Sacred Virgin The Holy Whore:

The Sacred Virgin and the Holy Whore Anthony Harris,1988-01-01 *The Frankensteinzation, Draculafiction and Lust Temptation of Christ* Jim K. K. Wong,2013-05-18 The hardcore views and lampoons presented here are entirely my own ruthlessly analyzed and synthesized mainly from New Testament sources If you ask me why I write such a nasty book my retort is why do the Gospel narrators write such bad asinine pious fucking fiction Why were the Gospel writers not serious and why do they make a joke of their god Jesus St Matthew should either be awarded Most Asinine Religious Writer of the Millennium or be sodomized with a broomstick Theologians are extremely lousy analytic thinkers For example they and the educated Christians dont even know or dare to answer this sticky question over 2 000 years Judas betrayed Jesus but what was the substance of the betrayal Was it over the stupid limpud Sermons on the Mount the Parable of Hidden Treasure or Parable of the Pearl of Great Price Be prepared for a rough ride This is PPG rated Pastor et Parental Guidance **Jesus, Prince of Hell** Adam Weishaupt,2013-01-26 You many think you know everything you need to know about the historical figure Jesus Christ but every cherished belief you have is false Jesus Christ is a fraud For a start his name wasn t Jesus Christ but Yehoshua ben Yosef And just as his name is a fiction designed to disguise the truth so is everything else about him We will demonstrate the following 1 The central promise of Christianity the resurrection of the dead is utterly wrong The Christian Gospels demonstrate conclusively that Jesus Christ was reincarnated 2 Jesus Christ was the central figure in one of the most audacious plots in history 3 He was head of an Elite Family that wished to rule the world The Family exists to this day 4 Jesus Christ was the leader of an army that sought to overthrow Roman rule in Judea He was executed as a violent revolutionary attempting to set himself up as a king 5 Judas the infamous traitor was the brother of Christ The greatest lie in history has endured too long **The Turin Shroud** Lynn Picknett,Clive Prince,2007-03-13 Long held to be Jesus burial garb the Shroud of Turin has been the most fiercely guarded and oft debated religious relic in the history of Christianity These authors contend that the image on the shroud is not Jesus of Nazareth but Leonardo da Vinci Photos *The Firstborn of God* Gail Allison Evans,2000-05-20 The Firstborn of God is an in depth yet concise look at the contradictions in the Bible This book may well have the answers that you have been looking for Throughout history our religious beliefs have been instrumental in shaping our social and political strictures Whether we are devout or not the fundamental philosophies of any give religion will dictate the way in which we interact with each other on a mental social and political level Most of the Western world is no exception and has based its theology on a text known as The Bible But what is The Bible Is it a collection of scrolls written by a group of old men Or is it the word of God as so many claim it to be If the Bible really is the word of God then it should follow that the chapters and verses will be clear cut easily understood and lack ambiguity But this is not the case The Bible is ambiguous and many of its texts contradict each other which in turn implies that the scribes who wrote them had differing views on the divine word of God as well as differing social and political philosophies *Essays on the Bible* Michael

Ledo,2010-04-12 Formerly titled Bible Bloopers Evidence that Demands a Verdict Too This is a collection of essays about the Bible from a skeptic This was originally written in the 1990 s for the Atlanta Freethought Society The book was a sellout It has been out of print until now The commentary has been updated and revised Ledo examines numerous pop theories about Jesus and dismisses them Many essays are the accepted scholarly notions about the Bible which are translated into layperson s language Michael is also a bit of a heretic even among his peers He also looks at rejected theories about the Bible and endorses them Michael Ledo is author of the landmark book On Earth as it is in Heaven The Cosmic Roots of the Bible

The Secret Astrology of the Bible Michael Ledo,2010-05-02 The Secret Astrology of the Bible by Michael Ledo is a landmark book that will change the way the scholarly community and the general public views the Bible history and myth Epic in scope this provocative book explores the connections between religious belief and cosmic theory even as it attempts to explain contradictions and irregularities in the text The Bible states Ledo was constructed as a living document with much of its text expanded as time went on If readers stripped away this added material they could actually be left with an Early Bronze Age text over a thousand years older than what is currently accepted by scholars This text suggests Ledo would be a veritable cosmic myth which follows the constellations with stories in a contiguous fashion that combine both history and myth Originally sold as On Earth as it is in Heaven The Cosmic Roots of the Bible **Relic, Icon or Hoax?** Harry E Gove,1996-01-01 Interest in the Turin Shroud continues to the present day even though it was finally carbon dated in 1988 and shown not to be of an age consistent with Christ s burial Scientifically the age of the shroud cloth is of little consequence but to the general public it is of considerable significance The author Harry E Gove is a co inventor of accelerator mass spectrometry and was responsible for its use in establishing whether the Turin Shroud could have been Christ s burial cloth Relic Icon or Hoax Carbon Dating the Turin Shroud presents an eyewitness account of the events that culminated in the final determination of the age of the linen cloth of the Turin Shroud and some of the subsequent reactions to the results The book discusses the application of accelerator mass spectrometry to the carbon dating of the Turin Shroud using samples only a few
