JOHN D'EMILIO

Lost Prophet The Life And Times Of Bayard Rustin

Steven F. Lawson

Lost Prophet The Life And Times Of Bayard Rustin:

Lost Prophet John D'emilio,2010-05-11 Bayard Rustin is one of the most important figures in the history of the American civil rights movement Before Martin Luther King before Malcolm X Bayard Rustin was working to bring the cause to the forefront of America s consciousness A teacher to King an international apostle of peace and the organizer of the famous 1963 March on Washington he brought Gandhi s philosophy of nonviolence to America and helped launch the civil rights movement Nonetheless Rustin has been largely erased by history in part because he was an African American homosexual Acclaimed historian John D Emilio tells the full and remarkable story of Rustin s intertwined lives his pioneering and public person and his oblique and stigmatized private self It was in the tumultuous 1930s that Bayard Rustin came of age getting his first lessons in politics through the Communist Party and the unrest of the Great Depression A Quaker and a radical pacifist he went to prison for refusing to serve in World War II only to suffer a sexual scandal His mentor the great pacifist A J Muste wrote to him You were capable of making the mistake of thinking that you could be the leader in a revolution at the same time that you were a weakling in an extreme degree and engaged in practices for which there was no justification Freed from prison after the war Rustin threw himself into the early campaigns of the civil rights and anti nuclear movements until an arrest for sodomy nearly destroyed his career Many close colleagues and friends abandoned him For years after Rustin assumed a less public role even though his influence was everywhere Rustin mentored a young and inexperienced Martin Luther King in the use of nonviolence He planned strategy for the Southern Christian Leadership Conference until Congressman Adam Clayton Powell threatened to spread a rumor that King and Rustin were lovers Not until Rustin s crowning achievement as the organizer of the 1963 March on Washington would he finally emerge from the shadows that homophobia cast over his career Rustin remained until his death in 1987 committed to the causes of world peace racial equality and economic justice Based on more than a decade of archival research and interviews with dozens of surviving friends and colleagues of Rustin s Lost Prophet is a triumph Rustin emerges as a hero of the black freedom struggle and a singularly important figure in the lost gay history of the mid twentieth century John D Emilio s compelling narrative rescues a forgotten figure and brings alive a time of great hope and great tragedy in the not so distant past The Advocate ,2003-09-02 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States **The Struggle for Equality** Orville Vernon Burton,Jerald E. Podair,Jennifer L. Weber,2011 This collection of essays organized around the theme of the struggle for equality in the United States during the nineteenth and twentieth centuries also serves to honor the renowned Civil War historian James McPherson Complete with a brief interview with the celebrated scholar this volume reflects the best aspects of McPherson s work while casting new light on the struggle that has served as the animating force of his lifetime of scholarship With a chronological span from the 1830s to the 1960s the contributions bear witness to the continuing vigor of the argument over

equality Contributors Let Us Fight as Free Men Christine Knauer, 2014-03-07 Today the military is one the most racially diverse institutions in the United States But for many decades African American soldiers battled racial discrimination and segregation within its ranks In the years after World War II the integration of the armed forces was a touchstone in the homefront struggle for equality though its importance is often overlooked in contemporary histories of the civil rights movement Drawing on a wide array of sources from press reports and newspapers to organizational and presidential archives historian Christine Knauer recounts the conflicts surrounding black military service and the fight for integration Let Us Fight as Free Men shows that even after their service to the nation in World War II it took the persistent efforts of black soldiers as well as civilian activists and government policy changes to integrate the military In response to unjust treatment during and immediately after the war African Americans pushed for integration on the strength of their service despite the oppressive limitations they faced on the front and at home Pressured by civil rights activists such as A Philip Randolph President Harry S Truman passed an executive order that called for equal treatment in the military Even so integration took place haltingly and was realized only after the political and strategic realities of the Korean War forced the Army to allow black soldiers to fight alongside their white comrades While the war pushed the civil rights struggle beyond national boundaries it also revealed the persistence of racial discrimination and exposed the limits of interracial solidarity Let Us Fight as Free Men reveals the heated debates about the meaning of military service manhood and civil rights strategies within the African American community and the United States as a whole Julian Bond's Time to Teach Julian Bond, 2021-01-12 A masterclass in the civil rights movement from one of the legendary activists who led it Compiled from his original lecture notes Julian Bond s Time to Teach brings his invaluable teachings to a new generation of readers and provides a necessary toolkit for today s activists in the era of Black Lives Matter and MeToo Julian Bond sought to dismantle the perception of the civil rights movement as a peaceful and respectable protest that quickly garnered widespread support Through his lectures Bond detailed the ground shaking disruption the movement caused its immense unpopularity at the time and the bravery of activists some very young who chose to disturb order to pursue justice Beginning with the movement s origins in the early twentieth century Bond tackles key events such as the Montgomery bus boycott the Little Rock Nine Freedom Rides sit ins Mississippi voter registration the Sixteenth Street Baptist Church Bombing the March on Washington the Civil Rights Act Freedom Summer and Selma He explains the youth activism community ties and strategizing required to build strenuous and successful movements With these firsthand accounts of the civil rights movement and original photos from Danny Lyon Julian Bond s Time to Teach makes history come alive Martin Luther King Jr. John A. Kirk, 2014-06-06 Combining the latest insights from KIng biographies and movement histories this book provides an up to date critical analysis of the relationship between King and the wider civil rights movement Delivering a fresh perspective on the relationship between the man and the movement Kirk argues that it is the interaction between national and local movement concerns that is essential to

