Twenty First Century Blues Richard Cecil, 2004-08-30 Death fame art and religion become comic subjects in *Twenty First Century Blues* the fourth collection from Richard Cecil Whether elegizing his predecessors predicting his own end channeling Dickinson's corpse eye view of stony death or imagining Yeats living in Indiana and dealing with English department politics Cecil tempers his morbidity with a straightforward tender brand of humor and a refreshing honesty about the shelf life of contemporary poetry Deadpan and dark yet pulsing with the spirit of life these poems speak of historic France Italy and Switzerland where religious persecutions ancient catastrophes and other less personal failures overshadow the disappointments and shortcomings of the poet's modern life in the Midwest Grimly cheered by these revelations Cecil shows that poets like cicadas screaming in the summer air won't shut up until we're skeletons

Don't Play on the Trestle John J. Bowman, 2012-10 I want to introduce myself to the world Hi my name is Ritchie C McPhee Sr Bahamian by birth but still just a mortal human being A MAN a man like any other man This is not a memoir just me looking at the world through my eyes This is just an insight into the way I think the way I reason the way I rationalize and try to make sense of this world that we live in Some of you might be surprised at my interpretation of what I'm seeing some might be in denial while others might have the same interpretations and simply just don't care All I want to do is raise the conscious thinking of man and hopefully learn a little more about myself as I grow through this book
