Banalization of Nihilism Karen Leslie Carr,1992-01-01 After a historical and conceptual overview of the changing face of
nihilism in the last century Carr examines Nietzsche s diagnosis of nihilism as modernity s major crisis She then compares
the responses to nihilism given by the early Karl Barth and by Richard Rorty To some nihilism is losing its crisis connotations
and becoming simply an unobjectionable characteristic of human life Carr argues that this transformation ultimately
absolutizes community preference and reflects an increasing inability to criticize and change the existing structures of
thought The author contends that the uncritical acceptance of nihilism which characterizes much of postmodernism ironically
culminates in its complete opposite dogmatism Gesammelte Werke Friedrich Gottlieb Klopstock,1893 The National
