Ministry in the Marketplace Michael S. Kocurek, 2010-04 Become a minister in the marketplace Ministry in the Marketplace Joining Your Personal Faith and Professional Life shows how to bridge the divide between calling and career If you ever wondered whether or not God could work wonders in your workplace then this is the book for you Quit leaving the ministry to professional ministers and start reaching people in your sphere of influence We were made to represent God and touch people's lives and when we don't do what we were created to do we are left feeling empty and dissatisfied Yet this book is more than just about purpose but also a practical discussion about how to really walk with God as a minister in the marketplace Those that are not called to the full time ministry still have a real calling to reach out to others on God's behalf because we were created to touch the world with the love of God That does not mean we have to be in a pulpit ministry but that our daily lives are our pulpit and the people around us our congregation Inside this revolutionary book author Michael Kocurek reveals It is God's will for us to minister to people around us even while we are on the job A godly definition of success doesn't exalt work at the expense of God's purposes We have placed too much of the work of ministry on the pastor of the local church Michael Kocurek is a husband father and marketplace minister who expresses his Christianity through the vocation of professional selling A graduate of Texas Tech University Michael has committed his life to communicating the message of marketplace ministry He resides in Albuquerque New Mexico with his wife and four children To learn more or to order copies of his book visit www.ministryinthemarketplace.com **Called to Marketplace Discipleship** , **Lord of**

expectations and pressures with conviction poise and integrity You may feel discouraged uncertain and alone as a woman of faith in the marketplace This path is not always popular or easy nor is it for the faint of heart But be assured If you believe in Him trust Him and follow Him your calling in the marketplace is undoubtedly divine especially if you are open to and focused on the One who beckons you God is with you as you work and this book is a tool that can help guide you along the path to success The receptionist the mail clerk the human resources manager the chief executive officer the financial consultant these are all legitimate titles indeed especially when you understand that you have been strategically positioned and generously equipped for God s ministry right where you are whatever your professional designation You lead by serving you serve by leading and you are called to minister with a power that transcends all labels and definitions Within these pages you will be encouraged to consider the possibilities and will ultimately be challenged to embrace your kingdom purpose
