Little Lost Rabbit Stewart Cowley,1993-03-01 *Little Lost Rabbit* Jean Adamson,Gareth Adamson,1997 Topsy and Tim find a black and white rabbit in their front garden They are so excited they want to keep it When they discover that the rabbit is owned by Mr Fishwick the twins are very sad Luckily Mr Fishwick says the rabbit needs a home so Topsy and Tim get to keep it after all **Rabbit Angstom** John Updike,1995-10-17 The four novels in the acclaimed Rabbit series including the Pulitzer Prize winners *Rabbit is Rich* and *Rabbit at Rest* brought together in a single volume from one of the most gifted American writers of the twentieth century When we first met him in *Rabbit Run* 1960 the book that established John Updike as a major novelist Harry Rabbit Angstom is playing basketball with some boys in an alley in Pennsylvania during the tail end of the Eisenhower era reliving for a moment his past as a star high school athlete Athleticism of a different sort is on display throughout these four magnificent novels the athleticism of an imagination possessed of the ability to lay bare with a seemingly effortless animal grace the enchantments and disenchantments of life Updike revisited his hero toward the end of

each of the following decades in the second half of this American century and in each of the subsequent novels as Rabbit his wife Janice his son Nelson and the people around them grow these characters take on the lineaments of our common existence In prose that is one of the glories of contemporary literature Updike has chronicled the frustrations and ambiguous triumphs the longuers the loves and frenzies the betrayals and reconciliations of our era He has given us our representative American story This Rabbit Angstom volume is composed of the following novels Rabbit Run Rabbit Redux Rabbit is Rich and Rabbit at Rest *The Lost Woods* H. William Rice, 2014-04-21 A collection that follows the lives of two families who own land and hunt in rural South Carolina The Lost Woods is a collection of fifteen short stories most of them set in and around the fictional small town of Sledge South Carolina The events narrated in the stories begin in the 1930s and continue to the present day The stories aren t accounts of hunting methods or legends of trophy kills they are serious stories about hunting that are similar in style to William Faulkner s Go Down Moses The collection traces the evolution of two families the Whites and the Chapmans as well as the changes in hunting and land use of the past eighty years Some of these stories are narrated in third person others are told by a wide range of characters from grown men and women to children but only from one perspective that of the hunter As they walk the woods in search of turkeys deer or raccoons these characters seek something more than food They seek a lost connection to some part of themselves The title the lost woods is adapted from Cherokee myths and stories wherein people must return again and again to the woods to find animals that were lost Thereby we find not only food but who we are Through these stories Rice reminds us that hunting is inextricably entwined with identity As one of the oldest rituals that we as a species know it reflects both our nobility and our depravity Through it we return again and again to find the lost woods inside ourselves
