

Medieval Romances

Albert Booth Taylor

Medieval Romances:

Thinking Medieval Romance Katherine C. Little, Nicola McDonald, 2018 Theoretically savvy and polemical arguments about a broad range of French Middle English and Mediterranean romances that will revise scholars and students understanding of what medieval romances are and more importantly what they do to and for their readers Medieval Romance and Material Culture Nicholas Perkins, 2015 Studies of how the physical manifests itself in medieval romance and medieval romances as objects themselves Medieval romance narratives glitter with the material objects that were valued and exchanged in late medieval society lovers rings and warriors swords holy relics and desirable or corrupted bodies Romance however is also a genre in which such objects make meaning on numerous levels and not always in predictable ways These new essays examine from diverse perspectives how romances respond to material culture but also show how romance as a genre helps to constitute and transmit that culture Focusing on romances circulating in Britain and Ireland between the twelfth and sixteenth centuries individual chapters address such questions as the relationship between objects and protagonists in romance narrative the materiality of male and female bodies the interaction between visual and verbal representations of romance poetic form and manuscript textuality and how a nineteenth century edition of medieval romances provoked artists to homage and satire NICHOLAS PERKINS is Associate Professor and Tutor in English at St Hugh's College University of Oxford Contributors Siobhain Bly Calkin Nancy Mason Bradbury Aisling Byrne Anna Caughey Neil Cartlidge Mark Cruse Morgan Dickson Rosalind Field Elliot Kendall Megan G Leitch Henrike Manuwald Nicholas Perkins Ad Putter Raluca L Radulescu Robert Allen Rouse *Empire of Magic* Geraldine Heng, 2003-07-13 Empire of Magic offers a genesis and genealogy for medieval romance and the King Arthur legend through the history of Europe's encounters with the East in crusades travel missionizing and empire formation It also produces definitions of race and nation for the medieval period and posits that the Middle Ages and medieval fantasies of race and religion have recently returned Drawing on feminist and gender theory as well as cultural analyses of race class and colonialism this provocative book revises our understanding of the beginnings of the nine hundred year old cultural genre we call romance as well as the King Arthur legend Geraldine Heng argues that romance arose in the twelfth century as a cultural response to the trauma and horror of taboo acts in particular the cannibalism committed by crusaders on the bodies of Muslim enemies in Syria during the First Crusade From such encounters with the East Heng suggests sprang the fantastical episodes featuring King Arthur in Geoffrey of Monmouth's chronicle The History of the Kings of England a work where history and fantasy collide and merge each into the other inventing crucial new examples and models for romances to come After locating the rise of romance and Arthurian legend in the contact zones of East and West Heng demonstrates the adaptability of romance and its key role in the genesis of an English national identity Discussing Jews women children and sexuality in works like the romance of Richard Lionheart stories of the saintly Constance Arthurian chivalric literature the legend of Prester John and travel narratives Heng

shows how fantasy enabled audiences to work through issues of communal identity race color class and alternative sexualities in socially sanctioned and safe modes of cultural discussion in which pleasure not anxiety was paramount Romance also engaged with the threat of modernity in the late medieval period as economic social and technological transformations occurred and awareness grew of a vastly enlarged world beyond Europe one encompassing India China and Africa Finally Heng posits romance locates England and Europe within an empire of magic and knowledge that surveys the world and makes it intelligible usable for the future Empire of Magic is expansive in scope spanning the eleventh to the fifteenth centuries and detailed in coverage examining various types of romance historical national popular chivalric family and travel romances among others to see how cultural fantasy responds to changing crises pressures and demands in a number of different ways Boldly controversial theoretically sophisticated and historically rooted Empire of Magic is a dramatic restaging of the role romance played in the culture of a period and world in ways that suggest how cultural fantasy still functions for us today The Beginnings of Medieval Romance Dennis Howard Green,2002-06-27 Publisher Description

