Joining his daily hunt is Nelly Zhang an artist whose husband disappeared mysteriously years before Tom met her. Although Nelly helps him search for his beloved pet Tom isn't sure if he should trust this new friend. Tom has preoccupations other than his book and Nelly and his missing dog mainly concerning his mother who is suffering from the various indignities of old age. He is constantly drawn from the cerebral to the primitive by his mother's infirmities as well as by Nelly's attractions. *The Lost Dog* makes brilliant use of the conventions of suspense and atmosphere while leading us to see anew the ever-present conflicts between our bodies and our minds the present and the past the primal and the civilized *Lost Dogs* Garrett Carr, 2010-11-01

Reading textbook series organized by thematic units utilizes award-winning unabridged trade book literature to teach reading and language arts competency to students grades K-5 The Lost Dogs Jim Gorant, 2011-09-06

An inspiring story of survival and our powerful bond with man's best friend in the aftermath of the nation's most notorious case of animal cruelty. Animal lovers and sports fans were shocked when the story broke about NFL player Michael Vick's brutal dog fighting operation. But what became of the dozens of dogs who survived? As acclaimed writer Jim Gorant discovered their story is the truly newsworthy aspect of this case. Expanding on Gorant's Sports Illustrated cover story *The Lost Dogs* traces the effort to bring Vick to justice and turns the spotlight on these infamous pit bulls which were saved from euthanasia by an outpouring of public appeals coupled with a court order that Vick pay nearly a million dollars in restitution to the dogs. As an ASPCA led team evaluated each one they found a few hardened fighters but many more lovable friendly creatures desperate for compassion. In *The Lost Dogs* we meet these amazing animals a number of which are now living in loving homes while some even work in therapy programs. Johnny Justice participates in Paws for Tales which lets kids get comfortable with reading aloud by reading to dogs. Leo spends three hours a week with cancer patients and troubled teens. At the heart of the stories are the rescue workers who transformed the pups from victims of animal cruelty into healing caregivers themselves unleashing priceless hope.
