Bird, 2019-11-20 Harlot or Holy Woman presents an exhaustive study of qede ah a Hebrew word meaning consecrated woman but rendered prostitute or sacred prostitute in Bible translations Reexamining biblical and extrabiblical texts Phyllis A Bird questions how qede ah came to be associated with prostitution and offers an alternative explanation of the term one that suggests a wider participation for women as religious specialists in Israel s early cultic practice Bird s study reviews all the texts from classical antiquity cited as sources for an institution of sacred prostitution alongside a comprehensive analysis of the cuneiform texts from Mesopotamia containing the cognate qadi tu and Ugaritic texts containing the masculine cognate qd Through these texts Bird presents a portrait of women dedicated to a deity engaged in a variety of activities from cultic ritual to wet nursing and sharing a common generic name with the qede ah of ancient Israel In the final chapter she returns to biblical texts reexamining them in light of the new evidence from the ancient Near East Considering alternative models for constructing women s religious roles in ancient Israel this wholly original study offers new interpretations of key texts and raises questions about the nature of Israelite religion as practiced outside the royal cult and central sanctuary      The Life of Philippus Theophrastus Bombast of Hohenheim Franz Hartmann, 1887      In Tennyson Land John Cuming Walters, 1890      A catalogue of remarkable books published by Mr. George Redway (1887) George Redway, 2023-07-10 In A Catalogue of Remarkable Books Published by Mr George Redway 1887 George Redway presents a meticulously curated collection of literature that reflects both the diversity of Victorian publishing and his perceptive insights into the literary culture of his time This catalogue not only serves as a bibliographical guide but also as a vibrant tapestry illustrating the evolving landscape of popular and rare works ranging from historical texts to contemporary novels Redway s literary style is characterized by its precision and enthusiasm beautifully bridging the realms of scholarship and accessibility allowing readers to engage deeply with the titles he champions George Redway was not merely a publisher he was a fervent advocate for literature well versed in the intricacies of book collecting and the rarefied art of publishing His background in the field and his network among notable authors and collectors enabled him to compile a collection that resonated with both book enthusiasts and casual readers Redway s passion for books is evident throughout his catalogue positioning his works not only within the market but also within the broader cultural dialogues of the 19th century For bibliophiles historians and casual readers alike this catalogue serves as an
