Page of Swords Christine Cazaly, 2023-11-25 A vanished falcon A splintered kingdom A boy caught between loyalty and legacy Four years ago Dominic was just a starving stable boy with a tragic past Now he walks the Court of Air as an outsider a knight in name only desperate to prove himself worthy of the queen who raised him from obscurity But Queen Petronella's reign is far from secure Though she banished the Shadow Mage Epera remains torn between its magically blessed few and the rising Citizen class who reject magic and resent the Queen who restored it When the queen's legendary falcon the Grayling disappears Dominic seizes the chance to prove his worth But the search draws him into the heart of a deeper conspiracy and a whispered prophecy He who holds the Grayling holds the crown Now with rebellion simmering and dark forces stirring once more Dominic must walk a knife's edge between honour and obedience magic and fear For the fate of Epera doesn't rest on thrones alone but in the choices of those brave enough to defy both past and prophecy Page of Swords is Book Two in Saga of the Swords an emotionally charged fantasy epic where rebellion runs deeper than blood and the battle for magic is far from over From the first page I was hooked and could not put this book down Goodreads Review If you love action adventure and compelling characters give Page of Swords a go It's a captivating read Amazon Review Dominic's journey as Epera's hero continues in the Knight of Swords where heroes are forged and destinies are written in steel and sacrifice