The Cambridge Companion to Medieval Romance Roberta L. Krueger,2000-06-22 This Companion presents fifteen original and engaging essays by leading scholars on one of the most influential genres of Western literature Chapters describe the origins of early verse romance in twelfth century French and Anglo Norman courts and analyze the evolution of verse and prose romance in France Germany England Italy and Spain throughout the Middle Ages The volume introduces a rich array of traditions and texts and offers fresh perspectives on the manuscript context of romance the relationship of romance to other genres popular romance in urban contexts romance as mirror of familiar and social tensions and the representation of courtly love chivalry other worlds and gender roles Together the essays demonstrate that European romances not only helped to promulgate the ideals of elite societies in formation but also held those values up for questioning An introduction a chronology and a bibliography of texts and translations complete this lively useful overview **Medieval Romance and the Construction of Heterosexuality** L. Sylvester,2007-12-25 This book interrogates our ideas about heterosexuality through examination of medieval romance narratives Familiar configurations of romantic fiction such as male desire overwhelming feminine reluctance and the aloof masculine hero undone by love derive from this period This book tests current theories of language and desire through stylistic analysis examining transitivity choices and speech acts in sexual encounters and conversations in medieval romances In the context of current preoccupations with gender and sexuality and consent in rape cases this study is of interest to scholars investigating language and sexuality as well as those researching and teaching medieval literature and culture Nine Medieval Romances of Magic Marijane Osborn,2010-03-05 In this book Marijane Osborn translates into modern English nine lively medieval verse romances in a form that both reflects the original and makes the romances inviting to a modern audience All nine tales contain elements of magic shapeshifters powerful fairies trees that are portals to another world and enchanted clothing and armor Many of the tales also feature powerful

women characters while others include representations of Saracens The tales address issues of enduring interest and concern and also address sexuality agency and identity formation in unexpected ways Medieval Romance, Medieval Contexts Michael Staveley Cichon, Rhiannon Purdie, 2011 The popular genre of medieval romance explored in its physical geographical and literary contexts The essays in this volume take a representative selection of English and Scottish romances from the medieval period and explore some of their medieval contexts deepening our understanding not only of the romances concerned but also of the specific medieval contexts that produced or influenced them The contexts explored here include traditional literary features such as genre and rhetorical technique and literary cultural questions of authorship transmission and readership but they also extend to such broader intellectual and social contexts as medieval understandings of geography the physiology of swooning or the efficacy of baptism A framing context for the volume is provided by Derek Pearsall's prefatory essay in which he revisits his seminal 1965 article on the development of Middle English romance Rhiannon Purdie is Senior Lecturer in English University of St Andrews Michael Cichon is Associate Professor of English at St Thomas More College in the University of Saskatchewan Contributors Derek Pearsall Nancy Mason Bradbury Michael Cichon Nicholas Perkins Marianne Ailes John A Geck Phillipa Hardman Siobhain Bly Calkin Judith Weiss Robert Rouse Yin Liu Emily Wingfield Rosalind Field The Transmission of Medieval Romance Ad Putter, Judith Anne Jefferson, 2018 Romances were immensely popular with medieval readers as evidenced by their ubiquity in manuscripts and early print The essays collected here deal with the textual transmission of medieval romances in England and Scotland combining this with investigations into their metre and form this comparison of the romances in both their material form and their verse form sheds new light on their cultural and social contexts Topics addressed include the singing of Middle English romance the printed transmission of romance from Caxton to Wynkyn de Worde and the representation of the Otherworld in manuscript miscellanies Women's Power in Late Medieval Romance Amy Noelle Vines, 2011 A reading of how women's power is asserted and demonstrated in the popular medieval genre of romance The cultural and social power of women in the Middle Ages is perhaps hard to trace with evidence for it scarce This book argues that medieval romances provide a central but under explored source for and examples of such authority By reassessing the influence exerted by female characters in a spectrum that includes both intellectual and chivalric aid and in some cases patronage it considers how they functioned as models of cultural intellectual and social authority in medieval literary texts In addition to examples set by the family connections socio political networks and textual communities in which they lived this study argues that women also learned methods of influence from the books they read In texts like *Troilus and Criseyde* and *Partonope of Blois* the female reader encounters an explicit demonstration of how a woman's intellectual and financial resources can be used The literary representations of women's cultural power expose a continuum of influence from non material effects to material sway in the medieval patronage system an influence often unacknowledged in strictly historical and extra literary sources Amy N Vines is

