

The Sacred Hoop

Paula Gunn Allen

"In the beginning was thought, and her name was Woman. The Mother, the Grandmother, recognized from earliest times into the present among those people of the Americas who kept to the oldest traditions, is celebrated in social structures, architecture, law, customs, and the oral tradition. To her we owe our lives, and upon her claims our ability to endure, regardless of the countless assaults we face on Her being, for the past five hundred years of colonization. She is the Old Woman who leads the lives of life. She is the Old Woman/leader who weaves us together in a fabric of interconnection. She is the Elder/God, the one who Remembers and Re-members; and through the history of the past five hundred years has taught us listeners and helpings: right, we endure into the present, alive, certain of our significance, certain of her continuity, her identity as the Sacred Hoop of Being."

—from Part One

"Informing a local intelligence, wit and warmth, this book brings to light important information about women's power in American Indian life."

—Louise Erdrich
author of *Love Medicine*

"Paula Gunn Allen writes with grace, style, and great originality. *The Sacred Hoop* is a valuable and ground-breaking book."
