## **Making It In America Proven Paths:**

The Industrialists Jennifer Delton, 2022-08-30 The first complete history of US industry's most influential and controversial lobbyist Founded in 1895 the National Association of Manufacturers NAM helped make manufacturing the basis of the US economy and a major source of jobs in the twentieth century The Industrialists traces the history of the advocacy group from its origins to today examining its role in shaping modern capitalism while also highlighting the many tensions and contradictions within the organization that sometimes hampered its mission In this compelling book Jennifer Delton argues that NAM an organization best known for fighting unions promoting free enterprise and defending corporate interests was also surprisingly progressive She shows how it encouraged companies to adopt innovations such as safety standards workers comp and affirmative action and worked with the US government and international organizations to promote the free exchange of goods and services across national borders While NAM's modernizing and globalizing activities helped to make American industry the most profitable and productive in the world by midcentury they also eventually led to deindustrialization plant closings and the decline of manufacturing jobs Taking readers from the Progressive Era and the New Deal to the Reagan Revolution and the Trump presidency The Industrialists is the story of a powerful organization that fought US manufacturing's political battles created its economic infrastructure and expanded its global markets only to contribute to the widespread collapse of US manufacturing by the close of the twentieth century **In Their Time** Anthony J. Mayo, Nitin Nohria, 2005 From little known heroes to legends like Sam Walton and Bill Gates this absorbing book weaves history economics and personality to reveal the secrets behind the success of the last century's greatest American business leaders The authors show that a key to success was contextual intelligence the ability to read and understand the context of the times and seize the unique opportunities within them Leadership titles sell well for us and this book should get strong review attention Powerful Resource canon of the 20th century's greatest business leaders in one volume Absorbing read the stories include both well known and unfamiliar leaders New Leadership Theory many leadership profiles focus on personality traits the authors theory of contextual intelligence represents a fresh perspective Well researched based on a Harvard Business School Leadership Initiative Study of 1 000 great CEOs and Founders of American companies from 1900 1999 Many of the leaders profiled hail from non US countries *Applied Organizational Communication* Thomas E.
