to our decision making processes going back to the dawn of time Fourteen essays by a wide range of contributors including founding president of the American Anthropological Association s Anthropology of Religion section Michael Winkelman PhD Carl A P Ruck PhD Boston University professor of classics and an authority on the ecstatic rituals of the god Dionysus and world renowned botanist Dr Gaston Guzman member of the Colombian National Academy of Sciences and expert on hallucinogenic mushrooms demonstrate that altering consciousness continues to be an important part of human experience today Anthropologists cultural historians and anyone interested in the effects of mind altering substances on the human mind and soul will find this book deeply informative and inspiring

Psychedelic Apes Alex Boese, 2019-07-25 From the Sunday Times bestselling author of Elephant s on Acid comes a collection of the wackiest theories from science and history What if we re living inside a black hole What if we ve already found extraterrestrial life What if the dinosaurs died in a nuclear war What if Jesus Christ was actually a mushroom In *Psychedelic Apes* bestselling author Alex Boese delves into the curious scientific subculture of weird theories Thoroughly bizarre and contrary to the established norm these ideas are often vehemently rejected by the intellectual community From the creation of the universe to the evolution of humans the birth of civilization right through to our more recent past *Psychedelic Apes* explores some of the craziest ideas from science and history and shows that sometimes even the weirdest theories may be proved true

The Psychedelic Gospels Jerry B. Brown, Julie M. Brown, 2016-09-15 Reveals evidence of visionary plants in Christianity and the life of Jesus found in medieval art and biblical scripture hidden in plain sight for centuries Follows the authors anthropological adventure discovering sacred mushroom images in European and Middle Eastern churches including Roslyn Chapel and Chartres Provides color photos showing how R Gordon Wasson s psychedelic theory of religion clearly extends to Christianity and reveals why Wasson suppressed this information due to his secret relationship with the Vatican Examines the Bible and the Gnostic Gospels to show that visionary plants were the catalyst for Jesus s awakening to his divinity and immortality Throughout medieval Christianity religious works of art emerged to illustrate the teachings of the Bible for the largely illiterate population What then is the significance of the psychoactive mushrooms hiding in plain sight in the artwork and icons of many European and Middle Eastern churches Does Christianity have a psychedelic history Providing stunning visual evidence from their anthropological journey throughout Europe and the Middle East including visits to Roslyn Chapel and Chartres Cathedral authors Julie and Jerry Brown document the role of visionary plants in Christianity They retrace the pioneering research of R Gordon Wasson the famous sacred mushroom seeker on psychedelics in ancient Greece and India and among the present day reindeer herders of Siberia and the Mazatecs of Mexico Challenging Wasson s legacy the authors reveal his secret relationship with the Vatican that led to Wasson s refusal to pursue his hallucinogen theory into the hallowed halls of Christianity Examining the Bible and the Gnostic Gospels

the authors provide scriptural support to show that sacred mushrooms were the inspiration for Jesus revelation of the Kingdom of Heaven and that he was initiated into these mystical practices in Egypt during the Missing Years They contend that the Trees of Knowledge and of Immortality in Eden were sacred mushrooms Uncovering the role played by visionary plants in the origins of Judeo Christianity the authors invite us to rethink what we know about the life of Jesus and to consider a controversial theory that challenges us to explore these sacred pathways to the divine **The End of a Road**

John M Allegro,2013-05-13 In 1970 John M Allegro published The Sacred Mushroom and the Cross arguing that the early Christians belonged to a drug cult their sacrament consisting of hallucinogenic mushrooms The book contained a large amount of linguistic data to support Allegro s speculations In his follow up book The End of a Road Allegro considered the philosophical ramifications of having undermined Christianity and hence for many people religion altogether He argued that abandoning religion is not tantamount to abandoning morality rather it should enable a more honest and straightforward approach to morality This new edition includes a new foreword by Judith Anne Brown author of John Marco Allegro The Maverick of the Dead Sea Scrolls as well as two new essays These are an essay by Franco Fabbro discussing a mushroom mosaic in an early Christian church in Aquileia and an essay by John Bolender discussing the vagueness of the concept of religion which raises questions about the precise target of Allegro s polemic and challenges attempts to defend religion as a biological adaptation **The Psilocybin Connection**

Jahan Khamsehzadeh, PhD,2022-04-05 A comprehensive guide to psilocybin mushrooms and their impact on our psychology biology and social development How and why do psychedelics exist Did psilocybin catalyze our early human ancestors social evolution And how can an integral understanding of psychedelics quite literally change the world In an ambitious and comprehensive look at psilocybin and an inside look at how humanity co evolved alongside magic mushrooms Jahan Khamsehzadeh PhD explores our historical and ancestral relationship to psychedelics and presents new and exciting research about what psilocybin can mean for us today Separated into three sections Present Past and Future The Psilocybin Connection advances our understanding of psychedelics in unexpected and original ways Khamsehzadeh shares compelling research that suggests how naturally occurring psychedelics may have played an essential role in humanity s social cultural and linguistic evolution Supported by archaeological evidence neuroscience and academic studies he explores how mushrooms gave rise to art and expression impacted spiritual experiences and even spurred human brain development Blending the most comprehensive and up to date synthesis of psilocybin research with stories of his own and others psychedelic awakenings Khamsehzadeh moves our understanding of the psychedelic mushroom forward toward a fresh hopeful and exciting future **The God Who Is** Hans Schwarz,2011-01-01 Who is the God in whom Christians believe Is he just a figment of the human mind as critics of religion claimed in the nineteenth century and as crusading atheists assert again today Since the beginnings of rational thought the brightest minds among humanity have attempted to assert that God does indeed exist But even the so called proofs for God s existence

