National Library of Medicine (U.S.)

Sacred Bond The Legacy Of Baby M:

Sacred Bond Phyllis Chesler, 1990 *Radical Visionaries: Feminist Therapy Pioneers, 1970-1975* Claudia Pitts, Debra M. Kawahara, 2018-10-08 *Radical Visionaries* documents and honours those feminist therapy pioneers of the 1970s who moved the mental health establishment and possibly the world through radical action to begin to consider women as fully human. It is remarkable today even in these difficult times to realize how far we have come and to know it was these women who galvanized this move forward toward self exploration and equality. As we move into the current era of feminism and social justice it is imperative to pause to consider how these second wave feminist pioneers gave us feminist therapy and all that followed from it. From the earliest stages of the movement feminists used consciousness raising which moved into the notion of the egalitarian therapy and ultimately led toward a cultural shift towards female empowerment and the groundswell of women into clinical psychology programs. These founding feminist therapists impacted structures including the criminal justice system, divorce proceedings, domestic violence services, education, medicine, and banking. This book highlights these women's stories told by the pioneers themselves as they forged the trail for those of us who follow them. This book was originally published as a special issue of *Women Therapy*. **Who's Fit to be a Parent?** Mukti Jain Campion, 2005-06-29 In recent years the notion of parenting and parenthood have increasingly come under examination from the media and professionals and in particular government and politicians. More and more parents are being held to account by society for their failure to deliver the sort of citizens it wants. But what are parents supposed to be doing? Are there some people that are inherently unfit to be parents and does there exist a body of knowledge that defines fit parenting? Who's fit to be a parent? covers this highly topical and important subject in a stimulating and accessible way that cuts across numerous professional disciplines and opens up the boundaries between professional and personal expertise on parenting. It is essential reading for any professional or student of social work and social policy, those working in the voluntary services concerned with the family, social policy makers, and for anyone interested in understanding what it means to be a parent today. *Current Catalog* National Library of Medicine (U.S.), 1992-10 **Feminist Nightmares: Women At Odds** Susan Ostrov Weisser, 1994-10-01 Though all women are women, no woman is only a woman, wrote Elizabeth Spelman in *The Inessential Woman*. Gone are the days when feminism translated simply into the advocacy of equality for women. Women's interests are not always aligned; race, class, and sexuality complicate the equation. In recent years, feminist ideologies have become increasingly diverse. Today one feminist's most ardent political opponent may well be another feminist. As feminism grows increasingly diverse, the time has come to ask a painful and frequently avoided question: what does it mean for women to oppress women? This pathbreaking provocative anthology addresses this troublesome dilemma from various feminist perspectives, offering an interdisciplinary collection of writings that widens our understanding of oppression to take into account women who are at odds. The book examines the social, political, and psychological ramifications of this phenomenon as evidenced in a range of texts from

women's antislavery writing to women's anti-abortion writing from mother-daughter incest stories to maternal surrogacy narratives from the Bible to the popular romance novel from Jane Austen to Alice Walker. The value of the volume is perhaps best summed up by an early response to the idea: This is a book that should never be written; feminists should concentrate on how men oppress women. Ironically, it is precisely because the subject triggers such responses, the authors argue, that a volume such as *Feminist Nightmares* has become a necessity.

Ectogenesis Scott Gelfand, John R. Shook, 2006 This book raises many moral, legal, social, and political questions related to possible development in the near future of an artificial womb for human use. Is ectogenesis ever morally permissible? If so, under what circumstances? Will ectogenesis enhance or diminish women's reproductive rights and/or their economic opportunities? These are some of the difficult and crucial questions this anthology addresses and attempts to answer.

Issues in Reproductive Technology Helen B. Holmes, 1994-08 A remarkable collection of scholarly essays, philosophical discussions, and ethical arguments concerning reproductive choices. Choice: It seems as if every week there is a new case involving reproductive technologies that raises provocative, often painful questions. What policies should be followed by centers that preserve human embryos? Are such innovations as Norplant improvements over established methods of contraception? Should RU-486 be available in the U.S.? Is prenatal diagnosis an ethically acceptable step to limiting the number of disabled people? These are just some of the vital questions explored in this timely work, which offers incisive analysis of the plethora of issues raised by advances in reproductive medicine. The book's major sections cover abortion, contraception, cryopreservation of gametes and embryos, surrogate motherhood, and psychosocial issues of in vitro fertilization. In each section, introductory essays by recognized authorities such as Elizabeth Bartholet and Andrea L. Bonnickson are followed by critical articles by professionals in such fields as women's health, medicine, biology, sociology, politics, and philosophy. In assessing a technology, the authors present well-argued analyses of problems created by that technology, including views from advocates and practitioners that raise attendant ethical and practical issues.

