Mum In A Million:

Mum in a Million Judith Holder, 2012-02-16 There is no one quite like your mother but along with the unconditional love and understanding this also means that there is no one else who always knows when you're fibbing or where you keep your diary or the terribly amusing thing you once said at a family wedding when you were five In an affectionate amusing and mischievous book Judith Holder's tribute to motherhood covers everything from mothers through the ages it's not only the Virgin Mary who we wish had had an immaculate conception to maternal anxiety and those little things she says and why she says them You're not going out like that What are you doing inside on a lovely day like today and the classic because I said so Using interviews and testimonies from mothers and daughters of all ages this is a humorous look at motherhood and everything that goes with it with beautifully illustrated and funny line drawings integrated into the text
