Lord Leverhulme A Biography:

Lord Leverhulme W. P. Jolly, 1976 *Lord Leverhulme* W. P. Jolly, 1976 So clean Brian Lewis, 2017-10-03 This book is an unorthodox biography of William Hesketh Lever 1st Lord Leverhulme 1851 1925 the founder of the Lever Brothers Sunlight Soap empire Unlike previous biographies which have focused on the man's life story and eccentricities or just considered one aspect of his career So clean places him squarely in his social and cultural context and is fully informed by recent historical scholarship Much more than a warts and all biography the book uses Lever as an entry point for contextualized and comparative essays on the history of advertising on factory paternalism town planning the Garden City movement and their ramifications across the twentieth century and on colonialism and forced labour in the Belgian Congo and the South Pacific It concludes with a discussion of his extraordinary attempt in his final years to transform crofting and fishing in the Outer Hebrides Written in an engaging and accessible style So Clean will appeal to academics and students working in business social cultural and imperial history *Viscount Leverhulme* William Hulme Lever Leverhulme (Viscount), 1927 **Lord Leverhulme's Ghosts** Jules Marchal, 2017-01-31 The definitive account of exploitation in the Congo introduced by Adam Hochschild In the early twentieth century the worldwide rubber boom led British entrepreneur Lord Leverhulme to the Belgian Congo Warmly welcomed by the murderous regime of King Leopold II Leverhulme set up a private kingdom reliant on the horrific Belgian system of forced labour a programme that reduced the population of Congo by half and accounted for more deaths than the Nazi Holocaust In this definitive meticulously researched history Jules Marchal exposes the nature of forced labour under Lord Leverhulme's rule and the appalling conditions imposed upon the people of Congo With an extensive introduction by Adam Hochschild *Lord Leverhulme's Ghosts* is an important and urgently needed account of a laboratory of colonial exploitation **A History of Leadership** Morgen Witzel, 2019-12-06 The evolution of leadership into a widely accepted concept occurred without any shared understanding and acceptance of its meaning and relevance in contemporary society Why do some people become leaders What is the source and legitimacy of leadership power This book journeys into the heart of the relationship between leaders and followers the social space and the arena where both contest and collaboration take place and leadership itself is played out In the book Morgen Witzel moves beyond traditional traits and skills framing offering a fresh historical analysis that involves many different actors with different motives and needs By analysing the evolution of power relationships the book analyses the interactions around how power is used and control is bargained for to illuminate the centrepiece of leadership A wide ranging history of a slippery subject this book provides students scholars and reflective practitioners with an empirical historical base on which to test their own ideas and experiences *Debrett's Bibliography of Business History* Stephanie Zarach, 1987-06-18 **Management History** Morgen Witzel, 2010-01-21 *Management History* is not simply a book about the history of business or even the history of management The goal of this book is to demonstrate that despite the relative newness of management science as an

academic subject management has been around since ancient times Through understanding the history of management both in practice and theory one is able to approach the complex and challenging problems of modern management from a new perspective The book not only traces the development of management from history to the present day but also examines the way this evolution impacts how management is practiced today and how it may develop in the future It incorporates case studies from around the world cutting across a range of time periods from the Egyptian royal tomb builders of Deir el Medina to H J Heinz Cadbury Brothers and Tata Steel Management History is ideal for instructors wishing to incorporate historical content and analysis into management education courses modules and training programs particularly at the MBA level and higher

Fifty Key Figures in Management Morgen Witzel,2003 A collection of biographies of fifty people who have helped make management what it is today

The Historical Geography of Scotland Since 1707 David Turnock,2005-08-04 This is the first book to take a comprehensive view of the historical geography of Scotland since the Union The period is divided into sections separated by the Napoleonic Wars and the First World War and each section offers a general view followed by detailed studies giving a balanced coverage of regional and urban rural criteria and the economic infrastructure The book contains a number of original researches and Dr Turnock attempts to set the Scottish experience in a framework of general ideas on modernisation

Reader's Guide to British History David Loades,2020-12-17 The Reader sGuide to British History is the essential source to secondary material on British history This resource contains over 1 000 A Z entries on the history of Britain from ancient and Roman Britain to the present day Each entry lists 6 12 of the best known books on the subject then discusses those works in an essay of 800 to 1 000 words prepared by an expert in the field The essays provide advice on the range and depth of coverage as well as the emphasis and point of view espoused in each publication

The Lonely Quest of Unilever's CEO Paul Polman Jeroen Smit,2023-07-25 When Paul Polman became the CEO of the multinational Unilever in 2009 he set out on a quest to convince his colleagues his board and the outside world that companies do not have the right to exist if their only purpose is making money More importantly he set out to prove that a company could in fact be both profitable and sustainable The Great Battle or The Lonely Quest of Unilever s CEO Paul Polman investigates how Polman navigated between making money and doing the right thing Smit convincingly argues that Polman was too far ahead of his time but that his ideas about responsible capitalism are the very thing we need to turn the tide

Free Churches and Society Lesley Husselbee,Paul Ballard,2012-07-05 Many of the key improvements to social conditions in the United Kingdom have been made by Christians Most of us would be able to think of such key Anglican figures as William Wilberforce Anthony Ashley Cooper Earl of Shaftesbury or Dr Thomas Barnardo but lesser known contributions were made behind the scenes by significant members of the Non Conformist Churches This book traces the Free Church contribution to society from 1800 to the present day It looks at the work of campaigners co operative societies philanthropists and politicians and traces the ways in which conditions in slums education and industry were improved including work with women and with black and ethnic

minorities There is a growing interest in the part the churches can play today in community development and in the building of social capital This book will show that some of the things now seen as government initiatives had their origins in the work of Free Church pioneers *Museums and Biographies* Kate Hill,2014 Exploring the relationship between museums and biographies this collection of essays examines examples from the early 19th century to the present day **The Unitarian Register** ,1925 *Design Culture in Liverpool, 1880-1914* Christopher Crouch,2002-01-01 By the 1930s the Liverpool School of Architecture was the most famous British school of architecture in the world promoting modern architecture and city planning internationally This book looks at the cultural environment in Liverpool at the turn of the twentieth century which enabled such an important institution to come to fruition It examines attitudes towards design practice through the work of patrons practitioners institutions and theorists in the city and considers the way their ideas were formed by national and international trends From a city microcosm of contesting design aesthetics emerged a unique synthesis that was to exert a profound international influence in architectural and planning design **Design Culture in Liverpool 1888-1914** Christopher Crouch,1999-04-01 By the 1930s the Liverpool School of Architecture was the most famous British school of architecture in the world promoting modern architecture and city planning internationally This book looks at the cultural environment in Liverpool at the turn of the twentieth century which enabled such an important institution to come to fruition It examines attitudes towards design practice through the work of patrons practitioners institutions and theorists in the city and considers the way their ideas were formed by national and international trends From a city microcosm of contesting design aesthetics emerged a unique synthesis that was to exert a profound international influence in architectural and planning design **Joseph Hubertus Pilates.
