Sg Criminal Justice:

LEAA United States. Law Enforcement Assistance Administration, A History of Human Rights Society in Singapore Jiyoung Song, 2017-05-08 To celebrate Singapore's fiftieth anniversary for its independence from Malaysia in 1965, students, academics, and activists came together to discuss and write about pioneering Singaporean human rights activists and their under-reported stories in Singapore. The city-state is known for its remarkable economic success while having strict laws on individual freedom in the name of national security, public order, and racial harmony. Singapore's tough stance on human rights, however, does not negate the long and persistent existence of a human rights society that is little known to the world until today. This volume, composed of nine distinctive chapters, records a history of human rights activists, their campaigns, main contentions with the government, survival strategies, and other untold stories in Singapore's first 50 years of state building.

Gangs and Minorities in Singapore Narayanan Ganapathy, 2023-12-21 This book is a unique ethnographic study of a racially exclusive Malay Muslim gang, Omega, which has its roots in Singapore's prisons and controls much of the illicit drug trade in the state. Similar to indigenous peoples elsewhere, Singapore Malays are disproportionately represented in the criminal justice system and can respond to structural marginalization and colonization through gang involvement. In demonstrating that gang membership can be an adaptive strategy for minority groups, this book promotes a more inclusive and restorative justice model for people with repeat convictions.

Do Exclusionary Rules Ensure a Fair Trial? Sabine Gless, Thomas Richter, 2019-04-17 This open access publication discusses exclusionary rules in different criminal justice systems. It is based on the findings of a research project in comparative law with a focus on the question of whether or not a fair trial can be secured through evidence exclusion. Part I explains the legal framework in which exclusionary rules function in six legal systems: Germany, Switzerland, People's Republic of China, Taiwan, Singapore, and the United States. Part II is dedicated to selected issues identified as crucial for the assessment of exclusionary rules. These chapters highlight the delicate balance of interests required in the exclusion of potentially relevant information from a criminal trial and discuss possible approaches to alleviate the legal hurdles involved.

Social Policy in Post-Industrial Singapore Kwen Fee Lian, Chee-Kiong Tong, 2008-03-31 Notwithstanding the lean years that followed 1986 and 1997, sustained economic growth since the late 1970s has propelled Singapore into the post-industrial age and reproduced the demographic and social structure of advanced western societies. The rapid shift to a knowledge-intensive economy requiring highly skilled services has resulted in a two-speed society consisting of a highly competitive but rewarding sector and a marginalized population that is increasingly at risk. Being avowedly anti-welfarist, the state, for ideological reasons, has resisted pressures to introduce a comprehensive welfare regime for its risk population, preferring to privilege its productive citizenry. Is Singapore a counterfactual to the convergence thesis by preferring to put in place a social policy driven by the belief of its leaders that the more successful a society is, the more it is able to care for those who fall behind?

Judiciary-led Reforms in Singapore Waleed Haider Malik,2007-01-01 While each countrys judiciary is unique in its individual needs capabilities and contexts the lessons learned from Singapores success can help guide judicial reform initiatives regionally as well as globally No one would suggest that Singapores strategy is a magic formula that if followed can erase the inefficiencies of all judiciaries But it would be wise to examine the strategies used and lessons learned from Singapores experience as a potential guide towards successful and sustainable judicial reform **Proceedings of the Board of Supervisors of Ulster County** Ulster County (N.Y.).
