Saddam Hussein President Of Iraq:

Saddam Hussein: President of Iraq , The American Broadcasting Co Inc presents the 2001 article entitled Saddam Hussein President of Iraq Iraqi President Saddam Hussein 1937 has been the political leader of Iraq for the past two decades While the controversial president claims to be leading his people to new glory Iraq is bankrupt and the country is under economic sanctions Hussein has been a member of the socialist Baath party since his years as a student Hussein led revolts during his rise to power Saddam Hussein Shiva Balaghi,2006 Explains key aspects of Saddam Hussein s life within the context of the history of Iraq in the twentieth century **Saddam Hussein** Efraim Karsh,Inari Rautsi,2007-12-01 Probably the best biography of Saddam Hussein it presents a coherent view of a man who has generated a good deal of mythology Roger Hardy BBC World Service Authors Efraim Karsh and Inari Rautsi experts on Middle East history and politics have combined their expertise to write what is largely considered the definitive work on Iraq s fifth president Drawing on a wealth of Iraqi Arab Western and Israeli sources including interviews with people who have had close contact with Saddam Hussein throughout his career the authors trace the meteoric transformation of an ardent nationalist and obscure Ba ath party member into a dictator and geopolitical player From Saddam s key role in the violent coup that brought the Ba ath party to power to the Iran Iraq War the Gulf War and beyond Karsh and Rautsi present a detailed biography that skillfully interweaves analysis of Gulf politics and history Now with a new introduction and epilogue this authoritative biography is essential for understanding the life and influence of this modern tyrant **Saddam Hussein** Dale Anderson,2004 A biography of the powerful president of Iraq Saddam Hussein whose rule began in 1979 with a coup and the assassination of sixty six men who were allegedly conspiring against him **Death of a Dictator** Tanushree Podder,2008 On the life and times of Saddam Hussein 1937 2006 former president of Iraq Debriefing the President John Nixon,2016-12-27 Debriefing the President presents an astounding candid portrait of one of our era s most notorious strongmen John Nixon the first man to conduct a prolonged interrogation of Hussein after his capture offers expert insight into the history and mind of America s most enigmatic enemy In December 2003 after one of the largest most aggressive manhunts in history US military forces captured Iraqi president Saddam Hussein near his hometown of Tikrit Beset by body double rumors and false alarms during a nine month search the Bush administration needed positive identification of the prisoner before it could make the announcement that would rocket around the world At the time John Nixon was a senior CIA leadership analyst who had spent years studying the Iraqi dictator Called upon to make the official ID Nixon looked for telltale scars and tribal tattoos and asked Hussein a list of questions only he could answer The man was indeed Saddam Hussein but as Nixon learned in the ensuing weeks both he and America had greatly misunderstood just who Saddam Hussein really was After years of parsing Hussein s leadership from afar Nixon faithfully recounts his debriefing sessions and subsequently strips away the mythology surrounding an equally brutal and complex man His account is not an apology but a sobering examination of how

preconceived ideas led Washington policymakers and the Bush White House astray Unflinching and unprecedented Debriefing the President exposes a fundamental misreading of one of the modern world s most central figures and presents a new narrative that boldly counters the received account **Saddam Hussein** Felicia Okeke-Ibezim,2006-10 **Leaders and Their Followers in a Dangerous World** Jerrold M. Post,2004 Post is a pioneer in the field of political personality profiling He may be the only psychiatrist who has specialized in the self esteem problems of both Osama bin Laden and Saddam Hussein The New Yorker Policy specialists and academic scholars have long agreed that for U S leaders to deal effectively with other actors in the international arena they need images of their adversaries Leaders must try to see events and indeed their own behavior from the perspective of opponents Faulty images are a source of misperceptions and miscalculations that have often led to major errors in policy avoidable catastrophes and missed opportunities History supplies all too many examples from the ForewordWhat impels leaders to lead and followers to follow How did Osama bin Laden the son of a multibillionaire construction magnate in Saudi Arabia become the world s number one terrorist What are the psychological foundations of man s inhumanity to man ethnic cleansing and genocide Jerrold M Post contends that such questions can be answered only through an understanding of the psychological foundations of leader personality and political behavior Post was founding director of the Center for the Analysis of Personality and Political Behavior for the CIA He developed the political personality profiles of Menachem Begin and Anwar Sadat for President Jimmy Carter s use at the Camp David talks and initiated the U S government s research program on the psychology of political terrorism He was awarded the Intelligence Medal of Merit in 1979 for his leadership of the center In this book he draws on psychological and personality theories as well as interviews with individual terrorists and those who have interacted with particular leaders to discuss a range of issues the effects of illness and age on a leader s political behavior narcissism and the relationship between followers and a charismatic leader the impact of crisis induced stress on policymakers the mind of the terrorist with a consideration of killing in the name of God and the need for enemies and the rise of ethnic conflict and terrorism in the post Cold War environment The leaders he discusses include Fidel Castro Osama bin Laden Saddam Hussein Kim Jong Il and Slobodan Milosevic Saddam Hussein Charles J. Shields,2003-12-01 Accounts of the leaders whose ideas and actions have changed the course of history Examines each person s life in the context of the politics of the time Saddam Hussein Paul J. Deegan,Rosemary Wallner,1991 Life of Saddam Hussein **Saddam Hussein's Speeches** Naz Sab,2019-06-02 Saddam Hussein the overthrown President of Iraq has been characterized as the madman of the Middle East needs no introduction However to be really able to fathom the depth of darkness he inside his mind which enabled him to unleash the dictatorial terror he unleashed one should listen from the horses mouth Saddam Hussein the dear leader has explained the extremity of his actions as President of Iraq as necessary to achieve subjective immunity against foreign plots and influences All actions of the revolution are justified by the exceptionalism of revolutionary needs An investigation of Saddam Hussein s life and career

