Adamson, 2002-01-23 Religious hypocrites wage holy war while the faithful wait expecting a Messiah Christ Buddha Avatar Imam Mahdi to come Meanwhile however prophecy is being fulfilled in a way they did not expect As Jesus foretold the present day messenger of God was first rejected by his generation but will now finally guide you unto all truth and show you things to come As John wrote he is of your brethren and has the testimony of Jesus As Isaiah wrote he will deliver judgment but unlike Jesus he will not make his voice heard in public It is his pen that will finally prove mightier than the sword because the weapons of his warfare are not carnal but mighty through God for dealing with the forces of hate greed hypocrisy intolerance and injustice Here finally is a voice with real authority telling the truth that will expose the ignorance and hypocrisy of the fundamentalist Religious Right make the greedy rich ashamed bring low the proud and militant and enable the humble and meek to inherit the earth A New Reformation will enable all religions to serve their true purpose and enable all governments to finally be of for and by the people Then rather than be divided by rivalry for the throne we will all share the throne as equal joint heirs to God's New Kingdom which shall be set up on the earth and last forever never to be destroyed That is what real prophecy foretells and thus it shall be

J. Rushdoony,Gary North,David Ketchen,Thomas Molnar,Mark Wyndham,Diana Lynn Walzel,F. Seth Dyrness,Jean C. Blasdale,Greg Bahnsen,2019-03-22 Witchcraft occultism paranormal science and mysticism are growing like plagues in the Western world These phenomena have baffled modern educators and conventional rationalists since such activities seem to be completely opposed to everything that the public schools have taught for over a hundred years Worst of all in the minds of conventional secularists all this discussion of demonic forces may lead to an even more appalling conclusion the idea that God also a supernatural force may reappear in the modern post Christian world At all costs a God who can make himself felt in time and on earth must be avoided Mysticism is one thing totally internalized but supernatural forces are not supposed to have any impact on external so called phenomenal affairs Occultism is another form of humanism It is the product of the quest for power apart from God and His law order It was not a major force in the so called Dark Ages Not until the fifteenth century did witchcraft become a serious problem in Europe and it was the Renaissance not medievalism which sparked the great explosion of demonism and magic in the sixteenth century During the period of the early Middle Ages A D 500 1000 there were practically no signs of witchcraft in Europe Only with the revival of ancient Gnosticism and the invasion of Middle Eastern dualism did signs of widespread witchcraft reappear Occultism and humanism are not sworn enemies they are first cousins It was only the influence of Christian principles which laid such stress on the orderliness of God s universe that made possible the confidence of modern rationalists in denying the influence of supernatural forces As the confidence in creation law has waned in this century

rational humanism has become increasingly unsuccessful in retarding the expansion of occult humanism This Journal of Christian Reconstruction offers readers the necessary evidence for a refutation of the familiar charge that occultism and religion necessarily go together and that only a hard headed rationalism can restrain the forces of spiritual anarchy Far from retarding occultism modern rationalism s blindness to the reality of occult forces is now creating a perverse inquisitiveness on the part of modernism s children who have learned to be critical of everything including old fashioned rationalism The philosophy of the open universe closed to God has produced the new occult experimentalism If anything except Christian orthodoxy might be true why not find out through personal observation and experiment Since 1965 the Western world has faced the greatest explosion of occultism that it has seen in three hundred years This time no one can blame orthodox Christianity it has been the secularists who have wielded the power *CS04 Ancient Masonry* C.