Assistant Professor in the Department of English University of North Carolina Greensboro

The New Cambridge Companion to Medieval Romance Roberta L. Krueger, 2023-05-25 This new Companion introduces the most important medieval vernacular literary genre in Britain and continental Europe

Scott, Chaucer, and Medieval Romance Jerome Mitchell, 2014-07-15 While the influence of Shakespeare on Sir Walter Scott has long been recognized the importance of medieval literature in shaping his creative imagination has never before been examined in depth Jerome Mitchell's new book fills this significant gap through a wide ranging study of Scott's indebtedness to Chaucer and to medieval romance especially the Middle English romances for story patterns motifs character types style and structure and detail Mitchell establishes more completely and accurately than any previous critic the extent of Scott's knowledge of medieval literature His examination of Scott's poetry especially the long narrative poems demonstrates their debt to Chaucer and medieval romance The heart of the book is a detailed analysis of the Waverley Novels Scott's debt to medieval literature Mitchell shows was vast profound and elemental it is the single most important source area for the Waverley Novels their warp and woof Moreover it is probably the key to Scott's immense appeal the very dimension which enabled him to cast an everlasting spell on his contemporaries even on such great men as Byron and Goethe and which has charmed generations of readers to the present day This pioneering book based on extensive research in Scotland including Sir Walter Scott's personal library sheds new light on the narrative substance and texture of Scott's poems and novels Both the general reader and the serious student will derive from it a more informed appreciation of Scott's impressive achievement

The Exploitations of Medieval Romance Laura Ashe, Ivana Djordjević, Judith Elizabeth Weiss, 2010 In the middle ages romance was exploited for a variety of social and cultural reasons to celebrate and justify war chivalric ideologies and to rationalize power structures The essays in this volume consider individual romances groups of writings and the genre explaining exploitive manoeuvres in terms of text and context

The Attitude of the Eighteenth Century in England Toward the Medieval Romance ... Leah Augusta Dennis, 1927

The Crusader's Heart Claire Delacroix, 2015-10-20 Wulfe knew his place until Christina taught him to hope for more An orphan and a man who has fought for his own survival Wulfe is a Templar knight sworn to the order for life He will defend the order and his brethren to his last but protests when he is included in a mission to deliver a package to Paris on the cusp of an attack on Jerusalem The assignment so vexes him so that he seeks distraction in a Venetian brothel Wulfe does not expect to encounter a courtesan of beauty and wit her appeal for his assistance much less his own desire to fulfill her request Christina recognizes immediately that the grim knight offers the chance to escape a despised life and reclaim her legacy All she has to do is convince Wulfe to accompany her out of the city a challenge that demands more than the power of her touch when Wulfe is attacked she seizes the opportunity to prove her value to him and his quest uncertain whether her wits will be sufficient As attacks mount and danger engulfs the small company Christina is the one who guesses the contents of the Templar package and holds the key to its successful delivery Wulfe is shocked to realize that she has awakened the

heart he forgot he possessed and when she risks herself to see his mission completed he must choose between his duty and his newfound love The Champions of St Euphemia series follows the quest of a group of knights entrusted with a treasure in Jerusalem which they must deliver safely to Paris on their way to their respective homes They find adventure and peril on the way as well as romance Since the stories overlap and build upon each other they should be read in order 1 The Crusader s Bride 2 The Crusader s Heart 3 The Crusader s Kiss 4 The Crusader s Vow 5 The Crusader s Handfast Templar knight medieval action adventure quest treasure disguise secret identity lost heir widow arranged marriage marriage of convenience friends to lovers scottish highlander may december warrior jerusalem venice paris scotland england robin hood fish out of water

