Greidanus proceeds by discussing twenty two psalms in the Revised Common Lectionary Year A supplying the building blocks

addition to laying out basic homiletical theological approaches suitable for each selected psalm these chapters also provide

contemporary context      THE LOST BOOKS OF THE BIBLE DR. PAUL CRAWFORD,2025-10-01 Rediscovering the Forgotten  
Voice of Faith Through these pages we have walked among the echoes of ancient wisdom texts once read by prophets  
apostles and early believers who longed to understand the mysteries of God The so called Lost Books of the Bible are not lost  
to time but to tradition They reveal a larger world of devotion prophecy and revelation that deepens our understanding of  
Scripture s unfolding story Each book whether the Book of Enoch Wisdom of Solomon Sirach Judith or Bel and the Dragon  
testifies to the same eternal truth that God s Spirit is never bound by the limits of men or the walls of religion His revelation  
continues through ages through voices humble and holy through those who sought righteousness even when the world  
turned away The Light That Cannot Be Hidden Though these writings were excluded from some biblical canons they preserve  
a light that refuses to die Their message stands in harmony with the Law the Prophets and the Gospel reminding us that  
divine truth transcends human classification In them we find warnings to the proud comfort to the humble and wisdom for  
every generation We see that the same God who spoke through Moses Isaiah and Paul also stirred the hearts of Enoch Tobit  
and the Maccabees The Word of God is living and active and every faithful word whether preserved in Hebrew Greek  
Aramaic or Ethiopian points back to Him who is the Word made flesh A Message for the Modern Believer In an age of  
confusion and division these forgotten writings call us back to holiness repentance and faith They remind us like Manasseh s  
prayer that no one is beyond forgiveness They teach through Judith s courage that faith can topple empires They reveal  
through Wisdom and Sirach that true understanding begins with the fear of the Lord They affirm through the Apocalypses  
that God s justice will prevail and His kingdom will have no end The world changes but the cry of the righteous remains the  
same Teach us O Lord to walk in Your ways and to know Your truth The Word That Endures Forever The so called lost books  
are a mirror of the divine plan though hidden they were never destroyed Though silenced they were never forgotten They  
remain as witnesses of God s unbroken communication with mankind proof that His truth endures from generation to

generation These writings urge every reader to seek God earnestly to test all things by His Spirit and to treasure the wisdom that leads to eternal life For those who listen they are not lost books at all but found treasures of divine revelation Final Reflection The journey through these ancient texts reminds us that faith is larger than any canon and that God s revelation cannot be contained within the limits of ink and parchment The same God who spoke to Adam in Eden to Enoch in visions to Moses on Sinai and to John on Patmos still speaks today through His Word through His Spirit and through every heart that seeks Him To rediscover these writings is to rediscover a piece of ourselves a reminder that the story of God and humanity is still being written one soul at a time Key Lesson Nothing that belongs to God is ever truly lost Truth may be buried but it cannot die Every hidden word will rise again in the light of the One who said Heaven and earth will pass away but My words will never pass away Matthew 24 35     *Mind* ,1902     **Form of Prayers ...** ,1874     **Celtic Blessings** Laurence Wareing,2020-05-28 Writing well over a thousand years ago the Celtic saints and their followers who penned them reflected not just the cares and concerns of their own times but also gave voice to the universal human experience the hopes fears joys and anxieties that are as much part of modern existence as they were in the Dark Ages Meditations on birth death and everything else that comes in between as well as comments on the rhythms of everyday life are mixed with musings on the natural world the divine and of course the eternal questions that everyone asks
