Losing the Sacred David Torevell, 1998 **The Trauma of Monastic Reform** Alison I. Beach, 2017-11-02 This book opens a window on the lived experience of monastic reform in the twelfth century Drawing on a variety of textual and material sources from the south German monastery of Petershausen it begins with the local process of reform and moves out into intertwined regional social political and ecclesiastical landscapes Beach reveals how the shock of reform initiated decades of anxiety at Petershausen and raised doubts about the community's communal identity its shifting internal contours and boundaries and its place within the broader spiritual and social landscapes of Constance and Swabia The Trauma of Monastic Reform goes beyond reading monastic narratives of reform as retrospective expressions of support for the deeds and ideals of a past generation of reformers to explore the real human impact that the process could have both on the individuals who comprised the target community and on those who lived for generations in its aftermath **Reforming the Liturgy** John F. Baldovin, 2016-03-24 2009 Catholic Press Association Award Winner Perhaps no liturgical scholar of our time is better able than John Baldovin to write with clarity and accuracy about the meaning of the church's liturgy and the history of its development in the last half century In this summary volume on the reform of the liturgy since the Second Vatican Council Baldovin pinpoints and assesses both sympathetically and critically the objections to changes in the liturgy since the council focusing on philosophical historical critical and theological questions After addressing each criticism in turn in a final chapter he assesses the critique of post Vatican II liturgy as a whole affirming what is accurate and necessary rejecting what is backward looking and proposing a set of principles to guide future development No one who studies or participates in

liturgical action in the twenty first century can afford to overlook this book John F Baldovin SJ is professor of historical and liturgical theology at Boston College School of Theology and Ministry His most recent books include Bread of Life Cup of Salvation and The Urban Character of Christian Worship

Towards a New Catholic Church in Advanced Modernity Staf Hellemans, Jozef Wissink, 2012 A new Catholic Church is emerging in the West one that is very different from the Church before 1960 This book describes the new Church in the making its new position in society its new structuring and workings and its new frame of mind The book also looks in a prospective way at some basic issues the Church has to deal with such as imagining the Church in advanced modernity attracting both youth and adults rebuilding local communities refashioning liturgy and rethinking pastoral guidance The book is the result of an interdisciplinary endeavor by philosophers sociologists and theologians Series Tilburg Theological Studies Tilburger Theologische Studien Vol 5

Sacred Liturgy Dom Alcuin Reid, 2014-05-04 The Sacred Liturgy is not a hobby for specialists It is central to all our endeavors as disciples of Jesus Christ This profound reality cannot be over emphasized We must recognize the primacy of grace in our Christian life and work and we must respect the reality that in this life the optimal encounter with Christ is in the Sacred Liturgy With these words Bishop Dominique Rey of Fr jus Toulon France opened Sacra Liturgia 2013 an international conference in which he brought together over twenty leading liturgists cardinals bishops and other scholars from around the world to emphasize the centrality of liturgical formation and celebration in the life and mission of the Church The New Evangelization must be founded on the faithful and fruitful celebration of the Sacred Liturgy as given to us by the Church in her tradition Western and Eastern Bishop Rey asserted Sacra Liturgia 2013 the proceedings of which this book publishes explored questions of liturgical art architecture music the ars celebrandi the importance of ritual in human psychology truly pastoral liturgy the place of the older liturgical rites in the New Evangelization liturgical formation liturgical law the role of the diocesan bishop in respect of the liturgy and more Sacred Liturgy The Source and Summit of the Life and Mission of the Church is an important resource in ongoing liturgical formation for clergy religious and laity and makes a significant contribution to that renewal promoted in the Pontificate of Benedict XVI That is the renewal which embraces the riches of liturgical tradition as valuable treasures seeks to read the Second Vatican Council according to a hermeneutic of continuity not rupture and is in no doubt that as Joseph Cardinal Ratzinger once wrote the true celebration of the Sacred Liturgy as the center of any renewal of the Church

The Language of Liturgy David Jasper, 2025-01-28 How language works in the worship of the church has been vigorously debated during the period of liturgical revision in the twentieth century coming at the end of what is known as the Liturgical Movement Focussing upon the Church of England and the Anglican tradition this book traces the history of liturgical language as it begins in the early Church but with particular emphasis upon the English Reformation liturgies their