Feminist Approaches To Bioethics Rosemarie Putnam Tong, 2018-02-05 No other cluster of medical issues affects the genders as differently as those related to procreation, contraception, sterilization, abortion, artificial insemination, in vitro fertilization, surrogate motherhood, and genetic screening. Yet the moral diversity among feminists has led to political fragmentation, foiling efforts to create policies that are likely to serve the interests of the largest possible number of women. In this remarkable book, Rosemarie Tong offers an approach to feminist bioethics that serves as a catalyst, bringing together varied perspectives on choice, control, and connection. Emphasizing the complexity of feminist debates, she guides feminists toward consensus in thought, cooperation in action, and a world that would have no room for domination and subordination. Tong fairly and comprehensively presents the traditions of both feminist and nonfeminist ethics and bioethics. Although feminist approaches to bioethics derive many insights from nonfeminist ethics and bioethics, Tong shows that their primary source of inspiration is feminist ethics, leading feminist bioethicists to ask the so-called woman question in order to raise

women's consciousness about the systems structures and relationships that oppress them Feminist bioethicists are naturally committed to acting locally in the worlds of medicine and science But their different feminist voices must also be raised at the policy table in order to make gender equity a present reality rather than a mere future possibility Inability to define a plan that guarantees liberation for all women must not prevent feminists from offering a plan that promises to improve the welfare of many women Otherwise a perspective less appealing to women may fill the gap **Feminist Thought** Rosemarie Tong, 2013-10-08 In this survey of feminist theory Rosemarie Tong provides coverage of the psychoanalytic existential and postmodern schools of feminism The author guides the reader through the complexities of even the most notoriously difficult thinkers Students will meet and become familiar with many of the essential figures in the feminist tradition from Wollstonecraft and Engel on through de Beauvoir Dinnerstein and Daly and up to Mitchell and Cixous The text treats all views with respect and encourages students to think critically and sympathetically about a wide range of views that have a direct relevance to their own lives *Women and Madness* Phyllis Chesler, 2018-09-04 Feminist icon Phyllis Chesler's pioneering work *Women and Madness* remains startlingly relevant today nearly fifty years since its first publication in 1972 With over 2.5 million copies sold this landmark book is unanimously regarded as the definitive work on the subject of women's psychology Now back in print this completely revised and updated edition adds perspectives on eating disorders postpartum depression biological psychology important feminist political findings female genital mutilation and more

Feminism, Media, and the Law Martha Fineman, Martha T. McCluskey, 1997 A collection of essays that explores how the media represents women in relation to the law eg abortion race surrogacy on trial and as lawyers Deals solely with American law and media Woman's Inhumanity to Woman Phyllis Chesler, 2009-05-01 Man's inhumanity to man the phrase is all too familiar But until Phyllis Chesler's now classic book a profound silence prevailed about woman's inhumanity to woman Women's aggression may not take the same form as men's but girls and women are indeed aggressive often indirectly and mainly toward one another They judge harshly hold grudges gossip exclude and disconnect from other women Like men women are exposed to the messages of misogyny and sexism that permeate cultures worldwide Like men women unconsciously buy into negative images that can trigger abuse and mistreatment of other women But like other social victims many do not realize stereotyping affects members within the victimized group as well as those outside the group They do not realize their behavior reflects society's biases How women view and treat other women matters Are women oppressed Yes Do oppressed people internalize their oppressors attitudes Without a doubt Prejudice must first be acknowledged before it can be resisted or overcome More than men women depend upon one another for emotional intimacy and bonding and exclusionary and sexist behavior enforces female conformity and discourages independence and psychological growth Continuing the pioneering work begun in *Women and Madness* Chesler's bestselling book that broke the story on double standards in psychology *Woman's Inhumanity to Woman* draws on important studies revolutionary theories literature and

hundreds of original interviews Chesler urges us to look within to treat other women realistically ethically and kindly and to forge bold and compassionate alliances This is a necessary next step for women without which they will never be liberated

An American Bride in Kabul Phyllis Chesler, 2013-10-01 Few westerners will ever be able to understand Muslim or Afghan society unless they are part of a Muslim family Twenty years old and in love Phyllis Chesler a Jewish American girl from Brooklyn embarked on an adventure that has lasted for more than a half century In 1961 when she arrived in Kabul with her Afghan bridegroom authorities took away her American passport Chesler was now the property of her husband's family and had no rights of citizenship Back in Afghanistan her husband a wealthy westernized foreign college student with dreams of reforming his country reverted to traditional and tribal customs Chesler found herself unexpectedly trapped in a posh polygamous family with no chance of escape She fought against her seclusion and lack of freedom her Afghan family's attempts to convert her from Judaism to Islam and her husband's wish to permanently tie her to the country through childbirth Drawing upon her personal diaries Chesler recounts her ordeal the nature of gender apartheid and her longing to explore this beautiful ancient and exotic country and culture Chesler nearly died there but she managed to get out returned to her studies in America and became an author and an ardent activist for women's rights throughout the world *An American Bride in Kabul* is the story of how a naive American girl learned to see the world through eastern as well as western eyes and came to appreciate Enlightenment values This dramatic tale re-creates a time gone by a place that is no more and shares the way in which Chesler turned adversity into a passion for world-wide social educational and political reform