understanding King's leadership and black activism in the 1950s and 1960s Kirk examines King's strengths and his limitations and weighs the role that King played in the movement alongside the contributions of other civil rights organizations and leaders and local civil rights activists Suitable for undergraduate courses in 20th century US history

Blue-Collar Empire Jeff Schuhrke, 2024-10-22 How the CIA used American unions to undermine workers at home and subvert democracy abroad Blue Collar Empire tells the shocking story of the AFL CIO's global anticommunist crusade and its devastating consequences for workers around the world Unions have the power not only to secure pay raises and employee benefits but to bring economies to a screeching halt and overthrow governments Recognizing this in the late twentieth century the US government sought to control labor movements abroad as part of the Cold War contest for worldwide supremacy In this work Washington found an enthusiastic partner in the AFL CIO's anticommunist officials who in a shocking betrayal for decades expended their energies to block revolutionary ideologies and militant class consciousness from taking hold in the workers movements of Europe Latin America Africa and Asia **Race Capital?** Andrew M. Fearnley, Daniel Matlin, 2018-11-27 For close to a century Harlem has been the iconic black neighborhood widely seen as the heart of African American life and culture both celebrated as the vanguard of black self determination and lamented as the face of segregation But with Harlem's demographic physical and commercial landscapes rapidly changing the neighborhood's status as a setting and symbol of black political and cultural life looks uncertain As debate swirls around Harlem's present and future Race Capital revisits a century of the area's history culture and imagery exploring how and why it achieved its distinctiveness and significance and offering new accounts of Harlem's evolving symbolic power In this book leading scholars consider crucial aspects of Harlem's social political and intellectual history its artistic cultural and economic life and its representation across an array of media and genres Together they reveal a community at once local and transnational coalescing and conflicted one that articulated new visions of a cosmopolitan black modernity while clashing over distinctions of ethnicity gender class and sexuality Topics explored include Harlem as a literary phenomenon recent critiques of Harlem exceptionalism gambling and black business history the neighborhood's transnational character its importance in the black freedom struggle black queer spaces and public policy and neighborhood change in historical context Spanning a century from the emergence of the Harlem Renaissance to present day controversies over gentrification Race Capital models new Harlem scholarship that interrogates exceptionalism while taking seriously the importance of place and locality offering vistas onto new directions for African American and diasporic studies **Civil Rights in America** Christopher W. Schmidt, 2020-12-17 The term civil rights has such a familiar presence in discussions about American politics and law that we tend to use it reflexively and intuitively but rarely do we stop to think about what exactly we mean when we use the term and why certain uses strike us as right or wrong In this book Professor Christopher W Schmidt tells the story of how Americans have fought over the meaning of civil rights from the Civil War through today Through their struggles over what it means to

live in a nation dedicated to protecting civil rights each generation has given the label new life and new meaning Civil Rights in America shows how the words we use to understand our world become objects of contestation and points of leverage for social political and legal action *The United States and the Second World War* G. Kurt Piehler, Sidney Pash, 2010 In this text Piehler and Pash bring together a collection of essays offering an examination of American participation in the Second World War including a long overdue reconsideration of such seminal topics as the forces leading the US to enter World War II the role of the American military in the Allied victory and more

