American Passages Edward L. Ayers,David M. Oshinsky,Jean R. Soderlund,2006 AMERICAN PASSAGES places a unique emphasis on cause and effect relationships over time in a complete compelling narrative Rather than categorizing facets of historical change into ahistorical abstractions such as themes or topics AMERICAN PASSAGES emphasizes the intertwined nature of three key characteristics of time sequence simultaneity and contingency With an unparalleled sense of clarity and purpose the authors convey how events grow from other events people s actions and broad structural changes sequence how apparently disconnected events occurred in close chronological proximity to one another and were situated in larger shared contexts simultaneity and how history suddenly pivoted because of events personalities and unexpected outcomes contingency To further highlight this unique framework this text includes two new essay features Flashpoints take a closer look at pivotal events specific to a given time and place These events emphasize contingency and show students how key events personal decisions have influenced historical outcomes over time The Enduring Issues feature traces topics across time to emphasize how recurring patterns appear in different forms as time changes the context Both features help students understand the historical significance of pivotal events and recurring patterns over time By grasping these concepts students can better apply historical lessons to their own lives AMERICAN PASSAGES is available in the following splits American Passages Comprehensive Third Edition Chapters 1 32 ISBN 0495050156 American Passages Volume I To 1877 Third Edition Chapters 1 16 ISBN 0495050628 American Passages Volume II Since 1863 Third Edition Chapters 15 32 ISBN 0495050636
