The Sacred Trust Pinchas Stolper, 1996 Rabbi Pinchas Stolper one of our generation s inspirational leaders turns his talented pen to discuss one of life s most delicate areas love dating and marriage With the illumination of the Torah s rich and positive teachings he brings new meaning purpose and elevation to our lives He offers timely insights firmly rooted in timeless teachings This is an important book filled with wisdom sensitivity and sound advice **Religion** Hent de Vries, 2008 What do we talk about when we talk about religion Is it an array of empirical facts about historical human civilizations Or is religion what is in essence unpredictable perhaps the very emergence of the new In what ways are the legacies of religion its powers words things and gestures reconfiguring themselves as the elementary forms of life in the twenty first century Given the Latin roots of the word religion and its historical Christian uses what sense if any does it make to talk about religion in other traditions Where might we look for common elements that would enable us to do so Has religion as an overarching concept lost all its currency or does it ineluctably return sometimes in unexpected ways the moment we attempt to do without it This book explores the difficulties and double binds that arise when we ask What is religion Offering a marvelously rich and diverse array of perspectives it begins the task of rethinking religion and religious studies in a contemporary world Opening essays on the question What is religion are followed by clusters exploring the relationships among religion theology and philosophy and the links between religion politics and law Pedagogy is the focus of the following section Religion is then examined in particular contexts from classical times to the present Pentecostal revival leading into an especially rich set of essays on religion materiality and mediatization The final section grapples with the ever changing forms that religion is taking such as spirituality movements and responses to the ecological crisis Featuring the work of leading scholars from a wide array of disciplines traditions and cultures Religion Beyond a Concept will help set the agenda for religious studies for years to come It is the first of five volumes in a collection entitled The Future of the Religious Past the fruit of a major international research initiative funded by the Netherlands Organization for Scientific Research Ecological Spirituality O'Murchu, Diarmuid, 2024-03-20 An earth focused spirituality is developed for the ecological needs of the Twenty first century **The British National Bibliography** Arthur James Wells, 2002 **The Oxford Handbook of Religion and**

Ecology Roger S. Gottlieb, 2006-11-09 Ecologically oriented visions of God the Sacred the Earth and human beings The proposed handbook will serve as the definitive overview of these exciting new developments Divided into three main sections the books essays will reflect the three dominant dimensions of the field Part I will explore **The Earth Charter, Ecological Integrity and Social Movements** Laura Westra, Mirian Vilela, 2014-06-20 The Earth Charter is a declaration of fundamental ethical principles for building a just sustainable and peaceful global society with ecological integrity as a major theme This book provides a series of analyses of ecological integrity as it relates to the Earth Charter social movements and international law for human rights It is shown how the Earth Charter project began as a United Nations initiative but it was carried forward and completed by a global civil society initiative The drafting of the Earth Charter involved the most inclusive and participatory process of its time ever associated with the creation of an international declaration This process is the primary source of its legitimacy as a guiding ethical framework The Earth Charter was finalized and then launched in 2000 and its legitimacy has been further enhanced by its endorsement by over 6 500 organizations including many governments and international organizations In the light of this legitimacy an increasing number of international lawyers recognize that the Earth Charter is acquiring the status of a soft law document The book also shows the strong connection between ecological integrity and social justice particularly in the defence of indigenous people and includes contributions from both the North and the global South specifically from Central and South America **Radical Ecology** Carolyn Merchant, 2012-10-02 This is a new edition of the classic examination of major philosophical ethical scientific and economic roots of environmental problems which examines the ways that radical ecologists can transform science and society in order to sustain life on this planet It features a new Introduction from the author a thorough updating of chapters and two entirely new chapters on recent Global Movements and Globalization and the Environment **Vision** , 1914 [Visions of a New Earth](#) Professor Harold Coward, Harold Coward, Daniel C. Maguire, Professor of Theological Ethics Daniel C Maguire, 2000-01-01 Brings together world religion scholars and creative international economists to address the current eco crisis *The Spirit of the Quakers* Geoffrey Durham, 2010-11-16 Who are the Quakers what do they believe and what do they practice The Religious Society of Friends also known as Quakers believes that everyone can have a direct experience of God Quakers express this in a unique form of worship that inspires them to work for change in themselves and in the world In *The Spirit of the Quakers* Geoffrey Durham himself a Friend explains Quakerism through quotations from writings that cover 350 years from the beginnings of the movement to the present day Peace and equality are major themes in the book but readers will also find thought provoking passages on the importance of action for social change the primacy of truth the value of simplicity the need for a sense of community and much more The quoted texts convey a powerful religious impulse courage in the face of persecution the warmth of human relationships and dedicated perseverance in promoting just causes The extended quotations have been carefully selected from well known Quakers such as George Fox William Penn John Greenleaf

Whittier Elizabeth Fry and John Woolman as well as many contemporary Friends Together with Geoffrey Durham s enlightening and sympathetic introductions to the texts the extracts from these writers form an engaging often moving guide to this accessible and open hearted religious faith **The Spirit of Zen** Sam van Schaik,2019-01-08 An engaging introduction to Zen Buddhism featuring a new English translation of one of the earliest Zen texts Leading Buddhist scholar Sam van Schaik explores the history and essence of Zen based on a new translation of one of the earliest surviving collections of teachings by Zen masters These teachings titled The Masters and Students of the Lanka were discovered in a sealed cave on the old Silk Road in modern Gansu China in the early twentieth century All more than a thousand years old the manuscripts have sometimes been called the Buddhist Dead Sea Scrolls and their translation has opened a new window onto the history of Buddhism Both accessible and illuminating this book explores the continuities between the ways in which Zen was practiced in ancient times and how it is practiced today in East Asian countries such as Japan China Korea and Vietnam as well as in the emerging Western Zen tradition *Climate Crisis and Creation Care* Christine Nellist,2021-09-28 This volume considers the interconnectedness of all creatures in relation to our planetary boundaries Through our constant consumption of resources we have had a distinctly negative impact on the world around us affecting everything from the weather food availability sea levels and the social fabric of our society This book explores how we arrived at such an unstable world and offers ecological theological and economically sustainable solutions to a global crisis