African American Political Thought Melvin L. Rogers, Jack Turner, 2024-05-31 African American Political Thought offers an unprecedented philosophical history of thinkers from the African American community and African diaspora who have addressed the central issues of political life democracy race violence liberation solidarity and mass political action Melvin L Rogers and Jack Turner have brought together leading scholars to reflect on individual intellectuals from the past four centuries developing their list with an expansive approach to political expression The collected essays consider such figures as Martin Delany Ida B Wells W E B Du Bois James Baldwin Toni Morrison and Audre Lorde whose works are addressed by scholars such as Farah Jasmine Griffin Robert Gooding Williams Michael Dawson Nick Bromell Neil Roberts and Lawrie Balfour While African American political thought is inextricable from the historical movement of American political thought this volume stresses the individuality of Black thinkers the transnational and diasporic consciousness and how individual speakers and writers draw on various traditions simultaneously to broaden our conception of African American political ideas This landmark volume gives us the opportunity to tap into the myriad and nuanced political theories central to Black life In doing so African American Political Thought A Collected History transforms how we understand the past and future of political thinking in the West

The Liberal Hour G. Calvin Mackenzie, Robert Weisbrot, 2008 A history of the liberal movement in the 1960s argues that the government was largely responsible for many of the positive changes associated with the period in an account that evaluates the cultural and political factors that enabled key reforms

A Black Women's History of the United States Daina Ramey Berry, Kali Nicole Gross, 2020-02-04 The award winning Revisioning American History series continues with this groundbreaking new history of Black women in the United States Ibram X Kendi the perfect companion to An Indigenous People's History of the United States and An African American and Latinx History of the United States An empowering and intersectional history that centers the stories of African American women across 400 years showing how they are and have always been instrumental in shaping our country In centering Black women's stories two award winning historians seek both to empower African American women and to show their allies that Black women's unique ability to make their own communities while combatting centuries of oppression is an essential component in our continued resistance to systemic racism and sexism Daina Ramey Berry and Kali Nicole Gross offer an examination and celebration of Black womanhood beginning with the first African women who arrived in what became the United States to African American women of today A Black Women's History of the

United States reaches far beyond a single narrative to showcase Black women's lives in all their fraught complexities Berry and Gross prioritize many voices enslaved women freedwomen religious leaders artists queer women activists and women who lived outside the law The result is a starting point for exploring Black women's history and a testament to the beauty richness rhythm tragedy heartbreak rage and enduring love that abounds in the spirit of Black women in communities throughout the nation

Civil Rights Crossroads Steven F. Lawson, 2014-10-17 Over the past thirty years Steven F. Lawson has established himself as one of the nation's leading historians of the Black struggle for equality *Civil Rights Crossroads* is an important collection of Lawson's writings about the civil rights movement that is essential reading for anyone concerned about the past present and future of race relations in America Lawson examines the movement from a variety of perspectives local and national political and social to offer penetrating insights into the civil rights movement and its influence on contemporary society *Civil Rights Crossroads* also illuminates the role of a broad array of civil rights activists familiar and unfamiliar Lawson describes the efforts of Martin Luther King Jr and Lyndon Johnson to shape the direction of the struggle as well as the extraordinary contributions of ordinary people like Fannie Lou Hamer Harry T. Moore Ruth Perry Theodore Gibson and many other unsung heroes of the most important social movement of the twentieth century Lawson also examines the decades-long battle to achieve and expand the right of African Americans to vote and to implement the ballot as the cornerstone of attempts at political liberation

Traveling Black Mia Bay, 2021-03-23 What was it like to travel while Black under Jim Crow Mia Bay brings this dramatic history to life With gripping stories and a close eye on the rail bus and airline operators who implemented segregation she shows why access to unrestricted mobility has been central to the Black freedom struggle since Reconstruction and remains so today

Africana Cultures and Policy Studies Z. Williams, 2009-06-08 This book introduces *Africana Cultures and Policy Studies* as an interdisciplinary field of study rooted in the historical experience of people of African descent and focusing on policy development analysis and practical application

