Balochistan and the Mélange of Violence Seema Khan, 2023-11-10 This book presents a comprehensive analysis of the intricate security situation prevailing in Balochistan. It explores and establishes correlations between the internal structural vulnerabilities and fault lines of the Pakistani state with the external influences exerted on the region. Employing a rigorous examination of both primary and secondary data, the volume critically examines the multifaceted nature of organised violence in Balochistan. In addition to separatist movements, the presence of religious militancy and cross border terrorism is thoroughly examined. The book delves into the external involvement of regional and global powers in the intricate tapestry of violence within Balochistan, thereby shedding light on the emerging geopolitical landscape and the corresponding power dynamics in the region. It also analyses how the implementation of largescale developmental initiatives, particularly facilitated by China under the auspices of the China Pakistan Economic Corridor CPEC, has elevated the geostrategic significance of Balochistan while simultaneously entangling it in the vortex of regional power politics. This volume will be of interest to scholars and researchers specializing in geopolitics, International Relations, and South Asian studies.

Night Of The Hatchet A.W. Hammock, 2014-11-21 When former Delta Force Operator Caleb Cook uncovers a plot involving a deadly terrorist cell partnered with a ruthless drug cartel, his life and the lives of his family and countrymen will be in constant danger unless Cook can stay one step ahead of the violent men planning to use a deadly weapon to strike deep into the heart of America.

Balochistan Fida Hussain Malik, 2020-10-14 Balochistan has been facing innumerable challenges since Pakistan's independence. Resentment and socio-political turmoil in Baloch society have been fueled by the federation's denial of Balochistan's rightful share of resources and funds. A recognition of this injustice by the state has long been needed. Fida Hussain Malik's book is a seminal work providing deep insights into the issues of Balochistan. It will help create a deeper understanding and promote a well-integrated Federation-Province relationship.
