those intimate moments forever sealed in time and exposed by the ink drops on a once blank canvas Pierre's Journey to Florida Thomas N. Tozer, 2012-08 This historical fiction book is about the life adventures of Pierre de Br a young French Huguenot at the time when European and Native Americans first came into contact with each other His family and community were massacred by the Spanish and as a consequence he lived among the Timucuan Indians of Florida for several years before returning to France It is a story of harsh times in Europe a time with divisive indeed tumultuous religious and political problems and a time when exploration of the unknown parts of the world was so exciting romantic and adventurous The book should be of interest to anyone fascinated by the original Native American culture or with a curiosity of the historic events leading to the settling of North America The author s motivation for writing this book came from four distinct sources a visit to St Augustine Florida where he became captivated with the early contribution of the French Huguenots to the founding of the United States knowledge that Huguenot ancestors on his mother s side came to the United States from France in the late 17th century visiting most of the places in France and Florida mentioned in the book and going to elementary and high school with numerous Native Americans Voices First Nations Terri Johnson, 2012-03-23 Preface I write for the expression of my soul It is a release of my inner energies that are begging to come out The release of this book was not only a journey but an awakening as well My words and thoughts evolving in a whole new level I wanted to embrace more aspects of poetry and try to reach outside the box This book has been a great sounding board for that I wanted to formulate my ideas and give more picture and vision to what I was trying to say Poetry for me encompasses my life It is the epitome of what I see in everyday aspects of my life Every nuance every minute and every detail that rolls through me all hold a bit of poetry that I love embracing It s the little things that capture the inspiration for me and it is why I wanted to make those same pictures come to life as they do in my mind s eye I have gone through a lot in my life and through those trials I have been able to bring myself back up Striving to be more than what I can be The strength I capture within my writing I have noticed has now become stronger and it is why I want to share my poetic evolution with you I also want to pay tribute to the guests that I have chosen to feature in this book I have collaborated with two of the best people that I have had the pleasure to work with In the poem Falling Rain KD Morris has graced me with his poetic talent by sharing his mind with that of my poetic musings I have been blessed to have his insight bring clarity to this piece In the two poems The Wind carried us home to each other and Wish you were here by my side San Gerardo Rafa makes his appearance His help in the two pieces created such a beautiful poetic harmony that both need to be shared I thank both poets for helping me in my written journey The last part of my book I have decided to try something a little different I have handpicked three different artists Carla May Listener Jonathon Taylor and Dion Tootoosis in which to show different aspects of how poetry can be communicated All three artists are of aboriginal descent and all three are Canadian born I m extremely honored to have them in my book They add a special flavor and their words need to be acknowledged Terri L Johnson *Chantico in the Land of*

On the Lips of Others Patrick Thomas Hajovsky, 2015-06-01 Moteuczoma the last king who ruled the Aztec Empire was rarely seen or heard by his subjects yet his presence was felt throughout the capital city of Tenochtitlan where his deeds were recorded in hieroglyphic inscriptions on monuments and his command was expressed in highly refined ritual performances What did Moteuczoma's fame mean in the Aztec world How was it created and maintained In this innovative study Patrick Hajovsky investigates the king's inscribed and spoken name showing how it distinguished his aura from those of his constituencies especially other Aztec nobles warriors and merchants who also vied for their own grandeur and fame While Tenochtitlan reached its greatest size and complexity under Moteuczoma the Great Speaker innovated upon fame by tying his very name to the Aztec royal office As Moteuczoma's fame transcends Aztec visual and oral culture Hajovsky brings together a vast body of evidence including Nahuatl language and poetry indigenous pictorial manuscripts and written narratives and archaeological and sculptural artifacts The kaleidoscopic assortment of sources casts Moteuczoma as a divine king who while inheriting the fame of past rulers saw his own reputation become entwined with imperial politics ideological narratives and eternal gods Hajovsky also reflects on posthumous narratives about Moteuczoma which created a very different sense of his fame as a conquered subject These contrasting aspects of fame offer important new insights into the politics of personhood and portraiture across Aztec and colonial period sources
