Native Americans Of The West A Sourcebook On The American West

Walter Nugent

Native Americans Of The West A Sourcebook On The American West:

Native Americans of the West: A Sourcebook on the American West , **Native Americans of the West** Carter Smith,1996-09 Describes and illustrates the Native Americans of the West from before the arrival of Europeans to the Wounded Knee massacre in 1890 through a variety of images created during that period **Native American Power in the United States, 1783-1795** Celia Barnes,2003 This book is a study of the role of Native Americans in the physical and political development of the United States during the first few years of its existence An evaluation of the function and operation of power both within Native American groups and their relation with outsiders which informed their diverse and complex strategies of resistance to white westward expansion forms a central component of the study The Western American Indian Richard N. Ellis,1972-01-01 This collection of fourteen case studies by leading historians and other experts examines the impact of white settlement and especially of government policy and actions on the economic political religious and social lives of the western American Indians from the mid 1850s Among the matters considered are treaty making the Indian Wars Grant s Peace Policy and the peacetime role of the military reservation life enforced allotment under the Dawes Act the Indian Reorganization act and the work of the Indian Claims Commission The case history approach makes it possible to be circumstantial and concrete in dealing with the major issues affecting the tribes of the Great Plains the Southwest and the Northwest The World of the American West Gordon Morris Bakken,2016-12-12 Addressing everything from the details of everyday life to recreation and warfare this two volume work examines the social political intellectual and material culture of the American Old West from the California Gold Rush of 1849 to the end of the 19th century What was life really like for ordinary people in the Old West What did they eat wear and think How did they raise their children How did they interact with government What did they do for fun This encyclopedia provides readers with an engaging and detailed portrayal of the Old West through the examination of social cultural and material history Supported by the most current research the multivolume set explores various aspects of social history family politics religion economics and recreation to illuminate aspects of a society s emotional life interactions opinions views beliefs intimate relationships and connections between the individual and the greater world Readers will be exposed to both objective reality and subjective views of a particular culture as a result they can create a cohesive accurate impression of life in the Old West during the second half of the 1800s The Gendered West Gordon Morris Bakken,Brenda Farrington,2013-09-13 First Published in 2001 This anthology of western history articles emphasizes the New Western History that emerged in the 1980s and adds to it a heavy dose of legal history a field frequently ignored or misunderstood by the New Western historians From first contact American Indians knew that Europeans did not understand the gendered nature of America Confusion regarding the role of women within tribes and bands continued from first contact well into the late nineteenth century The journal articles that follow give readers a true sense of the gendered West Racial and ethnic heritage played a role in female experience whether Hispanic

Japanese or Irish Women's work was part western history but women did not confine themselves to plow handles or brothels. Women were very much a part of most occupations or in the process of breaking down barriers of access. They worked in the fields for wages as well as for family welfare and prosperity. Women demanded access to the professions whether teaching or law, accounting or medicine. The process of eliminating barriers varied in time and space but the struggle was constant. Yet the story of women in polygamous Utah or Idaho was different and an integral part of the fabric of western history. Because of their beliefs and practices these women suffered at the hands of the federal government and persevered. *Books in Print*, 1991. *Forthcoming Books* Rose Arny, 2001-08. *The Native American in American Literature* Roger Rock, 1985-05-22.

This bibliography is a starting point for those interested in researching the American Indian in literature or American Indian literature. Designed to augment other major bibliographies it classifies all relevant bibliographies and critical works and supplies listings not cited by them. The author's general introduction provides bibliographical background for those beginning research in the field. Cited works are listed alphabetically by the author's or editor's last name in each of three categories: bibliographies, works about the Indian in literature, and Indian literature. Each citation is numbered and the cross-referenced subject and author indexes refer to each work by number thereby facilitating speedy reference. **Historical America** D. J. Herda, 1993. Examines the history of the north central states from early Indian civilizations through the Civil War to the present day. *Encyclopedia of Women in the American West* Gordon Morris Bakken, Brenda Farrington, 2003-06-26.

American women have followed their manifest destiny since the 1800s moving West to homestead, found businesses, author novels and write poetry, practice medicine and law, preach and perform missionary work, become educators, artists, judges, civil rights activists, and many other important roles spurred on by their strength, spirit, and determination. *School Library Journal*, 1992. **The American West** Christine Hatt, 1998. Surveys the settling of the American West using excerpts from contemporary sources to highlight the original Native American inhabitants, the arrival of fur traders, the Gold Rush, Mormon migrations, the growth of cattle ranching, and more. **Bring History Alive!** Kirk Ankeney, 2011-06-15. *The New Americans* Mary C. Waters, Reed Ueda, Helen B. Marrow, 2007-01-30. The U.S. has always been a nation of immigrants shaped by successive waves of new arrivals. This comprehensive guide provides an authoritative account of the most recent surge of immigrants. Based on the latest U.S. Census data and scholarly research, this book is an essential reference for anyone curious about the changing face of America. **Book Review Digest**, 1995. **Children's Books in Print** R. R. Bowker Publishing, Bowker, 1999-12. **Your Travel Guide to America's Old West** Rita J. Markel, 2004-01-01. Takes readers on a journey back in time in order to experience life in the American West in the 1800s describing clothing, accommodations, foods, local customs, transportation, a few notable personalities, and more. **North America** Fran Sammis, 1999. Text, photographs, and maps introduce information about the climate, land use, resources, plants, and animals, population, politics, and religions of North America. *Into the West* Walter Nugent, 2001-03-13. Acclaimed historian Walter Nugent brings us what is perhaps

the most comprehensive and fascinating account to date of the peopling of the American West In this epic social demographic history Nugent explores the populations of the West as they grow change and intersect from the Paleo Indians the Spanish Conquistadors to displaced Okies wartime African American immigrants and all the disparate groups that have made California the most ethnically diverse state in the union Their tale in all its complexity is a tale that surprises that subverts traditional stereotypes and that illuminates the multifaceted character of one of the world s most unique and dynamic territories
