The Lost Kings Amy Licence, 2017-08-01 The century spanning the wars of the roses and the reigns of the Tudor kings was a volatile time of battle and bloodshed execution and unexpected illness Life could be nasty brutish and short Some met their end in battle others were dragged to the block losing everything for daring to aspire to the throne Some were lost in mysterious circumstances like Edward V the elder of the Princes in the Tower But the majority of these young men died in their teens on the brink of manhood They represent the lost paths of history the fascinating what ifs of the houses of York and Tudor They also diverted the route of dynastic inheritance with all the complicated implications that could bring passing power into some unlikely hands This book examines ten such figures in detail using their lives to build a narrative of this savage century

New Worlds, Lost Worlds Susan Brigden, 2002-09-24 No period in British history has more resonance and mystery today than the sixteenth century New Worlds Lost Worlds brings the atmosphere and events of this great epoch to life Exploring the underlying religious motivations for the savage violence and turbulence of the period from Henry VIII's break with Rome to the overwhelming threat of the Spanish Armada Susan Brigden investigates the actions and influences of such near mythical figures as Elizabeth I Thomas More Bloody Mary and Sir Walter Raleigh Authoritative and accessible New Worlds Lost Worlds the latest in the Penguin History of Britain series provides a superb introduction to one of the most important compelling and intriguing periods in the history of the Western world

Lost Plays in Shakespeare's England D. McInnis, M. Steggle, 2014-10-22 Lost Plays in Shakespeare's England examines assumptions about what a lost play is and how it can be talked about how lost plays can be reconstructed particularly when they use narratives already familiar to playgoers and how lost plays can force us to reassess extant plays particularly through ideas of repertory