The Case for Gay Reparations Omar G. Encarnación, 2021-05-03 This book makes the case for why the United States should embrace gay reparations or policies intended to make amends for a history of discrimination stigmatization and violence against the LGBT community It contends that gay reparations are a moral imperative for bringing dignity to those whose human rights have been violated because of their sexual orientation and or gender identity for closing painful histories of state-sponsored victimization of LGBT people and for reminding future generations of past struggles for LGBT equality To make its case the book examines how other Western democracies notorious for their oppression of homosexuals have implemented gay reparations specifically Spain Britain and Germany Their collective experience shows that although there is no universal approach to gay reparations it is never too late for countries to seek to right past wrongs

Exporting American Dreams Mary L. Dudziak, 2008-07-02 Thurgood Marshall became a living icon of civil rights when he argued *Brown v. Board of Education* before the Supreme Court in 1954 Six years later he was at a crossroads A rising generation of activists

were making sit ins and demonstrations rather than lawsuits and legal maneuvering the hallmarks of the civil rights movement What role he wondered could he now play When in 1960 Kenyan independence leaders asked him to help write their constitution Marshall seized the occasion and threw himself into their cause Here was a new arena in which law might serve as the tool with which to forge a just society an opportunity to prove that legal means offered the brightest hope for progress In *Exporting American Dreams* Mary Dudziak recounts with poignancy and power the untold story of Marshall s journey to Africa His experience in Kenya was emotional as well as intellectual and during it he developed ties of friendship with among others Tom Mboya and Jomo Kenyatta Marshall served as advisor to the Kenyans who needed to demonstrate to both Great Britain and to the world that they would treat minority races whites and Asians fairly once Africans took power He crafted a bill of rights aiding constitutional negotiations that enabled peaceful regime change rather than violent resistance Marshall s involvement with Kenya s foundation affirmed his belief in progress by legal means while also forcing him to understand how the struggle for justice could be compromised by the imperatives of sovereignty Marshall s beliefs were most sorely tested later in the decade when he became a Supreme Court Justice even as American cities erupted in flames and civil rights progress stalled But his journey to Africa remained a source of inspiration on which he continued to draw

Secret City James Kirchick, 2022-05-31 The New York Times Bestseller A New York Times Notable Book of 2022 Named one of Vanity Fair s Best Books of 2022 Not since Robert Caro s *Years of Lyndon Johnson* have I been so riveted by a work of history *Secret City* is not gay history It is American history George Stephanopoulos Washington D C has always been a city of secrets Few have been more dramatic than the ones revealed in James Kirchick s *Secret City* For decades the specter of homosexuality haunted Washington The mere suggestion that a person might be gay destroyed reputations ended careers and ruined lives At the height of the Cold War fear of homosexuality became intertwined with the growing threat of international communism leading to a purge of gay men and lesbians from the federal government In the fevered atmosphere of political Washington the secret too loathsome to mention held enormous terrifying power Utilizing thousands of pages of declassified documents interviews with over one hundred people and material unearthed from presidential libraries and archives around the country *Secret City* is a chronicle of American politics like no other Beginning with the tragic story of Sumner Welles Franklin Delano Roosevelt s brilliant diplomatic advisor and the man at the center of the greatest national scandal since the existence of the United States James Kirchick illuminates how homosexuality shaped each successive presidential administration through the end of the twentieth century Cultural and political anxiety over gay people sparked a decades long witch hunt impacting everything from the rivalry between the CIA and the FBI to the ascent of Joseph McCarthy the struggle for Black civil rights and the rise of the conservative movement Among other revelations Kirchick tells of the World War II era gay spy master who pioneered seduction as a tool of American espionage the devoted aide whom Lyndon Johnson treated as a son yet abandoned once his homosexuality was discovered and how allegations of a homosexual

ring controlling Ronald Reagan nearly derailed his 1980 election victory Magisterial in scope and intimate in detail Secret City will forever transform our understanding of American history **Fight Like Hell** Kim Kelly, 2023-08-29 Prologue The trailblazers The garment workers The mill workers The revolutionaries The miners The harvesters The cleaners The freedom fighters The movers The metalworkers The disabled workers The sex workers The prisoners Epilogue