always started with the assumption that there is someone to prove As soon as we move beyond that which is within space and time mere proofs or disproofs no longer suffice Both believers and unbelievers live to a certain degree by faith Yet religion is inextricably connected with human history When we journey through the landscape of religion and witness its gradual unfolding we soon realize that not all religions are equal Though they may be witnesses of the same God the way they talk about God is so different that this not only leads to very different concepts of God but also to different approaches to life on this earth At the end of this long journey we finally arrive at the Judeo Christian tradition which witnesses to the God in whom Christians believe This book seeks to show how this belief matured and what difference this belief still makes today

The Essenes, the Scrolls, and the Dead Sea Joan E. Taylor, 2012-11-15 The mystery surrounding the Dead Sea Scrolls remains over 60 years after their rediscovery Who hid them and why This groundbreaking book reinvigorates the contested hypothesis that the Essenes were responsible Rather than being a marginal esoteric sect Taylor shows that this group acted as one of the leading legal schools of Judaism

Copper Scroll Studies George J. Brooke, Philip R. Davies, 2004-07-09 This book contains the papers delivered at the 1996 Copper Scroll Symposium which was organized by the Manchester Sheffield Centre for Dead Sea Scrolls Research to mark the 40th Anniversary of the opening of this enigmatic scroll in Manchester The papers cover the history of the Scroll s interpretation P Muchowski P Davies B Segal M Wise how it should be conserved restored and read N Cacoudre M Lundberg E Puech how it was produced P Kyle McCarter the meaning of its technical terms J F Elwolde A Lange J Lefkovits J Lubbe L Schiffman its genre M Bar Ilan R Fidler T Lim its geography P S Alexander its correlation with archaeological remains H Eshel and not least who wrote it when and why S Goranson I Knohl H Stegemann B Thierine A Wolters with an Introduction by G Brooke This is volume 40 in the Journal for the Study of Pseudepigrapha Supplement series

Text and Trauma Ian Richard Netton, 2012-12-06 An essay in literary criticism with a difference addressing the nature of blasphemy and using selected novels by Salman Rushdie Najib Mahfuz and Nikos Kazantzakis as case studies

The Secret Teachers of the Western World Gary Lachman, 2015-12-08 Running alongside the mainstream of Western intellectual history there is another current which in a very real sense should take pride of place but which for the last few centuries has occupied a shadowy inferior position somewhere underground This other stream forms the subject of Gary Lachman s epic history and analysis The Secret Teachers of the Western World In this clarifying accessible and fascinating study the acclaimed historian explores the Western esoteric tradition a thought movement with ancient roots and modern expressions which in a broad sense regards the cosmos as a living spiritual meaningful being and humankind as having a unique obligation and responsibility in it The historical roots of our counter tradition as Lachman explores have their beginning in Alexandria around the time of Christ It was then that we find the first written accounts of the ancient tradition which had earlier been passed on orally Here in this remarkable city filled with teachers philosophers and mystics from Egypt Greece Asia and other parts of the world in a multi cultural multi faith and pluralistic society a synthesis took

place a creative blending of different ideas and visions which gave the hidden tradition the eclectic character it retains today

Publisher's description *Entheologues: Conversations with Leading Psychedelic Thinkers, Explorers and Researchers*

Martin W. Ball, 2009-07-01

Entheologues presents a fascinating collection of interviews with top figures in the entheogenic field. James Oroc talks about God, 5-MeO-DMT, zero point energy and the Akashic Field. Rick Strassman discusses his new book and shares the surprising results of his DMT study along with his hopes for an entheogenic research center. Jan Irvin and John Rush discuss the roles of psychedelic mushrooms and other visionary sacraments in Christianity, Judaism and Islam. In the final interview, Daniel Siebert gives a detailed history of *Salvia divinorum*. Completing the book, Martin W. Ball makes a strong case for the human right to entheogen use as religious sacraments. Was Jesus a psychedelic mushroom? Do DMT experiences send people into alternate realities? What is the legal status of entheogens for spiritual use? Why are there so many mushroom images in Christian art? Can 5-MeO-DMT bring about realization of God? These questions and more are answered in *Entheologues*.

Right here, we have countless book **Sacred Mushroom The Cross** and collections to check out. We additionally manage to pay for variant types and in addition to type of the books to browse. The conventional book, fiction, history, novel, scientific research, as without difficulty as various further sorts of books are readily nearby here.

As this Sacred Mushroom The Cross, it ends in the works beast one of the favored ebook Sacred Mushroom The Cross collections that we have. This is why you remain in the best website to look the unbelievable books to have.