reveals this is merely the justification for a lifelong pattern all actions are justified if they are in the service of furthering Saddam Hussein's needs and ambitions Nothing must stand in the great struggler's messianic path as he pursues his and Iraq's so called revolutionary destiny as summarized by this extract from Saddam Hussein's remarkable Victory Day message of 6 August 1990 This is the only way to deal with these despicable Croesuses who relished possession to destroy devotion who were guided by the foreigner instead of being guided by virtuous standards principles of pan Arabism and the creed of humanitarianism The second of August is the legitimate newborn child of the struggle patience and perseverance of the Kuwaiti people which was crowned by revolutionary action on that immortal day The newborn child was born of a legitimate father and an immaculate mother Greetings to the makers of the second of August whose efforts God has blessed They have achieved one of the brightest most promising and most principled national and pan Arab acts Two August has come as a very violent response to the harm that the foreigner had wanted to perpetrate against Iraq and the nation The Croesus of Kuwait and his aides became the obedient humiliated and treacherous dependents of that foreigner What took place on 2 August was inevitable so that death might not prevail over life so that those who were capable of ascending to the peak would not be brought down to the abysmal precipice so that corruption and remoteness from God would not spread to the majority Honor will be kept in Mesopotamia so that Iraq will be the pride of the Arabs their protector and their model of noble values This book will enlighten the reader about what was going on inside the head of the madman Saddam Hussein Congressional Record United States. Congress,2004 The Kuwait Crisis E. Lauterpacht,C. J. Greenwood,Marc Weller,Daniel Bethlehem,1991 This volume of documents relates to the legal aspects of the international crisis arising out of the Iraqi invasion of Kuwait in August 1996 *Saddam Hussein* Andrew Cockburn,Patrick Cockburn,2002 The idea of direct invasion is the greatest threat to Saddam It avoids the problems of securing local allies inside and outside Iraq which bedevil any indirect approach to get rid of him But it has one immense disadvantage from the US point of view if the US invades Iraq to install its own government it will be taking direct physical control of an area containing more than half the world's oil reserves It will look like the founding of a new American empire based on physical force and will be deeply resented It would outrage the Arabs at a moment when the Israel Palestine conflict is in a particularly bloody phase America could find that it has overplayed its hand just as Saddam did when he invaded Kuwait twelve years ago From the new Prologue At the outset of the 1991 Gulf War US leaders resolved the Iraqis will pay the price so long as Saddam Hussein remained in power This book makes chillingly clear just how terrible that price has been Eleven years ago Saddam was caught by surprise his preparations since September 11 show that lessons have been learnt In a substantial new prologue the authors analyse these preparations and the terrifying consequences of a military invasion of Iraq **Weekly Compilation of Presidential Documents** ,1998 Saddam Hussein Charles J. Shields,2005 Describes the life of the leader of Iraq from his childhood through his rise to power the Iran Iraq War the Persian Gulf War to his ongoing presidency **Instant Empire** Simon Henderson,1991 Traces

the life of Saddam Hussein from his birth in a mud hut village through his defeat in the war over Kuwait **Disarming Iraq**
Glen Segell, 2004 **Saddam Hussein and the Crisis in the Gulf** Judith Miller, Laurie Mylroie, 1990 Examines the rise of
Hussein his influence in Iraq his invasion of Kuwait and the threat he poses for the stability of the Middle East **Saddam**