A Politically Incorrect Feminist Phyllis Chesler, 2018-08-28 A powerful and revealing memoir about the pioneers of modern day feminism Phyllis Chesler was a pioneer of Second Wave Feminism Chesler and the women who came out swinging between 1972-1975 integrated the want-ads brought class action lawsuits on behalf of economic discrimination opened rape crisis lines and shelters for battered women held marches and sit-ins for abortion and equal rights famously took over offices and buildings and pioneered high-profile Speak-outs They began the first ever national and international public conversations about birth control and abortion sexual harassment violence against women female orgasm and a woman's right to kill in self-defense Now Chesler has juicy stories to tell The feminist movement has changed over the years but Chesler knew some of its first pioneers including Gloria Steinem Kate Millett Flo Kennedy and Andrea Dworkin These women were fierce forces of nature smoldering figures of sin and soul rock stars and action heroes in real life Some had been viewed as whores witches and madwomen but were changing the world and becoming major players in history In *A Politically Incorrect Feminist* Chesler gets chatty while introducing the reader to some of feminism's major players and world-changers

Ethics in Biomedical Research Matti Häyry, Tuija Takala, Peter Herissone-Kelly, 2007 This book deals with the international assessment and regulation of biomedical research In its chapters some of the leading figures in today's bioethics address questions centred on global development scientific advances and vulnerability The series *Values In Bioethics* makes available original

philosophical books in all areas of bioethics including medical and nursing ethics health care ethics research ethics environmental ethics and global bioethics

Intimate Citizenship Ken Plummer, 2011-10-01 Solo parenting in vitro fertilization surrogate mothers gay and lesbian families cloning and the prospect of designer babies Viagra and the morning after pill HIV AIDS the global porn industry on line dating services virtual sex whether for better or worse our intimate lives are in the throes of dramatic change In this thought provoking study sociologist Ken Plummer examines the transformations taking place in the realm of intimacy and the conflicts the intimate troubles to which these changes constantly give rise In surveying the intimate possibilities now available to us and the issues swirling around them Plummer focuses especially on the overlap of public and private Increasingly our most private decisions are bound up with public institutions such as legal codes the medical system or the media What impact does the increasingly public character of personal life have on our sense of ourselves and on how we view our own intimate choices To navigate our way through a world in which people's private lives are so often subject to public scrutiny and debate and in which the public sphere is increasingly pluralized and contested we must broaden our understanding of what it means to be a citizen Through the idea of intimate citizenship Plummer sets an important agenda for the years to come

Risking who One is Susan Rubin Suleiman, 1994 Risking Who One Is shows how the process of self recognition even self construction in the reading of contemporary work can lead to larger considerations about culture and society to the dimensions of historical awareness and collective action The book gives us a new way of looking at issues that are as personal as they are prevalent in the writing the criticism and the life of our times

Women's Rights in the United States Tiffany K. Wayne, 2014-12-09 A comprehensive encyclopedia tracing the history of the women's rights movement in the United States from the American Revolution to the present day Few realize that the origin of the discussion on women's rights emerged out of the anti slavery movement of the 19th century and that suffragists were active in the peace and labor movements long after the right to vote was granted Thus began the confluence of activism in our country where the rights of women both followed and led the social and political discourse in America Through 4 volumes and more than 800 entries editor Tiffany K Wayne with advising editor Lois Banner examine the issues people and events of women's activism from the early period of American history to the present time This comprehensive reference not only traces the historical evolution of the movement but also covers current issues affecting women such as reproductive freedom political participation pay equity violence against women and gay civil rights

Uncertain Terms Faye Ginsburg, Lowenhaupt Tsing, 1992-08-31 No separate and extended discussion of lesbianism but some of the writers e g Ellen Lewin p 199 et seq are open to including lesbians in their discussions Again no index alas P Thorslev

Infertility Around the Globe Marcia C. Inhorn, Frank van Balen, 2002-05-30 These essays examine the global impact of infertility as a major reproductive health issue one that has profoundly affected the lives of countless women and men The contributors address a range of topics including how the deeply gendered nature of infertility sets the blame on

women s shoulders

Sacred Bond The Legacy Of Baby M Introduction

In today's digital age, the availability of Sacred Bond The Legacy Of Baby M books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Sacred Bond The Legacy Of Baby M books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Sacred Bond The Legacy Of Baby M books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Sacred Bond The Legacy Of Baby M versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Sacred Bond The Legacy Of Baby M books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Sacred Bond The Legacy Of Baby M books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Sacred Bond The Legacy Of Baby M books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and

making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Sacred Bond The Legacy Of Baby M books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Sacred Bond The Legacy Of Baby M books and manuals for download and embark on your journey of knowledge?

FAQs About Sacred Bond The Legacy Of Baby M Books

1. Where can I buy Sacred Bond The Legacy Of Baby M books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Sacred Bond The Legacy Of Baby M book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Sacred Bond The Legacy Of Baby M books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.

5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Sacred Bond The Legacy Of Baby M audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Sacred Bond The Legacy Of Baby M books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
