The Ramblings of a Merry Heart Harold William Marihart,2013-07-03 Although his earliest days were spent in a town author Harold William Marihart had the dream of one day becoming a farmer From very young age he enjoyed helping his grandparents and others with the chores on their farms In The Ramblings of a Merry Heart Marihart narrates these and many other stories from his eighty years In this memoir he shares some of the highlights of his life his birth in small town Minnesota in 1931 being raised as an only child attending school helping with farm chores earning money as a produce salesman at age seven buying his first car becoming a sailor meeting his wife navigating parenthood and realizing his dream of owning a ranch Including photos The Ramblings of a Merry Heart includes descriptions of true events and anecdotes from

Mariharts long life It is eighty years of love and laughter bound into one book *Gifts from the Storm* Camila Abbot,2015-11-03 Camila was an unhappily married mother of three when her oldest child was diagnosed with cancer This tragic event sent a shockwave throughout her existence propelling her upward out of her disappointed complacency in life and into a broader realm of examination It would call her to question all her previous beliefs beginning with the true nature of love Once this portal of exploration was opened she began to hear a voice whispering through it to her a voice not of this world but of the spiritual dimension This voice she realized had been whispering to her all her life trying to guide her on her journey toward truth though in the cacophony of societal distractions she had unfailingly ignored it In the midst of a tumultuous inner storm it spoke to her once more through the open door of her grief but this time she was able to listen Weaving through the emotional landscape of personal experience combined with the ethereal wisdom of a spiritual presence in our lives this book has the power to help readers reimagine their own personal struggles within the scope of a wider dimension a dimension that is always available to us as a guide You will finish reading this book with a feeling of having expanded your awareness and with a deeper understanding of love and its power to transcend all things even death

Elements Unlimited - Volume B Brian Swingle,2012-12-25 Book 2 in a series of 20 books as the story continues the plot thickens and our hero faces trials and such mysteries of life to which none could have fathomed Well not really but life is as life always has been ETERNAL LOVE WITH RISHI AND SHALU , This is a soulful love story between Rishi and Shalu One fine day unexpectedly they get married without communicating or knowing each other properly Hustled within with fear tension and confusion their love story begins Let's read and understand how they both sail in the ocean of life with love trust and responsibility on each other This is not just a normal love story it's an experience of true love when two inseparable eternal souls connect with each other I dedicate this story to the eternal lovers Radha Krishna *Welcome to the Grief Club* Janine Kwok,2022-02 A different and very modern kind of grief book not a book about how to grieve but rather a reflection and affirmation of how we grieve with thoughtful writing and a graphic approach Janine Kwok's expression of her grief experience alongside universal truths allow readers to laugh cry take what's useful and leave what's not and ultimately feel more seen and less alone *Coderspeak* Guilherme Orlandini Heurich,2024-04-22 Software applications have taken over our lives We use and are used by software many times a day Nevertheless we know very little about the invisibly ubiquitous workers who write software Who are they and how do they perceive their own practice How does that shape the ways in which they collaborate to build the myriad of apps that we use every day Coderspeak provides a critical approach to the digital transformation of our world through an engaging and thoughtful analysis of the people who write software It is a focused and in depth look at one programming language and its community Ruby based on ethnographic research at a London company and conversations with members of the wider Ruby community in Europe the Americas and Japan This book shows that the place people write code the language they write it in and the stories shared by that community are crucial in

questioning and unpacking what it means to be a coder Understanding this social group is essential if we are to grasp a future and a present in which computer programming increasingly dominates our lives Praise for Coderspeak Heurich perfectly captures the generous camaraderie quirky spirit and intellectual curiosity at the heart of the Ruby world Packed with tidbits of Ruby history code snippets and fascinating conversations this book has something to teach every Rubyist Jemma Issroff Ruby Core Team **Shivers** Thomas Warner,2022-09-13 It is about two happy people having purchased their dream home at last only for the woman to discover that that same house the husband just bought for their retirement home is the same house she went to have an illegal abortion in when she was just fourteen years of age And of course it all comes back to haunt her and everyone around her **Letters from a Rocking Chair** J. D. Patterson,2011-06-17 Through letters Jane Wilkinson describes her life as a pioneer Iowa farm lady She was born during the Civil War and died eighty nine years later She bore seven children and although widowed she became the anchor of her family Her steady pursuit of self reliance and the importance of family and steadfastness reflected qualities which have never gone out of fashion Her credo was life is only boring if you're bored with life a condition she never allowed As a child she came to Iowa in a covered wagon and her many descendants continue her legacy How to Go On Living When Someone You Loves Dies Therese A.
