Sacred Quest L. Robert Keck, 2000 Transformations promote our individual spiritual emergence but cause great distress Using his deep value research Robert Keck investigates the causal values that shape human culture determining why certain thought and behavior patterns become dominant He discovers that the human soul has evolved through three stages a childhood lasting from 35 000 to 10 000 years ago an adolescence from 10 000 years ago to the present and an emerging adulthood into which we are presently maturing Keck explains the sources of our unique confusion and examines the spiritually adolescent values that are dying so that adult ones can be born True Inclusion Brandan Robertson, 2018-09-11 So your church website says you re welcoming a rainbow flag flies out front worship uses gender inclusive language and you make sure you greet the stranger next to you on Sunday mornings But is all of that really enough And what if those welcoming gestures actually keep visitors from returning and exclude dozens of other groups or people in your community In True Inclusion public theologian and pastor Brandan Robertson shares how to move your church from mere welcome to radical embrace Pointing to a clear biblical imperative for radical inclusivity in the sanctuary and in the public square Robertson presents a paradigm shifting vision of community where nothing is simple nothing is easy but everything is beautiful Learn practical step by step approaches to becoming deeply robustly and richly inclusive of all people regardless of race gender identity sexual orientation political affiliation and socioeconomic status Written for people and communities at every stage of the journey *True Inclusion* will challenge and inspire you to embody a gospel of radical embrace for all *God is in Hell* Gemma Grott, 2003 Enmeshed in revolutionary politics and faced with imminent death it took a series of extraordinary spiritual encounters to bring Grott to a dramatic change of life direction She did not realize she had been on a life long quest for the answer to Where was God during the Holocaust until she found her answers In her search for meaning and then healing and reconciliation she gives us a rare opportunity to witness the extremes of behavior a seeker may turn to before finding a way to end the cycle of assault and retribution This unusual story is told from an integrated heartfelt political and spiritual perspective Where All Our Journeys End C. Lynn Anderson, 2008-03 *Where All Our Journeys End* Searching for the Beloved in Everyday Life explores our need to connect and reconnect with the Divine and all that has been graced by her In these writings we remember who and what we are in our blessings of being human beings entrusted to co create human beings who are divine sparks of the divine essence human beings who love passionately love all of creation For the Beloved is our ultimate destiny where all our journeys truly do end This book captures the audience with the grace of God Goddess as the reader is taken chapter by chapter on a journey into healing Written in a passionate holistic voice with personal and professional stories *Where All Our Journeys End* projects a natural rhythm expressed in the ebb and flow of its prose and poetry which transforms thinking into being and doing for the Beloved in discovery and recovery **ADVANCED REVIEWS AND ENDORSEMENTS** C Lynn Anderson makes a highly significant contribution to the understanding and