Chivalry and Romance in the English Renaissance Alex Davis,2003 A reinterpretation of the place and significance of chivalric culture in the sixteenth and seventeenth centuries and what it says about contemporary attitudes to the medieval

Aucassin & Nicolette, and Other Mediaeval Romances and Legends Anonymous,2019-12-18

Aucassin Nicolette and Other Mediaeval Romances and Legends is a compelling collection of medieval narratives showcasing the intricate interplay of love and adventure central to the literary traditions of the time The title piece a delightful blend of verse and prose follows the titular characters through trials of passion and social constraints encapsulating the dichotomy of courtly love and personal sacrifice The work stands out for its vibrant characterization and emotive storytelling reflective of the cultural tapestry of the medieval era where romance often navigated the labyrinth of societal norms and individual desire The author though anonymous likely represents a collective narrative voice from the late 12th or early 13th century when the tale was first penned This anonymity allows the text to transcend personal authorship and engage broader sociocultural dialogues of medieval morality feudal hierarchy and the evolving concept of love The folkloric elements embedded within the text further emphasize its roots in oral tradition suggesting a rich communal contribution to the genre of romance Readers seeking to delve into the zeitgeist of medieval romance will find immense value in this collection Its rich narrative complexity and thematic depth offer both scholars and casual readers a poignant insight into the era s literary landscape inviting reflection on universal themes that remain relevant even today In this enriched edition we have carefully created added value for your reading experience An Introduction draws the threads together discussing why these diverse authors and texts belong in one collection Historical Context explores the cultural and intellectual currents that shaped these works offering insight into the shared or contrasting eras that influenced each writer A combined Synopsis Selection briefly outlines the key plots or arguments of the included pieces helping readers grasp the anthology s overall scope without giving away essential twists A collective Analysis highlights common themes stylistic variations and significant crossovers in tone and technique tying together writers from different backgrounds Reflection questions encourage readers to compare the different voices and perspectives within the collection fostering a richer understanding of the overarching conversation

The Middle English Romances of the Thirteenth and Fourteenth Centuries (Routledge Revivals) Dieter Mehl,2010-10-18 First

published in English in 1968 this book provides a critical guide to the wide field of the Middle English Romances and gives a helpful survey of the contemporary state of scholarship Dr Mehl traces the development of Middle English Romances from the thirteenth to the end of the fourteenth century and interprets a number of these romances The emphasis is literary on their form and dominant themes rather than source material or language **An Introduction to Medieval Romance** Albert Booth Taylor,1971 **Encyclopedia of Romance Fiction** Kristin Ramsdell,2018-09-07 As the first encyclopedia solely devoted to the popular romance fiction genre this resource provides a wealth of information on all aspects of the subject Romance fiction accounts for a large share of book sales each year and contrary to popular belief not all of its readers are women roughly 16 percent are men This enormously popular genre continues to captivate people reading for pleasure and it also commands a growing amount of academic interest Included are alphabetically arranged reference entries on significant authors along with works themes and other topics The articles are written by scholars librarians and industry professionals with a deep knowledge of the genre and so provide a thorough understanding of the subject An index provides easy access to information within the entries and bibliographies at the end of each entry a general bibliography and a suggested romance reading list allow for further study of the genre

Medieval Romances Introduction

In the digital age, access to information has become easier than ever before. The ability to download Medieval Romances has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Medieval Romances has opened up a world of possibilities. Downloading Medieval Romances provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Medieval Romances has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Medieval Romances. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Medieval Romances. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Medieval Romances, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Medieval Romances has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers.

worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Medieval Romances Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
